New Male From Self Destruction To Self Care:

The New Male Herb Goldberg, 2001-07 **Fear of Falling** Barbara Ehrenreich, 2020-01-07 A brilliant and insightful exploration of the rise and fall of the American middle class by New York Times bestselling author Barbara Ehrenreich One of Barbara Ehrenreich's most classic and prophetic works *Fear of Falling* closely examines the insecurities of the American middle class in an attempt to explain its turn to the right during the last two decades of the 20th century Weaving finely tuned expert analysis with her trademark voice Ehrenreich traces the myths about the middle class to their roots determines what led to the shrinking of what was once a healthy percentage of the population and how in its ambition and anxiety that population has retreated from responsible leadership Newly reissued and timely as ever *Fear of Falling* places the middle class of yesterday under the microscope and reveals exactly how we arrived at the middle class of today *In Search of the Swan Maiden* Barbara Fass Leavy, 1995-07-01 In her compendious study of the folktale of the runaway wife Leavy argues that the contradictory claims of nature and culture are embodied in the legendary figure of the swan maiden a woman torn between the human and bestial worlds The New York Times Book Review This is a study of the meaning of gender as framed by the swan maiden tale a story found in the folklore of virtually every culture The swan maiden is a supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to her imprisonment When she manages to regain this key she escapes to the otherworld never to return These tales have most often been interpreted as depicting exogamous marriages describing the girl from another tribe trapped in a world where she will always be the outsider Barbara Fass Leavy believes that in the societies in which the tale and its variants endured woman was the other the outsider trapped in a society that could never be her own Leavy shows how the tale though rarely explicitly recognized is frequently replayed in modern literature Beautifully written this book reveals the myriad ways in which the folktales of a society reflect its cultural values and particularly how folktales are allegories of gender relations It will interest anyone involved in literary gender and cultural studies *The Promise Keepers* Bryan W. Brickner, 1999-01-01 This informative book explores the ideological practices that construct the Promise Keepers movement while investigating the fundamentals of the Promise Keepers belief system Based upon non participant observations of events as well as in depth interviews The Promise Keepers Politics and Promises studies the movement from the inside providing a better understanding of this evangelical phenomenon Examining the group from its modest beginning in 1990 of seventy men joining together in prayer Bryan Brickner discusses the meaning of the movement in a social context This book will be invaluable to scholars of religion gender studies and political theory **Discovering Sexuality That Will Satisfy You Both** Anne Stirling Hastings, 2000 **Friendgrief** Harold Ivan Smith, 2018-09-17 This book not only examines friendgrief from a theoretical and clinical framework but also Smith offers fascinating vignettes from the lives of well known friendgrievors such as Elton John Diane Sawyer Ralph Abernathy C S Lewis Harry Truman Tommy Lasorda Jimmy Carter Fritz Mondale Bill Clinton Calvin Trillin and Alan King The

author includes moving narratives of numerous individuals who have never gained notoriety but have become seasoned friendgrievors **Reclaiming Healthy Sexual Energy** Anne Stirling Hastings,2000 The Inner Enemy George R. Bach,Laura Torbet,1983-12 *The Ethics of Interpersonal Relationships* Joyce Catlett,Robert W. Firestone,2018-03-28 Writing this book springs from a deep feeling for people and a grave concern that without a proper understanding of the reasons for their inhumanity in relation to one another and the development of a compassionate world view it is likely that human beings may eventually destroy themselves and life on the planet This work is an attempt to explain the source of destructive behaviour and how it manifests itself in personal relationships between men women couples and families and in the social arena The author presents a position that offers a hope of altering the destiny of humankind s unethical behavior through better psychological understanding and education Understanding the source of a person s aggressiveness in defending the fantasy bond and learning to cope with the voice process have strong implications for child rearing and better mental health practices **Raising Sons and Loving It!** Gary Oliver,Carrie Oliver,2011-04-19 In these days of daunting headlines here s some really good news Your son was God s idea and you can help him weather the often rocky transition from boyhood to a manhood shaped by God s character and purposes Drawing from their extensive clinical and personal experience Gary and Carrie Oliver show you How boys really are different from girls Five keys to raising emotionally intelligent sons What your boys need from your marriage and from you How to help your sons cultivate a heart for God How to cultivate your sons ability to deal with failure loss and grief And much more Fatherhood and Family Policy Micheal. E. Lamb,Abraham Sagi,2014-02-25 First published in 1984 In the last two decades countries throughout the Western world have witnessed dramatic changes in social attitudes concerning sex roles The aim of this book is to review the evidence concerning a the factors that limit or constrain male involvement in child care b the ways in which some of these factors are being or might be changed and c the effects of traditional and increased paternal involvement on men women and children Metaphors of Identity Thomas K. Fitzgerald,1993-01-01 Placing identity within its cultural context Fitzgerald offers ethnographic case material to examine the meaning and changing metaphors of ethnicity male and female identity and aging and identity He opens up an exciting multidisciplinary dialogue for improving interpersonal and cross cultural communication The book provides a clear synthesis of the interrelated meanings of culture identity and communication examining self concept and its role in the communication process and exploring cultural and biological research on self individuality personality and mind body questions **Self-Help That Works** John C. Norcross,2013-04-11 Helps readers identify effective self help materials and distinguish them from those that are potentially misleading or even harmful It is designed for laypersons and mental health professionals and reviews books films online programs support groups and websites for 41 behavioral disorders and life challenges Engendering Psychology Florence Denmark,Vita Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 Engendering Psychology s treatment of issues is based solidly on scientific evidence

