meant to be with We love and we love again sometimes our hearts get broken but somehow we find the courage to dive back in In this soul searching book relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are what they want and finally to the discovery of their Twin Flame According to Rose love is a journey of self discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy She introduces readers to the three types of love we will all experience The Soulmate introduces us to the dream of love but somehow what seemed like it would be happily ever after wasn't meant to last forever We are so consumed with making The Karmic Love work that we often fail to question whether it should work As painful as it is to accept this love that felt so right in the beginning is actually all wrong The Twin Flame comes into our lives and often we don't even know it's love because it's too easy This is the love who helps us to accept ourselves just as we are because this is precisely what they do In You Only Fall in Love Three Times Kate Rose shows us that happy endings may not happen quite the way they do in fairytales but they happen nonetheless Subject Catalog, 1976 Library of Congress, 1976 **Love, Dad** Laurie
