BlueGhost Reveille John W. Harris,2018-12-27 These are the recollections of a draftee assigned to an infantry platoon in an air cavalry troop BlueGhost Reveille follows me as a twenty two year old as I became a squad leader and then Platoon Sergeant during the war in Vietnam The pieces of this book are as factual as fifty year old memories will allow There is no intentional fiction in this work The stories are about everyday life during this year in a combat unit Some pieces are mundane some are humorous and the parts about going to serious war will get your heart up in your throat I was not a Seal Ranger or Green Beret I was a draftee who turned down OCS because that would have meant extending my service by a year I was chosen to go to NCO school which made me an instant NCO or a shake bake sergeant Reluctant warrior may have described many of us draftees at the time but when you know you are going to war you better get serious I did Friends and family who have read this manuscript say it feels like I am sitting there telling them these stories I hope it feels that way for you

Vietnam Firebases 1965-73 Randy E. M Foster,2012-08-20 Artillery fire support bases of the Freeworld forces played a critical role in the conduct of operations during the Vietnam War They served to lay down high volume fire on enemy firing sites supported friendly infantry operations and executed harassing fire missions where exact targets were not known But the firebases themselves which housed a range of other facilities such as troop shelters surveillance radars and command centers had to be defended against ground attack and as a result became significant fortifications in their own right This book describes the design development and operational history of the fire support bases throughout the conflict

Unleashing the Power of Unconditional Respect Jack Colwell,Charles Huth,2010-06-16 Every day police officers face challenges ranging from petty annoyances to the risk of death in the line of duty Coupled with these difficulties is in some cases lack of community respect for the officers despite the dangers these men and women confront while protecting the public Exploring issues of courage integrity leadership and character

Co-ed Combat Kingsley Browne,2007 Browne makes a case against women in combat based on research in anthropology biology history psychology sociology and law as well as military memoirs It asks hard questions that challenge the assumptions of feminists For instance 5 Has warfare really changed so much as to reverse the almost unanimous history of all male armed forces 5 Are men and women really equivalent in combat skills even leaving aside physical strength 5 Do female troops

respond to traditional types of motivations 5 Can the bonds of unit cohesion form in a co ed military unit 5 Can an all volunteer military afford to reject women

Saige Sterling:

Badass Bounty Hunter: Bundle 1: Books 1 - 3 J.C. Diem, This bundle contains books one to three of the Saige Sterling Badass Bounty Hunter series Nexus Saige Sterling is a curvy confident hunter who has been training to kill monsters for a decade She intends to become the premier bounty hunter in Nexus First she needs to make a name for herself so she will come to the attention of the boss of the hunters All manner of creatures have come through gates from the underworld over the millennia The supernatural creatures are forever stepping over the line and killing innocent humans She won t have a shortage of rogues to hunt down During her quest to gain a job doing what she loves best Saige witnesses a vampire

murdering a human She follows her target to a nightclub for supernatural beings where he thinks he'll be safe The brand new bounty hunter won't let anyone stop her from fulfilling her destiny Not even a mob of angry monsters can slow her down for long Unfortunately Saige's plans go awry and her target isn't who he seems to be His boss is a sexy weredragon who won't be pleased if she turns his minion to ash The dragon offers her a deal but first she needs to prove herself to him Accepting his bargain will be the first step in achieving her dreams but it will throw her life into turmoil that she couldn't possibly foresee

Conflux Saige Sterling has been working as a bounty hunter for her weredragon boss for six months now Drake Gilden is a sexy enigma that she isn't sure she'll ever be able to figure out They have undeniable chemistry but she's so far beneath him in the supernatural hierarchy that she knows he's out of her league When Saige and Ruen her reluctant vampire partner came back from the first realm of the underworld they didn't return alone Saige now has a new roommate Aurora is still learning about the new dimension she's been drawn to Her powers have the habit of leaking out onto Saige It's something she's going to have to learn how to control before it drives the bounty hunter crazy Stealing one of the mysterious scroll fragments from the rulers of the underworld should have been enough to stop the coming apocalypse Lord Gilden is determined to have them all in his grasp He sends the unlikely trio to the second realm in search of the next piece of the enchantment With Saige's mixed genes she has no idea if she'll be the same type of monster that she was in the first realm or if she'll turn into something completely different

Vortex Saige is still adjusting to having a sex demon for a roommate but it's getting easier now that Aurora has her own bed to sleep in She wished her strange relationship with Drake Gilden would run as smoothly Unfortunately it just keeps getting more complicated For the first time all of Lord Gilden's bounty hunters will be called on to work together on a job Saige will finally get to see why he hired the two puny humans who are on their team She will also get a chance to shine and show them exactly why the weredragon hired her Saige's fame as a bounty hunter is growing with each new mission she accomplishes Few in the supernatural community in Nexus are aware that she has a secret task in the underworld So far the huntress her vampire sidekick and best friend have retrieved two fragments of a magical scroll The monsters and beasts are becoming more dangerous with each realm they visit So are the guardians who are guarding the spells

Voices from the Vietnam War Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War's influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one-sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this

oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li s achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly [The Guilty Dead](#) P.
