Loved And Forgiven:

Love's Forgiveness John Lippitt, 2020-09-25 Love's Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love. It introduces the reader to some key questions that have exercised recent philosophers of forgiveness, discussing the relationship between forgiveness and an extended notion of resentment, considering whether forgiveness should be conditional or unconditional, showcasing a particular understanding of the latter, and arguing that there are legitimate forms of third party forgiveness. It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard's key New Testament passages on forgiveness and some contemporary work on the philosophy of love. Drawing on both philosophy and the New Testament, it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice. John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait, suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue, and connecting it to other putative virtues such as humility and hope. Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness. Throughout the book, the philosophical and theological literature is rooted in a discussion of various forgiveness narratives, including Helen Prejean's *Dead Man Walking*, Thordis Elva and Tom Stranger's *South of Forgiveness*, and Ian McEwan's *Atonement*.

The Power of Love, Forgiveness, and Surrender Millie Ninowski-Gelb, 2008-08 Do you ever feel frustrated about your relationship with God and wonder what's wrong? God longs to have an intimate relationship with you, so where does the problem lie? If you're serious about wanting a passionate relationship with Him, you must make a choice. Life is all about choices. But none are as important as choosing to have an intimate relationship with your creator. What is involved in such a decision? The answers can be found in *The Power of Love, Forgiveness, and Surrender*. If your relationship with God is not all it should be, whose fault is it? Choosing an intimate relationship with Him requires much more than half-hearted efforts on your part. It calls for a total commitment to Him, choosing to live according to His plan instead of your own. It may seem like a difficult challenge, but He has provided all the help you need in His Word. Discover the power of love, forgiveness, and surrender—three keys that will deepen your relationship with God and renew the joy of living. These life-changing principles will empower you to be all that God wants you to be. That's the only way to live.

That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school. What you need is a good woman. Don't believe me? My mother when she said it. I didn't walk around on a daily basis and repeat the mantra of the
