Caldwell,2011-09-01 Forbidden relationships are the most tempting And the most dangerous It was a crime of passion or so the police say Valerie Solara has been charged with poisoning her best friend The prosecution claims she s always been secretly attracted to Amanda s husband and with Amanda gone she planned to make her move Attorney Izzy McNeil left the legal world a year ago but a friend s request pulls her into the murder trial Izzy knows how passion can turn your life upside down She thought she had it once with her ex fianc Sam Now she wonders if that s all she has in common with her criminally gorgeous younger boyfriend Theo It s Izzy s job to present the facts that will exonerate her client whether or not she s innocent But when she suspects Valerie is hiding something she begins investigating and uncovers a web of secret passions and dark motives where seemingly innocent relationships can prove poisonous **Dictionary of the Ben cao gang mu,**

Andrei Bely,2009-07-05 When one great author engages another as Andrei Bely so brilliantly does in Gogol s Artistry the result is inevitably a telling portrait of both writers So it is in Gogol s Artistry Translated into English for the first time this idiosyncratic exhaustive critical study is as interesting for what it tells us about Bely s thought and method as it is for its insights into the oeuvre of his literary predecessor Bely s argument in this book is that Gogol s earlier writing should be given more consideration than most critics have granted Employing what might be called a scientific perspective Bely considers how often certain colors appear he diagrams sentences and discusses Gogol s prose in terms of mathematical equations The result as strange and engaging as Bely s best fiction is also an innovative thorough and remarkably revealing work of criticism Transactions of the Royal Society of South Australia ,1882 **Transactions and Proceedings and**

period Focusing anecdotally on West Africa but with a comparative awareness of comparable practices throughout the continent Parker highlights how Africans developed the world's most vibrant and recognizable cultures of death
