Love Within Limits Lewis B. Smedes,1980 Love Within Limits Lewis B. Smedes,1978-09-01 Bloodlines (Foreword by Tim Keller) John Piper,2011-09-08 Genocide Terrorism Hate crimes In a world where racism is far from dead is unity amidst diversities even remotely possible Sharing from his own experiences growing up in the segregated South pastor John Piper thoughtfully exposes the unremitting problem of racism Instead of turning finally to organizations education famous personalities or government programs to address racial strife Piper reveals the definitive source of hope teaching how the good news about Jesus Christ actively undermines the sins that feed racial strife and leads to a many colored and many cultured kingdom of God Learn to pursue ethnic harmony from a biblical perspective and to relate to real people different from yourself as you take part in the bloodline of Jesus that is comprised of every tongue tribe and nation The Soul of God Ray S. Anderson,2004-08-02 In this theological memoir Ray Anderson takes us on his own journey from the prairie to the pulpit and from the soul of a believer into the soul of a theologian As a sequel to his earlier book The Soul of Ministry he shares with us the process by which his own spiritual hunger moved from uneasiness and unrest into a deeper sense of the soul of theology as exploration into the very soul of God Part One In Part Two each chapter traces out the contours of a theology which sings as well as stings After more than 40 years of ministry as pastor teacher and theologian Anderson presents a theological hermeneutic by which Scripture and human experience can be read on the same page If reading this book produces astonishment and wonder at the depth and daring to which God s grace encounters and embraces us through Jesus Christ then that itself will lead us with awe and reverence to behold the soul of God **The Publishers Weekly** ,1978 **Bloodlines(enhanced)** John Piper,2011-09-08 Winner of the 2012 Outreach Cross Cultural Ministry Resource of the Year Genocide Terrorism Hate crimes In a world where racism is far from dead is unity amidst diversities even remotely possible Sharing from his own experiences growing up in the segregated South pastor John Piper thoughtfully exposes the unremitting problem of racism Instead of turning finally to organizations education famous personalities or government programs to address racial strife Piper reveals the definitive source of hope teaching how the good news about Jesus Christ actively undermines the sins that feed racial strife and leads to a many colored and many cultured kingdom of God Learn to pursue ethnic harmony from a biblical perspective and to relate to real people different from yourself as you take part in the bloodline of Jesus that is comprised of every tongue tribe and nation *Image and Glory of God* Michael Lakey,2010-05-13 Michael Lakey illustrates the complexities of using biblical materials to shed light upon modern concerns He specifically addresses the recent evangelical controversy regarding gender roles *Religion, Realism and Social Theory* Philip A Mellor,2004-09-29 Philip Mellor s ambition is to save sociology from itself or to save society from the sociologists He has written a brilliant polemic and theoretically rich argument against the many fashionable contemporary social theories that provide acquiescent post societal endorsements of the economic and technological forces that are hollowing out the

religious moral and human dimensions of societies I am tremendously impressed Kenneth Thompson Professor of Sociology at the Open University Religion Realism and Social Theory challenges those contemporary sociologists who argue that the notion of society is an outmoded basis for sociological analysis and instead revitalizes the idea that sociology is truly the study of society Through a bold and original argument Philip Mellor returns the human and religious aspects of social life to the centre of social theory drawing on a vast range of contemporary social theoretical literature in the process The book comprehensively reassesses what societies are offers a detailed critique of current failings in social theory draws out the religious underpinnings of social life throws fresh light on the religious cultural and social conflicts that appear to herald a new period of global disorder Religion Realism and Social Theory will stimulate debate amongst academics and students of sociology and social theory cultural studies and the sociology of religion Love Within Limits Lewis B. Smedes, 1978 This is a print on demand book and is therefore non returnable An exploration of how ideal love selfless love can work within the limits of our ordinary lives Using the magnificent lines of 1 Corinthians 13 as his guide Smedes discusses the areas of life into which love must fit in order to do its work Includes discussion questions **German Kantian Bibliography** Erich Adickes, 1896 **German Kantian Bibliography** Adickes, 1893 **New Dictionary of Biblical Theology** T. good example of what Paul says in 1 Cor 14:26. Let all things be done for building up. It is brief, unpretentious, but says what must be said to bring the message of the love chapter to the heart of the reader. May has been personally moved by Paul's words and he wants to convey to us the same blessing he has found. He has a wonderful gift for simple conversational writing with the most natural and appropriate illustrations. He never assaults the reader but nurtures him gently so that we find ourselves growing in grace almost by surprise. No academic trappings here, but May's understanding of the passage is substantial. I hope that many take the opportunity to learn from this book.

Dr. John Frame, Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of the Theology of Lordship series. The apostle Paul told his dear friend Timothy with regard to Christian discipleship: The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith. That is love is the necessary consequence of the Gospel he preached. Today that charge is unfortunately blunted by all manner of social and cultural influences, reduced to the idea that love is somehow synonymous with quiet and unconditional acceptance. My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love and why it actually changes the world. The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing, both kind and truthful, both eternal and immediate. I recommend this study without qualification and hope to see more from Evan in the future.

Aspects of Love J. Barrie Shepherd, 2010-06-01

Aspects of Love is a book for those worn out by cynicism, fatigued by sensory assault, wearied by the drive to experience new thrills made fragile by the trivial, sickened by a lack of spiritual depth. In a world that longs for intimacy, this book casts a long ray of hope. J. Barrie Shepherd offers the loving gift of gentle, unhurried reflection on 1 Corinthians 13. He frames his thoughtful reflections in three parts: The Necessity of Love, The Qualities of Love, and The Endurance of Love. Writing with the poet's sensitivity toward language and rhythm, Shepherd uses verses of scripture from 1 Corinthians 13 to examine facets of love, including communication, irritability, kindness, jealousy, humility, forgiveness, happiness, and hope. He draws from the works of Golda Meir, Paul Tournier, Martin Luther King Jr., and Winston Churchill and closes each chapter with a prayer. God can dazzle us with the magnificence of the universe, but the heart of the universe reveals its glory in the compassion, grace, and love that come to us when we need it most, telling us, "You matter."
