The Coming Catastrophe Paul A. Lynch, 2019-03-19 Jesus spoke of the Tribulation and Great Tribulation of those days The question may be asked Which days Are we living in the final hours years months and seconds of earth s history Is this the end for the late great planet Earth What is the sign of Jesus coming and the end of the age With countless catastrophes that have plagued this old earth have we finally felt them all or will there be catastrophes that are yet to be seen Is the Antichrist just a figment of our imagination or will there be a global world leader who will not acknowledge anyone including God If you want to know what time we are living in prophetically then read this book If you don t care about such things then don t read this book Whether we want to believe it or not this is the beginning of the end of the age This is the beginning of the tragedy for many This in truth is the Coming Catastrophe The Beginning of Sorrows

The Coming of God Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it

talks about beginning afresh in the deadly end Yet Moltmann's novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann's comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

Coming Soon Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow Coming Soon is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of Scripture a perspective missing in many Protestant commentaries
