from 1848 to 1866 announced courses on the Natural History of Intellect The Natural Method of Mental Philosophy and Philosophy for the People He would he said give anecdotes of the spirit a calendar of mental moods without any pretense of system None of these attempts however disclosed any novelty of method or indeed after the opening statement of his intention any marked difference from his ordinary lectures About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Emerson's Complete Works: Natural history of intellect, and other papers.
