Rediscovering Vardis Fisher Centennial Essays:

Rediscovering Vardis Fisher Joseph M. Flora, 2000 Distributed by the University of Nebraska Press for the University of Idaho Press Twelve evocative essays contributing to the research about writer intellectual Vardis Fisher and his missing place in American literature The essayists pay close critical attention to Fisher s treatment of characters landscape feminist issues historical events music religion and race Vardis Fisher Michael Austin, 2021-11-30 Raised by devout Mormon parents Vardis Fisher drifted from the faith after college Yet throughout his long career his writing consistently reflected Mormon thought Beginning in the early 1930s the public turned to Fisher s novels like *Children of God* to understand the increasingly visible Church of Jesus Christ of Latter day Saints His striking works vaulted him into the same literary tier as William Faulkner while his commercial success opened the New York publishing world to many of the founding figures in the Mormon literary canon Michael Austin looks at Fisher as the first prominent American author to write sympathetically about the Church and examines his work against the backdrop of Mormon intellectual history Engrossing and enlightening Vardis Fisher illuminates the acclaimed author s impact on Mormon culture American letters and the literary tradition of the American West *By His Own Hand?* John D. W. Guice, James J. Holmberg, Jay H. Buckley, 2014-10-30 For two centuries the question has persisted Was Meriwether Lewis s death a suicide an accident or a homicide *By His Own Hand* is the first book to carefully analyze the evidence and consider the murder versus suicide debate within its full historical context The historian contributors to this volume follow the format of a postmortem court trial dissecting the case from different perspectives A documents section permits readers to examine the key written evidence for themselves and reach their own conclusions The Hemingway Review , 2003 **Global West, American Frontier** David M. Wrobel, 2013-10-15 This thoughtful examination of a century of travel writing about the American West overturns a variety of popular and academic stereotypes Looking at both European and American travelers accounts of the West from de Tocqueville s *Democracy in America* to William Least Heat Moon s *Blue Highways* David Wrobel offers a counter narrative to the nation s romantic entanglement with its western past and suggests the importance of some long overlooked authors lively and perceptive witnesses to our history who deserve new attention Prior to the professionalization of academic disciplines the reading public gained much of its knowledge about the world from travel writing Travel writers found a wide and respectful audience for their reports on history geography and the natural world in addition to reporting on aboriginal cultures before the advent of anthropology as a discipline Although in recent decades western historians have paid little attention to travel writing Wrobel demonstrates that this genre in fact offers an important and rich understanding of the American West one that extends and complicates a simple reading of the West that promotes the notions of Manifest Destiny or American exceptionalism Wrobel finds counterpoints to the mythic West of the nineteenth century in such varied accounts as George Catlin s *Adventures of the Ojibbeway and Ioway Indians* in England France and Belgium 1852 Richard Francis Burton s *The City of the Saints* 1861

and Mark Twain's *Following the Equator* 1897 reminders of the messy and contradictory world that people navigated in the past much as they do in the present His book is a testament to the instructive ways in which the best travel writers have represented the West

International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The *International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

On Sacred Ground Nicholas O'Connell, 2011-10-01 *On Sacred Ground* explores the literature of the Northwest the area that extends from the Pacific Ocean to the Rocky Mountains and from the forty ninth parallel to the Siskiyou Mountains The Northwest exhibits astonishing geographical diversity and yet the entire bioregion shares a similarity of climate flora and fauna For Nicholas O'Connell the effects of nature on everyday Northwest life carry over to the region's literature Although Northwest writers address a number of subjects the relationship between people and place proves the dominant one and that has been true since the first tribes settled the region and began telling stories about it thousands of years ago Indeed it is the common thread linking Chief Seattle to Theodore Roethke Narciissa Whitman to Ursula K Le Guin Joaquin Miller to Ivan Doig Marilynne Robinson to Jack London Betty MacDonald to Gary Snyder Tracing the history of Pacific Northwest literary works from Native American myths to the accounts of explorers and settlers the effusions of the romantics the sharply etched stories of the realists the mystic visions of Northwest poets and the contemporary explosion of Northwest poetry and prose O'Connell shows how the most important contribution of Northwest writers to American literature is their articulation of a more spiritual human relationship with landscape Pacific Northwest writers and storytellers see the Northwest not just as a source of material wealth but as a spiritual homeland a place to lead a rich and fulfilling life within the whole context of creation And just as the relationship between people and place serves as the unifying feature of Northwest literature so also does literature itself possess a perhaps unique ability to transform a landscape into a sacred place

Look Abroad, Angel Jedidiah Evans, 2020-02 Born in Asheville North Carolina Thomas Wolfe 1900 1938 was one of the most influential southern writers widely considered to rival his contemporary William Faulkner who believed Wolfe to be one of the greatest talents of their generation His novels including *Look Homeward Angel* 1929 *Of Time and the River* 1935 and the posthumously published *The Web and the Rock* 1939 and *You Can't Go Home Again* 1940 remain touchstones of U S literature In *Look Abroad Angel* Jedidiah Evans uncovers the global

Wolfe reconfiguring Wolfe's supposedly intractable homesickness for the American South as a form of longing that is instead indeterminate and expansive. Instead of promoting and reinforcing a narrow and cloistered formulation of the writer as merely southern or Appalachian, Evans places Wolfe in transnational contexts examining Wolfe's impact and influence throughout Europe. In doing so, he de-territorializes the response to Wolfe's work, revealing the writer as a fundamentally global presence within American literature.

Rediscovering Vardis Fisher Centennial Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rediscovering Vardis Fisher Centennial Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rediscovering Vardis Fisher Centennial Essays has opened up a world of possibilities. Downloading Rediscovering Vardis Fisher Centennial Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rediscovering Vardis Fisher Centennial Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rediscovering Vardis Fisher Centennial Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rediscovering Vardis Fisher Centennial Essays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rediscovering Vardis Fisher Centennial Essays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Rediscovering Vardis Fisher Centennial Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
