translated by Arthur D. Greenspan

Prison Journal 1940 1945

A. Knapp

Prison Journal 1940 1945:

Prison Journal, 1940 Edouard Daladier, Jean Daladier, 2021-06-02 Even after fifty years and in spite of the reams of documents now available it remains difficult especially in France to form an objective view of what things were like in the period between the wars and in 1940 The greater the swifter the more unexpected the disaster the less people are willing to deal with it squarely Once a certain threshold of suffering shame and humiliation is reached actual facts become unimportant analyses become bothersome History falls prey to myth and rumor People refuse to hear any more but they still need someone to blame In France the strangest of bedfellows have come to speak about it in one voice and the good people have remained mu

The Fall of France 1940 Andrew Shennan, 2017-07-20 Offering a fresh critical perspective on this momentous event Andrew Shennan examines both the continuities and discontinuities that resulted from the events of 1940 The main focus is on the French experience of the war but this experience is framed within the larger context of France's and Europe's protracted mid twentieth century crisis

The Fall of France Julian Jackson, 2004-04-22 On 16 May 1940 an emergency meeting of the French High Command was called at the Quai d'Orsay in Paris The German army had broken through the French lines on the River Meuse at Sedan and elsewhere only five days after launching their attack Churchill who had been telephoned by Prime Minister Reynaud the previous evening to be told that the French were beaten rushed to Paris to meet the French leaders The mood in the meeting was one of panic and despair there was talk of evacuating Paris Churchill asked Gamelin the French Commander in Chief Where is the strategic reserve There is none replied Gamelin This exciting book by Julian Jackson a leading historian of twentieth century France charts the breathtakingly rapid events that led to the defeat and surrender of one of the greatest bastions of the Western Allies and thus to a dramatic new phase of the Second World War The search for scapegoats for the most humiliating military disaster in French history began almost at once were miscalculations by military leaders to blame or was this an indictment of an entire nation Using eyewitness accounts memoirs and diaries Julian Jackson recreates in gripping detail the intense atmosphere and dramatic events of these six weeks in 1940 unravelling the historical evidence to produce a fresh answer to the perennial question of whether the fall of France was inevitable

Mirrors of Destruction Omer Bartov, 2000 He then examines the pacifist reaction in interwar France to show how it contributed to a climate of collaboration with dictatorship and mass murder

The Last Battle Stephen Harding, 2025-05-01 The incredible story of the unlikeliest battle of World War II when a small group of American soldiers joined forces with German soldiers to fight off fanatical SS troops May 1945 Hitler is dead the Third Reich is little more than smoking rubble and no GI wants to be the last man killed in action against the Nazis The Last Battle tells the nearly unbelievable story of the unlikeliest battle of the war when a small group of American tankers led by Captain Lee joined forces with German soldiers to fight off fanatical SS troops seeking to capture Castle Itter and execute the stronghold's VIP prisoners It is a tale of unlikely allies startling bravery jittery suspense and desperate combat between implacable

