The Life of the Spirit and the Life of To-day Evelyn Underhill, 1924      **The Life of**

**the Spirit and the Life of Today** Evelyn Underhill,1923      **The Healing of Jordan Young** Tobin Blake,2015-10-26 Jordan Young had been dating author Tobin Blake's daughter for two years when days after his eighteenth birthday he was diagnosed with an aggressive form of lymphoma. Within months several rounds of chemotherapy had failed and top physicians determined that Young now on a ventilator in the ICU could not survive the widespread disease. But he did survive and two years later is cancer free. This suspenseful narrative explores the anatomy of a miracle, the precise steps Blake took with Young on his journey back from the brink. Young's path shows how methods based on spiritual laws can be used to transform fear, navigate the medical world, guide family and friends, and most important, heal. It illustrates that with love all things can be healed, hope is always justified, and nothing is impossible, no matter what the doctors tell you.

**The Seeker's Handbook** John Lash,1990 The spiritual impulse is nothing new, but the perplexing availability of so many belief systems from throughout the world and throughout history is unique to our time. For today's spiritual seeker, clear directions are essential. *The Seeker's Handbook* is meant to be used as a tool, much like a compass, for guiding individuals along the paths of spiritual growth.

**The Advent** Grégoire de Kalbermatten,2018-06-20 This book proposes and describes a new category of perception: vibratory awareness beyond thought, feelings, or instinct, by which all kinds of absolute questions are answered. This awareness itself thinks, organizes, and loves. It balances, neutralizes, and heals human problems and relates man to the Divine. In different scriptures it has been named as divine breath or the flood of bliss. It is innate in every human being, though unconscious for most. Great prophets and founders of different world religions preached the lifestyle which would optimize man's awakening to its conscious knowledge, self-realization, second birth, mukti. Divine incarnations who came on this earth at different stages of man's evolution prepared the setting for its manifestation on a mass scale as the phenomenon of collective consciousness. Every reader is invited to verify personally the existence and the validity of this new awareness many already have.
