**Lovers as Strangers** Akhil Shah, 2018-09-07 **Lovers as Strangers** is a compilation of poetry and short stories circling around the unique emotions humans encompass in life The beauty of our emotions is that they live with us for years regardless of age distance and time Sometimes we feel what we cannot say and that is what gives birth to a suffering in the soul The content of this book draws its strength from such grief and translates into delicate lessons The book has been written from the reader's perspective keeping in consideration the compassion and sensitivity of many It is split into two phases reflecting equally about the need of light and darkness necessary to win at the sport of life **Love and Christian Ethics** Frederick V. Simmons, Brian Sorrells, 2016 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the

recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research *Love and Christian Ethics* is sure to become a benchmark resource in the field

*Love From Heaven* Lorna Byrne, 2017-02-14 Lorna Byrne sees angels and speaks to them every day She sees so much more than angels though she sees love as a physical force emanating from those she observes In this book Lorna reveals what angels have taught her about love and how we can unlock the love stored within all of us She has also created a seven day program with exercises you can do each day in order to have more self appreciation

*The Interaction Between Law and Love in the Pauline Writings* Pandelani Paul, 2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God

and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God

**Lovers and Strangers Revisited** Robert Raymer,2008      **The Journal of Sacred Literature and Biblical Record** John Kitto, Henry Burgess, Benjamin Harris Cowper,1862      *The Journal of sacred literature, ed. by J. Kitto.*

*[Continued as] The Journal of sacred literature and biblical record. [Continued as] The Journal of sacred literature* John Kitto,1862      **On Love and Tyranny** Ann Heberlein,2021-01-05 In an utterly unique approach to biography On Love and Tyranny traces the life and work of the iconic German Jewish intellectual Hannah Arendt whose political philosophy and understandings of evil totalitarianism love and exile prove essential amid the rise of the refugee crisis and authoritarian regimes around the world What can we learn from the iconic political thinker Hannah Arendt Well the short answer may be to love the world so much that we think change is possible The life of Hannah Arendt spans a crucial chapter in the history of the Western world a period that witnessed the rise of the Nazi regime and the crises of the Cold War a time when our ideas about humanity and its value its guilt and responsibility were formulated Arendt s thinking is intimately entwined with her life and the concrete experiences she drew from her encounters with evil but also from love exile statelessness and longing This strikingly original work moves from political themes that wholly consume us today such as the ways in which democracies can so easily become totalitarian states to the deeply personal in intimate recollections of Arendt s famous lovers and friends including Heidegger Benjamin de Beauvoir and Sartre and to wider moral deconstructions of what it means to be human and what it means to be humane On Love and Tyranny brings to life a Hannah Arendt for our days a timeless intellectual whose investigations into the nature of evil and of love are eerily and urgently relevant half a century later

**Civil Disobedience** Tony Milligan,2013-03-28 Civil disobedience is a form of protest with a special standing with regards to the law that sets it apart from political violence Such principled law breaking has been witnessed in recent years

over climate change economic strife and the treatment of animals Civil disobedience is examined here in the context of contemporary political activism in the light of classic accounts by Thoreau Tolstoy and Gandhi to call for a broader attitude towards what civil disobedience involves The question of violence is discussed arguing that civil disobedience need only be aspirationally non violent and that although some protests do not clearly constitute law breaking they may render people liable to arrest For example while there may not be violence against persons there may be property damage as seen in raids upon animal laboratories Such forms of militancy raise ethical and legal questions Arguing for a less restrictive theory of civil disobedience the book will be a valuable resource for anyone studying social movements and issues of political philosophy social justice and global ethics     Distant Lover Gary Mitchell,2013-01-16 Love is impossible to understand in its entirety especially when we are in love with someone else Distant lover is a walk through three stages of love and how we find ourselves trapped in its grip struggling to make sense of where to go and how to get there     **My Lover's Life Story** Elizabeth Lyons Davies,1911     **How to Be an Adult in Love** David Richo,2013 Stating that the purpose of life is to love and be loved counsels readers on how to overcome obstacles to healthy relationships sharing exercises and guided meditations for promoting connection and commitment while overcoming fear     *Love Is...* J.
