**Reconnaissance and Surveillance Units** James F. Gebhardt, 2005 Eyes Behind the Lines US Army Long Range

Reconnaissance and Surveillance Units is the 10th study in the Combat Studies Institute CSI Global War on Terrorism GWOT Occasional Paper series This work is an outgrowth of concerns identified by the authors of On Point The United States Army in Operation IRAQI FREEDOM Specifically these authors called into question the use of long range surveillance LRS assets by commanders during that campaign and suggested an assessment ought to be made about their continuing utility and means of employment This revision contains some important additional information the author received after this book was originally published Major Retired James Gebhardt of CSI researched and wrote this Occasional Paper with that end in view In this study Gebhardt surveys the US Army s historical experience with LRRP and LRS units from the 1960s Cold War and Vietnam War through their resurgence in the 1980s and use in Operations JUST CAUSE and DESERT STORM to the advent of the GWOT The paper s analytical framework examines each era of LRS units in terms of doctrine organization training materiel leadership and personnel In doing so the author makes a strong case for continuing the LRS capability in the Army s

force structure The variety of environments and enemies likely to be faced by the military in the GWOT continues to demand the unique human intelligence abilities of trained and organized LRS units As the Army leads the Armed Forces of the United States in combating terrorists where they live the lessons found in this survey remain timely and relevant Lurps Robert C. Ankony,2008-10-21 Lurps is the revised edition of the memoir of a juvenile delinquent who drops out of ninth grade to chase his dream of military service After volunteering for Vietnam he joins the elite U S Army LRRP Rangers small heavily armed long range reconnaissance teams that patrol deep in enemy held territory It is 1968 and the Lurps find themselves in some of the war s hairiest campaigns and battles including Tet Khe Sanh and A Shau Readers witness all the horrors humor adrenaline and unexpected beauty through the eyes of a green young warrior Gone are the heroic clich s and bravado as compelling narrative and realistic dialogue sweep the reader along with a powerful sense that this is actually happening This poignant coming of age story explores the social background that shaped the protagonist s thinking his uncertain quest for redemption through increased responsibility the brotherhood of comrades in arms women and sexual awakening and the baffling randomness of who lives and who dies *Late Thoughts on an Old War* Philip D. Beidler,2010-01-25 Philip D Beidler who served as an armored cavalry platoon leader in Vietnam sees less and less of the hard won perspective of the common soldier in what America has made of that war Each passing year he says dulls our sense of immediacy about Vietnam s costs opening wider the temptation to make it something more necessary neatly contained and justifiable than it should ever become Here Beidler draws on deeply personal memories to reflect on the war s lingering aftereffects and the shallow evasive ways we deal with them Beidler brings back the war he knew in chapters on its vocabulary music literature and film His catalog of soldier slang reveals how finely a tour of Vietnam could hone one s sense of absurdity His survey of the war s pop hits looks for meaning in the soundtrack many veterans still hear in their heads Beidler also explains how Viet Pulp literature about snipers tunnel rats and other hard core types has pushed aside masterpieces like Duong Thu Huong s *Novel without a Name* Likewise we learn why the movie *The Deer Hunter* doesn t get it about Vietnam but why *Platoon* and *We Were Soldiers* sometimes nearly do As Beidler takes measure of his own wartime politics and morals he ponders the divergent careers of such figures as William Calley the army lieutenant whose name is synonymous with the civilian massacre at My Lai and an old friend poet John Balaban a conscientious objector who performed alternative duty in Vietnam as a schoolteacher and hospital worker Beidler also looks at Vietnam alongside other conflicts including the war on international terrorism He once hoped he says that Vietnam had fractured our sense of providential destiny and geopolitical invincibility but now realizes with dismay that those myths are still with us Americans have always wanted their apocalypses writes Beidler and they have always wanted them now US Army Long-Range Patrol Scout in Vietnam 1965-71 Gordon L. Rottman,2013-02-20 The Vietnamese knew the Long Range Patrol Scouts as the men with green faces a reference to the camouflage paint that they used Operating in patrols of four to six men these men were like ghosts scouting far behind

