Religion And Social Organization In Central Polynesia:

Religion and Social Organization in Central Polynesia Robert W. Williamson, 2013-11-14 Originally published in 1937 this presents a detailed account of religious and mythical structures in Central Polynesia Religion and Social Organization in Central Polynesia, by Robert W. Williamson,... Edited by Ralph Piddington,... with a Preface by Raymond Firth,... Robert Wood Williamson, Raymond Firth, 1937 Religion in Chinese Society C. K. Yang, 1970 **Sociology of Religion** Joachim Wach, 2019-03-20 This book first published in 1947 presents the then new subject of sociology of religion in systematic and historical theology and in the science of religion in political theory and the social sciences in philosophy and psychology in philology and anthropology Its intention is to bridge the gulf between the study of religion and the social sciences an exercise that draws strongly upon cultural anthropology Routledge Library Editions: Sociology of Religion Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class **The Study of Society (RLE Social Theory)** F.C. Bartlett, 2014-08-21 There is today widespread recognition of the fact that the future of human civilization depends to a high degree upon Man's capacity to understand the forces and factors which control his own behaviour Such understanding must be achieved not only as regards individual conduct but equally as regards the mass phenomena resulting from group contacts which are becoming increasingly intimate and influential Until this present volume nowhere have the three sciences of sociology psychology and social anthropology been properly mobilized to deal with the social problems which yearly grow more pressing The essays in this book aim to address this **Church and State in Tonga** Sione Latukefu, 2014-06-01 First published in 1974 Church and State in Tonga is a classic study of the formative period of modern Tongan history The years covered are from the re-establishment of the Wesleyan Methodist mission in the 1820s until the promulgation of the Tongan constitution in 1875 The missionaries assumed the role of political advisors but by the 1850s the missionary monopoly was undermined and what author Sione Latukefu calls a marriage of convenience and an alliance began The king became selective in the advice he accepted and took his own initiatives Much of the book deals with the development of kingship and the emergence of written codes of law and the constitution The book is dedicated to Queen Salote Tupou III who passed the traditions of the royal family to Latukefu determined to impart her wealth of knowledge of the Tongan traditional past Church and State in Tonga was the first substantial study by a Tongan of the history of the Tongan monarchy and government a rich documentary study reinforced by knowledge of local language customs and traditions **Resources for the Teaching of Anthropology** David Goodman Mandelbaum, Gabriel Ward Lasker, Ethel M. Albert, 1963 *Reading in Kinship in Urban Society* C. C. Harris, 2013-10-22 Reading in Kinship in Urban Society is a collection of articles that deal with family and kinship in urban settlements It provides comparative ethnographic data and introduces studies and approaches found outside British social

inquiry Organized into four parts this book first introduces kinship systems and the recognition of relationships in various communities It then identifies the functions of kinship systems and pays particular attention to inheritance of property After discussing patterns of mate selection and marital relationships it turns to the effects of urbanization on family life This book ends with a discussion about the family life of elderly people Anthropologists and sociologists studying the relation of kinship to societies will find this book invaluable

Readings in Kinship in Urban Society C. C. Harris,2013-10-22 Readings in Kinship in Urban Society is a collection of articles on a specialized aspect of Sociology and Social Psychology mainly focusing on the web of social relationships in urban setting This book is divided into five major parts discussing different areas of kinship in urban society The first part examines kinship systems and the recognition of relationships wherein certain formal characteristics of the cognatic kinship system of a rural community in Greece are featured This book then explains the functions of kinship Mate selection as well as urbanization and the family is also tackled This text concludes by explaining a study of the family life of old people This publication will be invaluable to anthropologists sociologists human ecologists and other experts interested in studying kinship systems Anthropology sociology and human ecology students will also find this book interesting and helpful

The South Seas in the Modern World Felix M. Keesing,2025-05-01 The South Seas in the Modern World 1942 surveys the economic social educational and strategic problems facing the islands of the Pacific dependencies on the eve of the Second World War The ways of living that met the needs of the islanders had been disrupted by the arrival of white traders and missionaries carrying with them new diseases causing economic distress and social chaos As Island societies began to stabilise global war waged by distant colonial powers caused repercussions across the region

The Religions of Oceania Garry Trompf,2005-08-18 More than a quarter of the world s religions are to be found in the regions of Australia Melanesia Micronesia and Polynesia together called Oceania The

Religions of Oceania is the first book to bring together up to date information on the great and changing variety of traditional religions in the Pacific zone The book also deals with indigenous Christianity and its wide influence across the region and includes new religious movements generated by the responses of indigenous peoples to colonists and missionaries the best known of these being the Cargo Cults of Melanesia The authors present a thorough and accessible examination of the fascinating diversity of religious practices in the area analysing new religious developments and providing clear interpretative tools and a mine of information to help the student better understand the world's most complex ethnologic tapestry

Handbook of Polynesian Mythology Robert D. Craig, 2004-10-25 An accessible concise reference source on Polynesia's complex mythology product of a culture little known outside its home Encounters with the West introduced Polynesian mythology to the world and sealed its fate as a casualty of colonialism But for centuries before the Europeans came that mythology was as vast as the triangle of ocean in which it flourished as diverse as the people it served and as complex as the mythologies of Greece and Rome Students researchers and enthusiasts can follow vivid retellings of stories of creation death and great voyages tracking variations from island to island They can use the book's reference section for information on major deities heroes elves fairies and recurring themes as well as the mythic implications of everything from dogs and volcanoes to the hula Easter Island and tattooing invented in the South Pacific and popularized by returning sailors

Wrapping and Unwrapping Material Culture Susanna Harris, Laurence Douny, 2016-06-16 This innovative volume challenges contemporary views on material culture by exploring the relationship between wrapping materials and practices and the objects bodies and places that define them Using examples as diverse as baby swaddling Egyptian mummies Celtic tombs lace underwear textile clothing and contemporary African silk the dozen archaeologist and anthropologist contributors show how acts of wrapping and unwrapping are embedded in beliefs and thoughts of a particular time and place Employing methods of artifact analysis microscopy and participant observation the contributors provide a new lens on material culture and its relationship to cultural meaning

Environment and Belief Systems G. N. Devy, Geoffrey V. Davis, 2020-06-07 Part of the series Key Concepts in Indigenous Studies this book focuses on the concepts that recur in any discussion of nature culture and society among the indigenous The book the first in a five volume series deals with the two crucial concepts of environment and belief systems of indigenous peoples from all the continents of the world With contributions from renowned scholars activists and experts from around the globe it presents a salient picture of the environments of indigenous peoples and discusses the essential features of their belief systems It explores indigenous perspectives related to religion ritual and cultural practice art and design and natural resources as well as climate change impacts among such communities in Latin and North America Oceania Australia New Zealand and the South Pacific Islands India Brazil Southeast Asia and Africa Bringing together academic insights and experiences from the ground this unique book's wide coverage will serve as a comprehensive guide for students teachers and scholars of indigenous studies It will be essential reading for those in

anthropology social anthropology sociology and social exclusion studies religion and theology and cultural studies as well as activists working with indigenous communities *The Evolution of the Polynesian Chieftdoms* Patrick Vinton Kirch, 1989-07-13 A first study from an archaeological perspective of the elaborate systems of Polynesian chiefdoms presents an original account of the processes of cultural change and evolution over three millennia