enemies **The Extreme Right in Interwar France** Samuel Kalman, 2016-12-05 Historians of the French extreme right frequently denote the existence of a strong xenophobic and nationalist tradition dating from the 1880s a perpetual anti republicanism which pervaded twentieth century political discourse Much attention is habitually paid to the interwar era deemed the zenith of this success when the leagues attracted hundreds of thousands of members and enjoyed significant political acclaim Most works on the subject speak of the French right or French fascism presenting compendia of figures and organizations from the Dreyfus Affair in the 1890s through the notorious Vichy regime the authoritarian construct which emerged following the defeat to Nazi Germany in June 1940 However historians rarely discuss the programmatic elements of extreme right wing doctrine which demanded the eradication of parliamentary democracy and the transformation of the nation and state according to group principles Instead most detail the organization and membership of various organizations and often recount their quotidian activities as political actors within and in opposition to the Third Republic This book offers a new interpretation of the extreme right in interwar French politics focusing upon the largest and most influential such groups in 1920s and 1930s the Faisceau and the Croix de Feu It explores their designs for extensive political economic and social renewal a project that commanded significant attention from the leadership and rank and file of both organizations providing the overarching goal behind their aspiration to power The book examines five components of these efforts A renewal of politics and government the establishment of a new economic order a revaluation of gender and familial relations the role of youth in the new socio political construct and the politics of exclusion inherent in every facet of Faisceau and CDF doctrine In so doing it contributes to a historical understanding of the programmatic elements of the interwar extreme right while simultaneously situating its most prominent exponents within their broader historical context The Agony of France Andrew Sangster, 2016-06-22 The Agony of France is written in three parts in a thematic style to enable easy referencing both for the student of history and the general reader The first part deals with the Defeat of France in 1940 examining scholarship over the last seventy years in order to extrapolate the major factors The second part explores Vichy France the political Collaboration and the various shades of collaborationism from the criminal and dedicated to that of sheer survival This part looks at the problems of a modern Western democratic society suffering under a military occupation the role of the French Church during this period and the appalling circumstances surrounding anti Semitism The third part explores the nature of French resistance the role of de Gaulle and finishes with the postwar recriminations and trials Unlike many Anglo Saxon histories this book adopts a more sympathetic attitude towards the French plight and examines the nature of de Gaulle s myth building that France liberated itself The book demonstrates that historical mythology is part of every country s history when seeking its own redemption from the past It will be of use to the student of history as well as a wider readership interested in the circumstances surrounding Vichy rule in France The Uncertain Foundation A. Knapp, 2007-06-27 France s liberation was expected to trigger a decisive break both with the Vichy regime and with the pre war Third Republic What

happened was an untidy patchwork of unplanned continuities and false starts This volume analyses the complex process of regime change economic renewal social transformation and adjustment to a fast evolving world *Prisoners of War* Bob Moore, 2022-04-14 The Second World War between the European Axis powers and the Allies saw more than twenty million soldiers taken as prisoners of war While this total is inflated by the unconditional surrender of all German forces in Europe on 8 May 1945 it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform even more common than frontline service Despite this and the huge literature on so many aspects of the war prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post war era Prisoners of every nationality had their own narratives of military service and captivity While it is impossible to encompass their collective histories let alone the individual experiences of all twenty million prisoners in a single volume Bob Moore uses a series of case studies to highlight the key elements involved and to introduce analyse and refine some of the major debates that have arisen in the existing historiography The study is divided into three broad sections captivity in Eastern and Western Europe during the war itself comparative studies of specific categories of prisoners and the repatriation and reintegration of prisoners after the war

The Cambridge History of the Second World War: Volume 1, Fighting the War John Ferris, Evan Mawdsley, 2017-11-23 The military events of the Second World War have been the subject of historical debate from 1945 to the present It mattered greatly who won and fighting was the essential determinant of victory or defeat In Volume 1 of *The Cambridge History of the Second World War* a team of twenty five leading historians offer a comprehensive and authoritative new account of the war's military and strategic history Part I examines the military cultures and strategic objectives of the eight major powers involved Part II surveys the course of the war in its key theatres across the world and assesses why one side or the other prevailed there Part III considers in a comparative way key aspects of military activity including planning intelligence and organisation of troops and material as well as guerrilla fighting and treatment of prisoners of war

Encyclopedia of World War II Alan Axelrod, 2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century

World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in

English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

Numbered Days Alexandra Garbarini, 2006-01-01 Terrorist attacks regularly trigger the enactment of repressive laws setting in motion a vicious cycle that threatens to devastate civil liberties over the twenty first century In this clear sighted book Bruce Ackerman peers into the future and presents an intuitive practical alternative He proposes an emergency constitution that enables government to take extraordinary actions to prevent a second strike in the short run while prohibiting permanent measures that destroy our freedom over the longer run Ackerman s emergency constitution exposes the dangers lurking behind the popular notion that we are fighting a war on terror He criticizes court opinions that have adopted the war framework showing how they uncritically accept extreme presidential claims to sweeping powers Instead of expanding the authority of the commander in chief the courts should encourage new forms of checks and balances that allow for decisive but carefully controlled presidential action during emergencies In making his case Ackerman explores emergency provisions in constitutions ranging from France to South Africa retaining aspects that work and adapting others He shows that no country today is well equipped to both fend off terrorists and preserve fundamental liberties drawing particular attention to recent British reactions to terrorist attacks Written for thoughtful citizens throughout the world this book is democracy s constitutional reply to political excess in the sinister era of terrorism