and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category The Minimal Self: Psychic Survival in Troubled Times

Christopher Lasch,1985-10-17 Even more valuable than its widely praised predecessor *The Culture of Narcissism* John W Aldridge Faced with an escalating arms race rising crime and terrorism environmental deterioration and long term economic decline people have retreated from commitments that presuppose a secure and orderly world In his latest book Christopher Lasch the renowned historian and social critic powerfully argues that self concern so characteristic of our time has become a search for psychic survival *Sacred Sexuality* Georg Feuerstein,2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores

contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs **Men in Therapy** Richard L. Meth,Robert S. Pasick,1991-10-18 Men have long been

considered difficult to engage in psychotherapy often being described as resistant unworkable and unfeeling The few available books that deal specifically with men s issues tend to lack a central theoretical focus are highly psychoanalytic in content or simply do not provide specific guidelines for working with men This unique and timely volume fills an important gap in the literature by demonstrating why change is often so difficult for them It provides detailed guidelines for helping men initiate and sustain change in their personal familial and professional lives *What Women Should Know about Men* Herb Goldberg,2003 What Every Woman Should Know About MenThis stimulating and provocative book by best selling author Herb Goldberg is about the power women potentially have in their relationships with men and the way to use that

power to bring out the best in men's relationship behaviors while creating for women the kind of love experience they grew up to believe was possible. The way women have traditionally been socialized to relate to men to men actually brings out many men's worst personal features. The end result is a woman who becomes increasingly bitter toward men who can't figure out what they are doing wrong. *What Every Woman Should Know About Men* explains woman's amazing power over men. It explains why men won't open up, how to handle your man's top 12 blind spots, what he won't say but wants you to know, and how to change him. Most importantly, this book explains why men need women more than women need men. One of the most valuable books ever written in terms of helping women understand men. Simple, easy to read and understand and full of priceless tips and suggestions. About The Author: Dr. Herb Goldberg is an internationally recognized relationship specialist and best-selling author of *The Hazards Of Being Male* and seven other widely selling books. His ground-breaking work on the failure of many traditional relationships has stimulated a great deal of work and discussion. He is a Professor Emeritus at Southern California State University and lives in Los Angeles.

Why Men Fall Out of Love Michael French, 2007. The groundbreaking book that breaks the silence of the male code. Why do men fall out of love? It's rarely a simple issue of attraction, sex, or money trouble. In this provocative, no-holds-barred guide, Michael French brings unparalleled insight into the male psyche and reveals why so many men feel trapped, unhappy, or unfulfilled and what women can do about it. Based on interviews with men from all ages and walks of life, this grippingly honest book illustrates why when it comes to relationships, so many men feel outgunned and outmatched by women. Discover the 4 relationship busters that lead couples to flounder and sink: the loss of intimacy, the quest for validation, the perfection impulse, the fading of attraction, and strategies for dealing with them. Head on. Six key reasons why men fall out of love: from issues of identity, power, and fear to stereotypes about who they really are and what they want. The truth about men and miscommunication and ways for them to open up. Three questions a woman needs to ask a man before she becomes emotionally involved. The Relationship Audit: how couples can figure out what is driving them apart and find ways to mend their relationship. By finally bringing men's true feelings to the surface, Michael French offers a dramatic new approach to understanding men and their hidden emotions. This guide illuminates the deeper reasons why men fall out of love and more important, shows how relationships can be healed. An impressive, insightful, and completely accessible view deep into the hearts of men and their struggle with love.
