

Rembrandt As An Etcher

Arthur Mayger Hind

A decorative red circular graphic element, resembling a stylized sun or a lens flare, is positioned to the right of the author's name. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

Rembrandt As An Etcher:

Rembrandt as an Etcher: Text Christopher White, 1969 **Rembrandt as an Etcher** Christopher White, 1999 To study Rembrandt's etchings one must do more than read dates and signatures classify subject matter and enumerate states one has to consider the whole man and his unique talent in the context of his life and milieu This book surveys Rembrandt's prints both individually and J150505generally Though an overall pattern in his work can be discovered Rembrandt was essentially an artist of variety and each print at least in his maturity represented a unique experience Rembrandt was one of the first artists to experiment with the media of etching and drypoint submitting his plates to numerous reworkings drawing on impressions varying the inking of his plates and the papers on which he printed Detailed study reveals that in many cases the changes and variations he introduced provide a unique opportunity not afforded by the paintings and drawings of observing the artist at work Enthusiasm for Rembrandt's prints has not been confined to scholars Even during the artist's lifetime and ever since there has hardly been a time when his prints were not sought after collected and cherished somewhere There are numerous catalogues raisonnées as well as catalogues of individual collections and exhibitions but little has been written that sets Rembrandt's prints in the context of his whole life and work This book first published thirty years ago fills that gap surveying Rembrandt's prints thematically and in comparison to his paintings and drawings The new edition which has been considerably revised and expanded to take account of recent research is particularly informative about working methods and the techniques of printmaking *Rembrandt as an Etcher: Plates* Christopher White, 1969

Rembrandt Jaco Rutgers, Timothy J. Standring, 2018-10-23 A compelling reconsideration of Rembrandt's printed oeuvre based on new research into the artist's life and work As a pioneering printmaker Rembrandt van Rijn 1606-1669 stood apart from his contemporaries thanks to his innovative approach to composition and his skillful rendering of space and light He worked with the medium as a vehicle for artistic expression and experimentation causing many to proclaim him the greatest etcher of all time Moreover the dissemination of the artist's prints outside of the Dutch Republic during his lifetime contributed greatly to establishing Rembrandt's reputation throughout Europe Sumptuously illustrated with comparative paintings and drawings as well as prints this important volume draws on exciting new scholarship on Rembrandt's etchings Authors Jaco Rutgers and Timothy J. Standring examine the artist's prints from many angles They reveal how Rembrandt intentionally varied the states of his etchings printed them on exotic papers and retouched prints by hand to create rarities for a clientele that valued unique impressions *The etchings of Rembrandt* Hamerton Philip Gilbert, 1894 *Rembrandt, With a Complete List of His Etchings* Arthur Mayger Hind, 2023-10-04 Arthur Mayger Hind's book *Rembrandt With a Complete List of His Etchings* is a comprehensive study of the renowned Dutch artist's etchings The book provides detailed analysis of Rembrandt's iconic etchings exploring the themes techniques and impact of his work Hind's scholarly approach offers readers a deep insight into Rembrandt's artistic process making this book a valuable resource for art historians and

enthusiasts alike The writing style is concise and informative with Hind s expertise shining through in the meticulous research and attention to detail The book is a must read for anyone interested in the life and work of one of the greatest artists of all time Arthur Mayger Hind s passion for Rembrandt s etchings is evident in every page making Rembrandt With a Complete List of His Etchings a definitive guide to the artist s masterpieces **Rembrandt's Etchings: The text** Arthur Mayger Hind,1912 **Rembrandt as an etcher** Christopher White,1969 *The Complete Etchings of Rembrandt* Rembrandt Harmenszoon van Rijn,Gary Schwartz,1994-01-01 Unabridged slightly corrected republication of the verbal text of the work originally published in 1977 by Oresko Books Ltd London and Gary Schwartz Maarssen as Rembrandt all the etchings reproduced in true size T p verso **Rembrandt as an Etcher** Erik Hinterding,2006
