**Theologiae of Thomas Aquinas** Daniel Joseph Gordon,2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes

*The Works of Arthur Laurents: Politics, Love, and Betrayal* John M. Clum, 2014-11-28 Arthur Laurents's career as a playwright screenwriter book writer for musicals and director spanned over half a century His first Broadway play *Home of the Brave* was produced in 1945 his last play *Come Back Come Back Wherever You Are* was produced in 2009 when he was ninety one Although he is best known for his work on the classic musicals *Gypsy* and *West Side Story* and for his screenplays for *Rope* *The Way We Were* and *The Turning Point* Laurents is the author of seventeen full length plays numerous screenplays and three volumes of memoirs Despite the length and distinction of Laurents's career until now no one has written a full length critical study of his work Laurents's name was associated with a few hit musicals and films but his best work the plays he wrote since 1975 are not as well known One reason is that the economics of the American theatre have changed during the writer's lifetime and Laurents's serious plays were performed Off Broadway or at regional theatres Few were published except in acting editions until a volume of *Selected Plays* was assembled in 2005 Moreover Laurents's highly controversial volumes of memoirs filled with attacks on people who he felt betrayed him over the years overshadowed his later work Ignoring most of his own plays in the memoirs did not help to maintain his reputation as a serious playwright This book rectifies the absence of a serious examination of all of Laurents's major work This first comprehensive study of Laurents's work focuses on the subjects and themes that recur in his work particularly the interrelated topics of gender politics homosexuality and the dynamics of marriage The position of women and gay men changed greatly over the sixty plus years of Laurents's career and we see those changes reflected in his work particularly in the shifting power dynamics within a marriage Laurents was fascinated by the dynamics of marriage In his plays there is always a tension between love and the difficulty if not impossibility of monogamy In works like *The Enclave* we also see a variety of ways in which gay men try to live proud lives in a heteronormative society In that play and in *Two Lives* Laurents examines how gay men negotiate something like a marriage before gay marriages were legally sanctioned The book also covers the ways in which Laurents's plays reflect his interest in leftist politics from the 1940s through the various

liberations of the late 1960s and 1970s Above all the study argues that if there is any common theme running through the plays films and memoirs it is betrayal betrayal of marriage partner friend artistic collaborator and most important betrayal of one's own ideals The Works of Arthur Laurents will be of particular interest to students and scholars of American drama musical theatre American film gender studies gay studies and Jewish studies *Back To Us, Small town hate to love, friends to lovers, second chance romance* J.H. Croix, 2021-06-08 A swoon worthy romance from USA Today Bestselling Author J H Croix A hate to love second chance romance Just how wrong is it to want my best friend's little sister And how do you fix a broken heart This inquiring mind wants to know It probably doesn't matter though because Nora hates me If you ever wondered it is possible to live and work with someone in a small town and not speak to said person for months That's how long Nora ignores me after I tell her commitment isn't for me I didn't know I was already in love with her I didn't know I was breaking my own heart by telling myself it was too complicated to fall for my best friend's sister All I want now is to find the way back to us Gabriel Nora's story is perfect for readers who love small town romance military heroes sassy heroines frenemies to lovers hate to love second chance slow burn emotional romance with a dash of angst plenty of steam and swoon and a grumpy hero with a serious protective streak A full length standalone romance **Minutes of the Iowa Yearly Meeting of Friends** Iowa Yearly Meeting of Friends, 1871 Lineage of the Lloyd and Carpenter Family Charles Perrin Smith, 1870 The Different Facets of Love Thérèse Nyetam, 2013-06-14 Why speak about love in all its facets Love is a diamond we cannot fathom its depths By a combination of all its facets we hope to reach a vision of true love I realize that all people are looking for love so they can say life is beautiful Love appears in different forms different versions different ages and different cultures It is present everywhere but transparent like wind and water Could it be an element of nature that feeds us daily Everybody knows that when we fall in love we just need fresh water to survive Love is the word we use the most to express a feeling of satisfaction We use it more to express our personal sensations than those inspired in somebody else This is not our fault we are taught growing up to hide our feelings and say things halfway so as not to shock That's what it means to live in community Society attempts to control people who have chosen to live inside it to control love by imposing rules that restrict behavior Sex is one of its priorities In the olden days homosexuality was a normal sexual behavior it was tolerated At the time of King's incest was accepted Each period imposes sexual taboos and as a consequence nowadays we live with so many taboos we don't understand them in depth To my mind taboos are designed to manage the general interest and safeguard society I also think that they have to arise themselves from a loving sentiment *The "Summa Theologica"* Saint Thomas (Aquinas), 1914 *Key Words of the Christian Faith* Reinder Bruinsma, 2008 If you were asked to define the essence of Christianity what would you say Which words would you choose to describe the life changing pursuit of something completely intangible All too often Christian words are used superficially without comprehension of their truest meaning surface answers to humanity's most important questions But these words influence your sole connection to eternal life
