**The Kingdom of Heaven and the Kingdom of God** Earl B. Schrock, 2014-01-06 God has prepared a kingdom John 14:1-3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8:14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devil's work No one who is born of God will continue to sin because God's seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not God's child nor is anyone who does not love their brother and sister 1 John 3:7-10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5:9-12:11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64:8 the clay in making a useful vessel

**Seven Words of Love** Ernie Shipe,2010-03 On the darkest day in history a beaten discredited rabbi called Jesus showed us what love was all about and as He died the death of a common criminal claimed ultimate victory over sin death and hell In seven statements most of them not addressed to anyone on earth He teaches us how to live with peace joy and satisfaction Hear Him speak anew about Real forgiveness Father forgive Hope that transcends even death Today you will be with me Serving with real grace Woman Behold your son Full comfort for every crisis My God my God why have you forsaken A real living Savior I thirst Trust that never fails Father into thy hands Victory that is unbelievable but true It is finished In Seven Words of Love Pastor Ernie Shipe takes you up Golgotha s hill so that you can see hear even smell the crackling emotion of the hate of the temple leaders the passion of the crowd the fear and heartbreak of the five pathetic figures standing near the foot of the center cross the bitter indifference of the soldiers and the excruciating agony of the three dying men

*Yoga* Osho,2022-02-08 Patanjali is a rare flower He has a scientific mind but his journey is inner That s why he became the first and the last word he is the Alpha and the omega For five thousand years nobody could improve upon him It seems he cannot be improved upon He will remain the last word because the very combination is impossible To have a scientific attitude and to enter into the inner is almost an impossibility He talks like a mathematician a logician He talks like Aristotle and he is a Heraclitus

**Phenomenology of Love and Reading** Cassandra Falke, 2018-05-31 The current revival of interest in ethics in literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature's relationship to our ethical lives Jean Luc Marion's articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion's argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love's habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life
