Loving God and Disturbing Men Donald A. Leggett, 2003 *Loving God and Disturbing Men* is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author s ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and launch pad for preachers Dr Leggett s aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an important one J I Packer Donald A Leggett Th D Free University Amsterdam is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto Ontario For 25 years he also served as a pastor and elder at Village Green Baptist Church in London Ontario

**How to Preach the Prophets for All Their Worth** Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word *So You Want to Go to Heaven? God Tells You How!* Norman P. Anderson, 2002-10 *SERMONS THAT ILLUMINATE* DALE W. PILGRIM, 2019-09-06 This book is a practical guide for preachers both ordained and layleaders alike *Sermons That Illuminate* explores the various genres of Scripture and examines methods and models of preaching from the greats It also looks inward to consider the importance of wellness and self care with some suggestions for moving toward healthy preaching Whether you re a veteran

preacher or preaching your first sermon you ll be invigorated as you explore the art of preaching **Cultivating a People for God** Enoch Kwan,2019-04-09 This is not just another book It is a long but timeless message better described as a theology of Discipleship I wish God had used someone else who is smarter to write this book and it may have come out sooner It took God 25 years for me to capture the bits and pieces while God taught me in time This book will show you God s heart and get you excited about fulfilling His plan You will find the simple way of integrating spirituality and ministry while pleasing God in all areas of your life and ministry The wide Scripture supported fresh philosophy and framework presented in this book will help you feel God s heartbeat It will elevate your perspective and build a stronger motivation for your church to engage with Christ s Great Commission You will discover the God inspired strategy for discipleship in the Commandments for the Great Commission You will discover how we may effectively cultivate and offer daily to God a People God awaits Your congregation will have time to enjoy life and God while fulling the Great Commission and maturing as Christians in God s inspired ways You will be glad to allow this book to jump to the front of your reading list as it may inject transformational elements to your other reading It is possible that the message presented in this book will spark a new movement for God s people Come join me in fellowship through this book and decide for yourself to see if you can be a part of this new and exciting journey *The Preacher's Commentary - Vol. 23: Micah / Nahum / Habakkuk / Zephaniah / Haggai / Zechariah / Malachi* Walter C. Kaiser, Jr.,2004-07-28 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher s Commentary will help you minister to others and see their lives transformed through the power of God s Word Whether preacher teacher or Bible study leader if you re a communicator The Preacher s Commentary will help you share God s Word more effectively with others This volume combining commentary on the remaining Minor Prophets calls the church to give up her adulterous ways return to her merciful God and courageously serve others in His name Each volume is written by one of today s top scholars and includes Innovative ideas for preaching and teaching God s Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author s approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher s Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God s Word **Handbook of Contemporary Preaching** Dr. Michael Duduit,1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more **American Book Publishing Record** ,1990 The Book of the Twelve ,2020-08-10 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The authors offer a running exposition on the text and extended comments on matters of

special significance for Pentecostals. They acknowledge and interact with alternative interpretations of individual passages. This commentary also provides periodic opportunities for reflection upon and personal response to the biblical text. *Called by God's Name* Linda Leggett, 2012-12-20. When God named himself it was more than a label. He stressed that his name represented his character and those who bore it must accurately display that character in their words and deeds. Misunderstanding this basic biblical truth has led to the reduction of the third commandment to simply a language issue in popular culture. However its correct understanding and preaching should be the start of knowing God's dealings with his Old and New Testament people as well as the template for today's believers. Initially establishing the consistency of the testamental record through themes and the use of the Old Testament by Jesus and the New Testament writers the author displays some of God's characteristics found in both testaments which illustrate ethical requirements for his church and inspire the responses of his people. The fruit of a lifetime of study of the Old Testament distilling biblical wisdom written concisely and understandable to the average church member though informed by much scholarly reading. As a gifted biblical expositor and much loved classroom teacher Leggett again pushes us into Old Testament study to inform us of the New and inspires us to more whole hearted devotion to the God who has called us by his name. Dr Terrance Tiessen emeritus professor of theology and ethics Providence Seminary Leggett's final work captures his love for Scripture as he carefully explores the theme of Christian identity drawing on his thorough familiarity with the biblical texts and his impressive knowledge of Old Testament scholarship. Accessibility in style and practical insights make it a valuable resource for the lay person to deepen their understanding of the Scriptures and the God of whom they speak. John Franklin IMAGO director adjunct at Tyndale Seminary and Trinity College Toronto. With warmth and passion the author traces specific themes through both testaments illustrating their unity of witness to the character of God. Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual. Wilson has created a biblically based counseling model that anchors the individual within the community. The result is a perspective that encompasses all aspects of a person's life where the community becomes a helper in the counseling process. The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual. When this is the case we will be able to appreciate the biblical emphasis on the people of God. While he prizes a relationship with individuals God's heart is with a body a fellowship a community. Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process. Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada. He is also the author of *Exploring Your Anger* and

Helping Angry People