enemy lines This book examines the Long Range Patrol Scout s superior stealth movement techniques camouflage and concealment tracking counter tracking observation and other fieldcraft skills It also examines the occasions they participated in small scale direct actions including ambushes and raids Written by a Special Forces Vietnam veteran this book not only depicts the remarkable lives of these scouts when on campaign but also details the training and conditioning that it took to become one of these shadow warriors      **Eyes Behind the Lines** James F. **Acceptable Loss** Gregg P. Jorgenson,2010-08-25 In just ten months in Vietnam he was overrun shot up but not underworked he survived fifty four missions as point man He has one hell of a story to tell You didn t get into the Rangers without volunteering and you didn t stay on point unless you liked it But after watching most of his buddies die in a firefight when his LRRP team was overrun by the NVA Gregg Jorgenson volunteered to serve on a Blue Team in the Air Cavalry racing to the aid of soldiers who faced the same dangers he had barely survived Whether enduring NVA sapper attacks surviving friendly fire or landing in hot LZs Jorgenson discovered that in Vietnam you never knew whether you were paranoid or just painfully aware of the possibilities      **Very Crazy, G.I.!** Gregg P. Jorgenson,2001-01-30 AMERICAN BOYS AT WAR IN VIETNAM AND INVOLVED IN INCIDENTS YOU WON T FIND IN THE NATIONAL ARCHIVES In this compelling highly unusual collection of amazing but true stories U S soldiers reveal fantastic almost unbelievable events that occurred in places ranging from the deadly Central Highlands to the Cong infested Mekong Delta Finders Keepers became the sacred byword for one exhausted recon team who stumbled upon a fortune worth more than 500 000 and managed with a little American ingenuity to relocate the bounty to the States Jorgenson also chronicles Marine Sergeant James Henderson s incredible journey back from the dead shares a surreal chopper rescue and recounts some heart stopping details of the life and death of one of America s greatest unsung heroes a soldier who won more medals than Audie Murphy and Sergeant York Whether occurring in the bloody fiery chaos of sudden ambushes or during the endless nights of silent gnawing menace spent behind enemy lines these stories of war are truly beaucoup dinky dau and ultimately unforgettable      **The New Partridge Dictionary of Slang and Unconventional English** Tom Dalzell,Terry Victor,2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge s brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional

English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, published sources given for each entry often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1 000 new entries from the US, UK and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell, 2018-05-11. The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang. The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will and should offend. Rich, scholarly and informative. The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.

**Vietnam War Slang** Tom Dalzell, 2014-07-25. In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution, the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam. Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War. Troops facing and inflicting death display a high degree of linguistic creativity. Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language. War has always been an incubator for slang; it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life. Furthermore, such language serves to create an

intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang **Sweet Sorrow: The Jungle War - Book 3** Gregg P.J. Jorgenson,2025-04-18 By mid 1971 the U S Army s Long Range Recon Patrol Ranger teams had learned to out guerrilla the Viet Cong North Vietnamese when it came to behind the lines jungle fighting With hit and run ambushes prisoner snatches and sneaking and peeking the five and six man teams were carrying out dangerous and daring patrols even as the long and drawn out ground war for the U S forces in South Vietnam was coming to an end Realizing that the war was unwinnable American forces were withdrawing frontline units from the war leaving an estimated 160 000 troops in country even as well over 200 000 enemy soldiers were operating in the South with thousands more streaming down through the Ho Chi Minh and Siahauouk Trail from the north Anyone could see the handwriting was on the wall For the 55 LRRP Rangers of R Company Romeo Company it seemed that their war was not letting up and how they would continue to fight was all about to change

**Reflections Revisited** Reuben H. Siverling,2017-01-09 As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised Infantry ,1969 Shadow Warriors Mir Bahmanyar,2011-09-20 No American military unit can claim as colorful and volatile a history as the Rangers who have led the way in America s wars for well over 300 years This book traces the Rangers from the time of Robert Rogers during the

French Indian War of the 18th century to the most recent combat operations in Iraq With a focus on today s Army Rangers who combine the rugged individualism of American frontiersmen with the finely honed ability to operate as a close knit team wreaking havoc behind enemy lines this fascinating volume incorporates many first hand accounts of dramatic Ranger actions by the combatants themselves     *Inside the LRRPs* Col. Michael Lee Lanning,2011-07-20 Vietnam was a different kind of war calling for a different kind of soldier The LRRPs Long Range Reconnaissance Patrols were that new breed of fighting man They operated in six man teams deep within enemy territory and were the eyes and ears of the units they served This is their story of perseverance under extreme hardship and uncommon bravery and how they carried out the war s most hazardous missions     **Blood Warriors** Col. Michael Lee Lanning,2007-12-18 Rangers Green Berets SEALs Delta Force LRRPs Force Recon and the struggle of the best and the bravest to keep America free They re some of the toughest and most highly trained fighting men in the world going where no ordinary soldier would go and doing what no ordinary soldier would dare Outnumbered and outgunned operating in small teams of five or six deep in enemy territory far from help they rely on their wits their skills and each other to get out alive Blood Warriors is a penetrating no holds barred account of the training missions and history of the military elites who mold America s most dangerous and highly skilled warriors from the navy s SEALs and the Marine Corps Force Reconnaissance to the U S Army s Delta Force Rangers and Special Forces Here s an in depth look at each unit s methods and standards what s required and what it takes to survive and succeed Whether gathering intelligence capturing prisoners executing raids and ambushes or just creating havoc in enemy territory these men know that death is their constant companion and one small misstep could mean body bags for everyone Maybe that s why America calls them heroes

### **Lrrp Company Command Introduction**

In today's digital age, the availability of Lrrp Company Command books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lrrp Company Command books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lrrp Company Command books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lrrp Company Command versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lrrp Company Command books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lrrp Company Command books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lrrp Company Command books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lrrp Company Command books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lrrp Company Command books and manuals for download and embark on your journey of knowledge?
