Reminiscences Of Peace War:

Reminiscences of Peace and War Mrs. Roger A. Pryor, 2015-06-24 Excerpt from *Reminiscences of Peace and War* It will be obvious to the reader that this book affects neither the dignity of history nor the authority of political instruction The causes which precipitated the conflict between the sections and the momentous events which attended the struggle have been recounted by writers competent to the task But descriptions of battles and civil convulsions do not exhibit the full condition of the South in the crisis To complete the picture social characteristics and incidents of private life are indispensable lineaments It occurs to the author that a plain and unambitious narrative of her recollections of Washington society during the calm which preceded the storm and of Virginia under the afflictions and sorrows of the fratricidal strife will not be without interest in the retrospect of that memorable era The present volume recalls that era in the aspect in which it appeared to a woman rather than as it appeared to a statesman or a philosopher About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
