

"The most powerful and disturbing true crime narrative to appear since
Truman Capote's *In Cold Blood*." — *Time*

REMEMBERING SATAN

A tragic case of recovered memory

LAWRENCE WRIGHT

Remembering Satan

Lawrence Wright

Remembering Satan:

Remembering Satan Lawrence Wright, 2011-04-27 From the Pulitzer Prize winning author of *The Looming Tower* comes the most powerful and disturbing true crime narrative to appear since Truman Capote's *In Cold Blood* TIME a case that destroyed a family engulfed a small town and captivated an America obsessed by rumors of a satanic underground In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father Paul Ingram who was a respected deputy sheriff in Olympia Washington At first the accusations were confined to molestations in their childhood but they grew to include torture and rape as recently as the month before At a time when reported incidents of recovered memories had become widespread these accusations were not unusual What captured national attention in this case is that under questioning Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff's department As *Remembering Satan* follows the increasingly bizarre accusations and confessions the claims and counterclaims of police FBI investigators and mental health professionals it gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears

Remembering Satan Lawrence Wright, 1995-04-25 From the Pulitzer Prize winning author of *The Looming Tower* comes the most powerful and disturbing true crime narrative to appear since Truman Capote's *In Cold Blood* TIME a case that destroyed a family engulfed a small town and captivated an America obsessed by rumors of a satanic underground In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father Paul Ingram who was a respected deputy sheriff in Olympia Washington At first the accusations were confined to molestations in their childhood but they grew to include torture and rape as recently as the month before At a time when reported incidents of recovered memories had become widespread these accusations were not unusual What captured national attention in this case is that under questioning Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff's department As *Remembering Satan* follows the increasingly bizarre accusations and confessions the claims and counterclaims of police FBI investigators and mental health professionals it gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears

Remembering Edward S. Casey, 2009-09-15 *Remembering A Phenomenological Study Second Edition* Edward S Casey A pioneering investigation of the multiple ways of remembering and the difference that memory makes in our daily lives A Choice Outstanding Academic Book An excellent book that provides an in depth phenomenological and philosophical study of memory Choice a stunning revelation of the pervasiveness of memory in our lives Contemporary Psychology *Remembering* presents a study of remembering that is fondly attentive to its rich diversity its intricacy of structure and detail and its wide ranging efficacy in our everyday life world experience genuinely pioneering it ranges far beyond what established traditions in philosophy and psychology have generally taken the functions and especially the limits

of memory to be The Humanistic Psychologist Edward S Casey provides a thorough description of the varieties of human memory including recognizing and reminding reminiscing and commemorating body memory and place memory The preface to the new edition extends the scope of the original text to include issues of collective memory forgetting and traumatic memory and aligns this book with Casey s newest work on place and space This ambitious study demonstrates that nothing in our lives is unaffected by remembering Studies in Continental Thought John Sallis general editor Contents Preface to the Second Edition Introduction Remembering Forgotten The Amnesia of Anamnesis Part One Keeping Memory in Mind First Forays Eidetic Features Remembering as Intentional Act Phase Remembering as Intentional Object Phase Part Two Mnemonic Modes Prologue Reminding Reminiscing Recognizing Coda Part Three Pursuing Memory beyond Mind Prologue Body Memory Place Memory Commemoration Coda Part Four Remembering Re membered The Thick Autonomy of Memory Freedom in Remembering Satanic Ritual Abuse Colin A. Ross,1995-01-01 Although Dr Ross has found no evidence of a widespread Satanic network he is open to the possibility that a certain percentage of his patients memories may be entirely or partially historically accurate In treatment he recommends that the therapist adopt an attitude hovering between disbelief and credulous entrapment Lure of the Sinister Gareth Medway,2001-04 A frequent writer on comparative religion and the history of occultism Medway begins by exploring what a Satanist is and why people worship Satan then looks at such topics as the history of Satan and the Pact Satanic crime hell on earth sex slaves of Lucifer and the relationship between paranoia and conspiracy He explains that as a Pagan he does not believe in Satan but neither does he believe in Christianity but knows Christians are real Annotation copyrighted by Book News Inc Portland OR Remembering Satan Lawrence Wright,1994 Remembering Satan seems likely to be considered the most powerful and disturbing true crime narrative to appear since Truman Capote s In Cold Blood But what was the crime Certainly it was not satanic abuse says Wright although a man sits in jail for confessing to just that A few year ago in Olympia Washington two sisters 18 and 20 began to talk separately about gross sexual abuse each said she had experienced as a child and had only recently begun to remember Charges were filed against the girls father Paul Ingram who seemed dazed and confused but who denied them Time This is a cautionary tale of immense value told with rare intelligence restraint and compassion Remembering Satan catapults Wright to the front rank of American journalists Newsweek The story itself is almost unutterably weird and would be fascinating no matter how it was told but in the thoroughness of his reporting and in his thoughtful treatment of the many issues the story touches Wright has painted a perfect miniature of our time an edge of your seat tale that builds right up to the climactic trial The Boston Globe Wright has taken a sensationalist story the sort of story embraced by supermarket tabloids and turned it into a thoughtful and gripping book New York Times **The House of Government** Yuri Slezkine,2017-08-07 On the 100th anniversary of the Russian Revolution the epic story of an enormous apartment building where Communist true believers lived before their destruction The House of Government is unlike any other book about the Russian Revolution and the Soviet

experiment Written in the tradition of Tolstoy's War and Peace Grossman's Life and Fate and Solzhenitsyn's The Gulag Archipelago Yuri Slezkine's gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin's purges A vivid account of the personal and public lives of Bolshevik true believers the book begins with their conversion to Communism and ends with their children's loss of faith and the fall of the Soviet Union Completed in 1931 the House of Government later known as the House on the Embankment was located across the Moscow River from the Kremlin The largest residential building in Europe it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range Slezkine tells the chilling story of how the building's residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led one by one to prison or their deaths Drawing on letters diaries and interviews and featuring hundreds of rare photographs The House of Government weaves together biography literary criticism architectural history and fascinating new theories of revolutions millennial prophecies and reigns of terror The result is an unforgettable human saga of a building that like the Soviet Union itself became a haunted house forever disturbed by the ghosts of the disappeared

Law and the Unconscious Anne C. Dailey, 2017-01-01 How do we bring the law into line with people's psychological experience How can psychoanalysis help us understand irrational actions and bad choices Our legal system relies on the idea that people act reasonably and of their own free will yet some still commit crimes with a high likelihood of being caught sign obviously one sided contracts or violate their own moral codes behavior many would call fundamentally irrational Anne Dailey shows that a psychoanalytic perspective grounded in solid clinical work can bring the law into line with the reality of psychological experience Approaching contemporary legal debates with fresh insights this original and powerful critique sheds new light on issues of overriding social importance including false confessions sexual consent threats of violence and criminal responsibility By challenging basic legal assumptions with a nuanced and humane perspective Dailey shows how psychoanalysis can further our legal system's highest ideals of individual fairness and systemic justice

Satan's Silence Debbie Nathan, Michael Snedeker, 2001 Communities throughout the United States were convulsed in the 1980s and early 1990s by accusations often without a shred of serious evidence that respectable men and women in their midst many of them trusted preschool teachers secretly gathered in far reaching conspiracies to rape and terrorize children In this powerful book Debbie Nathan and Mike Snedeker examine the forces fueling this blind panic

The ^Aage of Evangelicalism Steven P. Miller, 2014-04-10 Steven P Miller explores the place and meaning of evangelical Christianity in the United States between 1970 and 2008
