Hackett,2009-03-01 Stuart Hackett s *The Rediscovery of the Highest Good* originally handwritten in spiral notebooks is a masterwork of philosophical ethics that guides readers through 2300 years of discourse on the issue of morality from Plato through Kierkegaard and Nietzsche It is the destiny of every human person to decide Hackett opens Whether our choices are genuinely free or inevitably determined invariably trivial or occasionally momentous carelessly settled or reflectively reasoned at least in one sense all this makes no difference for the one thing about which persons have no choice is that we unavoidably and necessarily must choose and cannot therefore escape our responsibility to do so From this matter of fact beginning Hackett builds a coherent case for a modified teleological position while providing fleeting personal glimpses into his lifelong

romance with philosophical contemplation From the opening page all the arguments are set down in a steady line of development aimed unerringly toward a preconceived goal At various points Hackett s summations produce a cerebral satisfaction that could almost be described as aesthetic a kind of sheer intellectual pleasure akin to beauty Recovery of the Highest Good is the culmination of forty years of reflection from a theistic perspective and is likely to be an invaluable handbook for inquirers in future generations *Rediscover Your Unique Timeless Value* Audie Casiguran,2017-09-28

Rediscover Your Unique Timeless Value talks about the keys timeless principles built in through the message of our King Eshua Jesus a long time ago about his government country the kingdom of heaven Rediscovering his timeless message means we need to go back again from time and study and learn from his timeless teaching and realign ourselves through the value of his message In this book are the nine reasons why right values specifically kingdom values gives us purpose and meaning in our existential life Reason no 1right values drive right behavior Reason no 2right values give right destination Reason no 3right values correct priorities and organize Reason no 4right values inspire dedication Reason no 5right values interpret vision Reason no 6right values support acceptance Reason no 7right values enable continuous learning Reason no 8right values purge old habits to unlearn Reason no 9right values empower us to engage Also here you will find out the purpose priority and the power of kingdom values which empower you yourself values and concepts and influence your idea of who you are and what you can do to the world and for the better of humanity This book helps you find your own unique timeless value which will determine your significance and meaning of your life This book is also constituted of my personal autobiography stories and the corresponding keys of the kingdom of God that I personally understand **Stars, Myths and Rituals in Etruscan Rome** Leonardo Magini,2014-12-04 This book offers a detailed and fascinating picture of the astonishing astronomical knowledge on which the Roman calendar traditionally attributed to the king Numa Pompilius reign 715 673 B C was based This knowledge of Mesopotamian origins related mainly to the planetary movements and to the occurrence of eclipses in the solar system The author explains the Numan year and cycle and illustrates clearly how astronomical phenomena exerted a powerful influence over both public and private life A series of concise chapters examine the dates of the Roman festivals describe the related rites and myths and place the festivals in relation to the planetary movements and astronomical events Special reference is made to the movements of the moon and Venus their relation to the language of myth and the particular significance that Venus was considered to have for female fertility The book clearly demonstrates the depth of astronomical knowledge reflected in the Roman religious calendar and the designated festive days It will appeal both to learned connoisseurs and to amateurs with a particular interest in the subject **Wheel Motion History** Aisha Khan,AI,2025-02-27 Wheel Motion History explores the captivating story of the wheel tracing its evolution from ancient pottery tools to the complex transportation systems of today This exploration reveals how a seemingly simple invention has profoundly shaped societal development and technological advancement Intriguingly the wheel s early

iterations weren't initially for transportation its first known uses were in pottery making The book highlights the wheel's transformative power demonstrating how it spurred economic growth facilitated cultural exchange and enabled unprecedented mobility The book adopts a historical perspective progressing chronologically to trace the wheel's development It examines the wheel's impact across diverse civilizations from its adoption in early Mesopotamian societies to its pivotal role in the Roman Empire's infrastructure and the Industrial Revolution Wheel Motion History presents extensive research and engineering analyses to support its arguments showcasing the wheel's enduring relevance in contemporary transportation manufacturing and various key industries **Science Books & Films**, 1981 *Re-discovering Age(ing)* Núria Casado-Gual, Emma Domínguez Rué, Maricel Oró-Piqueras, 2019-06-13 Since Mentor Telemachus advisor in Homer's Odyssey gave name to the figure of the wise teacher fictional representations of mentoring have permeated classic and contemporary cultural texts of different literary genres such as fiction poetry and life writing The contributions of this volume explore wisdom in old age through a series of narratives of mentorship which either from a critical or a personal perspective undermine ageist views of later life **Something about the Author** Kevin S. Hile, 1994 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs **Creation Rediscovered** Jeffery M. Leonard, 2021-10-05 Creation Rediscovered by Jeffery M Leonard guides readers through a contextual reading of the Bible's creation stories Over the last two centuries few subjects have generated as much controversy for Christians as has creation The whethers whens and hows of creation have often become a battlefield in which the pitched forces of competing sides Darwinists and creationists young earthers and old figurativists and literalists have struggled for the upper hand Like most battles this fight has tended to inflict a fair amount of collateral damage along the way This is especially true for those put in the terrible position of feeling they have had to choose between the Bible they have fallen in love with and the science they have studied In this book Jeffery Leonard writes to fellow travelers in the faith who want to take the biblical text seriously while at the same time appreciate science's exploration of what we consider to be God's creation It is his contention that setting the Bible's creation texts back within their ancient context allows us to do both of these things Indeed Leonard believes that when we reread what the Bible has to say about creation in its original setting we find meaning in the text far more profound than what we have previously imagined Key points and features Written by a Bible scholar Unique timely and fresh interpretation Helps readers see the Bible's creation stories as vessels of healing and hope in God's larger plan for humanity Attempts to redirect Christians to read the ancient creation stories within the context in which they were written