Guide to Federal Records in the National Archives of the United States: Record groups 171-515 United States. National Archives and Records Administration, 1995

French Generals of the Great War Jonathan Krause, William Philpott, 2023-06-30 Who were the senior generals who took France through the First World War and why do we know so little about them They commanded the largest force on the Western Front through both humiliating defeats and forgotten victories they won international respect and adoration but also led their army to infamous mutiny Nevertheless the French and their allies under a French General in Chief would eventually achieve final victory over Imperial Germany It is extraordinary that this remarkable group of men has been so neglected in histories on the war Previous studies are outdated and haven t tapped the wealth of primary source material in France s military archives It is this gap in the literature and in the understanding of the conflict that this thought provoking and original volume is designed to address It takes a collective biographical approach to the leading French soldiers who ran the war on the Western Front

In Transit Ruth Schwertfeger, 2012-01-01 Contents The title of the book In Transit as a reference to the novel written by Anna Seghers functions on two levels On a narrative level it is a primary metaphor for the fate of all German Jews who fled from the Third Reich and found themselves in France doubly stigmatized as Germans the despised boches and as juifs On another level In Transit offers perspectives on the Occupation of France and the Vichy regime the so called Dark Years that have not been part of the Vichy debate So how did German Jews who fled from Nazi Germany to France narrate and document their experiences This book tells their stories and in a sense brings them back home to Germany where they always wanted to

belong It is high time to bring these narratives out of exile and place them firmly on the ground of the Vichy regime The Author Ruth Schwertfeger is Professor of German at the University of Wisconsin Milwaukee Her dissertation at Oxford on the German Expressionist Georg Kaiser led to her engagement with exile studies and with the Holocaust Schwertfeger is the author of *Women of Theresienstadt* and *Else Lasker-Schöler* both published by Berg Publishers Oxford and *The Wee Wild One* Stories of Belfast and Beyond published by the University of Wisconsin Press *Federal Probation*, 1965 [Ruling Oneself Out](#) Ivan Ermakoff, 2008-04-21 *Ruling Oneself Out* develops a sociological theory to account for collective abdications of power such as those of the German Reichstag in 1933 and the French parliament in 1940 *Maxime Weygand* Barnett Singer, 2008-06-02 During the armistice proceedings and at the Peace Conference after World War I French General Maxime Weygand served as chief aid to Marshal Foch Called out of retirement in the late 1930s Weygand again served his country during World War II becoming commander in chief of the French Army His call for enhanced French unity military preparedness and adaptation to a new kind of war dominated by tank mobility might have saved France the humiliating defeat in 1940 at the hand of the Nazis had it been heeded Weygand's recognition of the Nazi threat earned him the respect of Winston Churchill and Franklin Roosevelt Weygand's Vichy Resistance led to his imprisonment from late 1942 through the end of the war French archival sources available oral testimony and Weygand's private papers contribute to a fascinating biography of one of World War II's unsung heroes **FDR's Ambassadors and the Diplomacy of Crisis** David Mayers, 2013 What effect did personality and circumstance have on US foreign policy during World War II This incisive account of US envoys residing in the major belligerent countries Japan Germany Italy China France Great Britain USSR highlights the fascinating role played by such diplomats as Joseph Grew William Dodd William Bullitt Joseph Kennedy and W Averell Harriman Between Hitler's 1933 ascent to power and the 1945 bombing of Nagasaki US ambassadors sculpted formal policy occasionally deliberately other times inadvertently giving shape and meaning not always intended by Franklin D Roosevelt or predicted by his principal advisors From appeasement to the Holocaust and the onset of the Cold War David Mayers examines the complicated interaction between policy as conceived in Washington and implementation on the ground in Europe and Asia By so doing he also sheds needed light on the fragility ambiguities and enduring urgency of diplomacy and its crucial function in international politics

Prison Journal 1940 1945 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prison Journal 1940 1945 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prison Journal 1940 1945 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Prison Journal 1940 1945 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prison Journal 1940 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prison Journal 1940 1945 is one of the best book in our library for free trial. We provide copy of Prison Journal 1940 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prison Journal 1940 1945. Where to download Prison Journal 1940 1945 online for free? Are you looking for Prison Journal 1940 1945 PDF? This is definitely going to save you time and cash in something you should think about.
