Sweetman,2020-12-01 The angst of modernity is that of powerlessness disenfranchisement and alienation People everywhere are experiencing helplessness in a world where the few rule and leaders and legislators run roughshod over the masses with a deluge of laws and where technology encroaches upon their daily lives and privacy and an

economic inequality never before seen in history The concepts of self determination destroying superstition government by the people questioning all authority and the power of knowledge reason and the authority of the individual is on the verge of dying However as Thomas Paine said We have it in our power to begin the world over again Today s world cries out for a new breed of thinker rational brave bold innovative intuitive and artistic We all need to re evaluate to become questioners explorers and seekers Knowledge Consent and Liberty is about the power of knowledge the supremacy of the consent of the governed the legal and Constitutional right of the people of the globe to form their definitions of liberty freedom and government and their obligation to create their collective destiny Its lofty goal is to challenge empower and enlighten the reader In a logical progression from premises to conclusions it lays out a philosophical historical and scientific argument that humans create their world for good or bad It expounds on current social political and cultural issues that deserve consideration for reform or change And it maps out a constitutional strategy and method for the people to create America and the world in their own image rather than that of a few oligarchs
