Letters to Jenny Piers Anthony, 2014-07-01

The New York Times bestselling author of the Xanth novels wrote these weekly letters to a fan of his books in the hope of helping her out of a coma. In February 1989, science fiction writer Piers Anthony, author of the Xanth series, received a moving letter. It came from a woman whose daughter Jenny was in a coma as a result of severe injuries caused by a drunk driver. She asked Anthony to write to Jenny, an avid fan of his, in the hope that a letter from him would evoke some response. Her request resulted in a series of warm, supportive and humorous letters written weekly from Anthony to Jenny. These were read to the patient by her mother. The original letters Anthony wrote between February 1989 and 1990 reproduced here, along with Anthony's comments, reveal the author's wit, humanism and social conscience. Jenny has come out of her coma but is still confined to a wheelchair. Anthony also named a character in his next Xanth novel after Jenny, whose limited but definite physical responses to his letters indicated how important they were to her.
