A Toast to Love and Sacrifice Andrea Rachiele, 2008-11-14 The book comprises three tales written in classical verse i.e. strict rhythms and rhyme Although in the form of fairy tales and fables they deal with important social and historic issues A Tale of Dancing Chair decries racial discrimination and expounds the idea that regardless of outside help success comes to those who don't shy away from hard work are willing and able to use creative potential to the fullest and stand up to bigotry injustice and unfair judgement A Tale of Captive Puffins reflects upon events in the history of Russian Soviet Jewry in the twentieth Century To recognize historic prototypes of the fable's characters one should read up on history of Tsarist Russia and Soviet Union Weimar and Nazi Germany However it is not a prerequisite the Tale is intended to trigger reader's interest in those chapters of history A Tale of Boy Nightingale is intended to make dents in prejudices against unconventional gay and lesbian families It proclaims love respect and loyalty as traits identifying and holding together families asserts that friendship between children from different families is greatest hope and strongest weapon in the struggle against prejudices still prevalent in society

The Love Israel Family Charles Pierce LeWarne, 2015-07-21 Winner of the Malstrom Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious commune in Seattle's middle class Queen Anne Hill neighborhood He quickly gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty Courage and Strength The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal They flourished for more than a decade owning houses and operating businesses on the Hill although rumors of drug use

control of members and unconventional sexual arrangements dogged them By 1984 perceptions among many followers that some Family members especially Love Israel himself had become more equal than others led to a bitter breakup in which two thirds of the members defected The remaining faithful about a hundred strong resettled on a ranch the Family retained near the town of Arlington Washington north of Seattle There they recouped and adapted with apparent social and economic success for two more decades In The Love Israel Family Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest for a communal life grounded in love service and obedience to a charismatic leader foundered when that leader's power distanced him from his followers LeWarne followed the Family for years attending its celebrations and interviewing the faithful and the disaffected alike He tells the Family's story with both sympathy and balance describing daily life in the urban and later the rural communes and explaining the Family's deeply felt spiritual beliefs The Love Israel Family is an important chapter in the history of communal experiments in the United States **Elsbeth J. Crawford Scott, 1880**
