Dipman, 2006-06 God spoke to me and this is what he said Do you ever wonder why bad things happen Why did my child die Why did a hurricane kill so many people Why did I lose my job How many times have you blamed God Now what if I told you that you are in a huge multi faceted game A game where you are the hero battling spiritual forces of evil I must be joking let me prove it to you In *The Game of Life* I will answer the question why I will reveal the true purpose for each experience you go through I will use my life as an illustration to show you the veil of darkness and demonstrate to you the battle between good versus evil More importantly I will explain why the game is about to end Yes the clock is ticking down to the very last second Are you playing your Game of Life to win Spiritual Activism Alastair McIntosh, Matt Carmichael, 2015-09-24 A visionary but practical sharing of how spiritual insights and deepening our inner lives can impact leadership for social change Over the past half century the issues facing activists have changed as has our understanding and awareness of spirituality For activists spiritual philosophy is rising up the agenda because it offers distinct tried and tested approaches to deep questions Where did it all go wrong What does it mean to be human What is the place of leadership What is the nature of power *Spiritual Activism* begins by defining spirituality for a modern audience of all faiths and beliefs and goes on to consider the problems and necessities of true leadership Drawing on a rich history of spirituality and activism from *The Bhagavad Gita* to the Hebrew prophets to Carl Jung it is both guide and inspiration for people involved in activism for social or environmental justice Written by Scottish writer Alastair McIntosh and climate activist Matt Carmichael the text is enriched with tales from the authors own experiences It also contains case studies of inspirational spiritual activists including Mama Efua Desmond Tutu Gerrard Winstanley Sojourner Truth and Julia Butterfly Hill which demonstrate the transformative
