What you don't know can hurt you. Learn how to fight enemies you cannot see so you can victoriously finish your journey on earth and then live with God forever. Evangelical Magazine and Gospel Advocate, 1896. Alpha And Omega Isaac Jalal, 2022-02-22. The book Alpha and Omega covers pre-existent names of the Messiah prophecies and predictions about the coming of the Messiah foretold in the Old Testament. This book guides readers through some of the usual arguments about the existence of God and the self-existence of Christ before His incarnation as Jesus. Following the very first verse in the Bible, Genesis 1:1, provides the roadmap for the rest of Jesus's biblical story as represented in the New Testament from His birth through His crucifixion, resurrection, and second coming. This study restates the subjects and events based exclusively on biblical accounts and known historical facts in exceptional detail. Jesus Always Existed. The Old Testament prophets recognized Jesus as God Almighty or Jehovah God the First and the Last. Exod 6:3, Isa 44:6, 48:12. In the Old Testament, Jesus is not referred to by His earthly name, Jesus. His true identity is revealed in the New Testament after His holy birth to Virgin Mary when God's angel told Mary to name Him Jesus. Luke 1:30-31. He was chosen before the creation of the world but was revealed in these last times for your sake. 1 Pet 1:20. Jesus's true identity was reaffirmed in the book of Revelation: I am the Alpha and the Omega, says the Lord God, who is and who was and who is to come, the Almighty. Rev 1:8. Who Was Jesus and What Was His Message? Different individuals have different views of Jesus. To some, He is either a prophet or enlightened man. To others, He was a revolutionary or political defiant. To the believers, however, Jesus is the Son of God, the Alpha and the Omega, which He is. *Missing* Sonia Falaschi-Ray, 2013-06-01. A husband and wife arrive tired and hungry at an inn on their way home to Nazareth. They search in vain for their son whom they assumed to have been travelling with the group. Twelve he may be, nearly a man, but not yet, and the city of Jerusalem is no place for a youth wandering about on his own. His name is Yeshua, and he is eventually found engaged in debate with rabbis in the temple. His knowledge of scripture is formidable, and some find his questioning precocious and interesting. However, the young Rabbi Caiaphas finds the boy's views outrageous. Eventually reunited with his parents, Yeshua leaves Jerusalem to travel home. But he will return for he is the lynchpin in the greatest spiritual revolution the world has ever known. *Missing Three Days in Jerusalem* is a refreshing and accessible account of the life of Jesus Christ from his disappearance in Jerusalem as a boy to his earliest ministries foreshadowing his future teachings. We meet him 21 years later at the moment of his arrest, leading to his crucifixion, death, and on the third day, his resurrection. His companions reminisce about his miracles. Then he appears. He tells them he has been freeing souls from hell and commissions them to spread his truth. His followers have life-changing experiences as they engage in the slow but certain spreading of the Way of Christianity throughout the world. This is not just a story about divinity; it is about ordinary people finding themselves in extraordinary circumstances. The world of occupied Judea in the early years of the first century is brought dazzlingly alive, and the message is clear: the Way is open to everyone, no matter their background or creed, no matter their doubts and uncertainties. *Missing* is a work of historical fiction that will appeal primarily to Christians but also to

spiritual seekers who will find it a fresh approach to the Gospel story Sonia Falaschi Ray has taken inspiration from Susan Howatch especially her Starbridge novels **Freemason Symbols and Ceremonies For Dummies® (Custom)**

Bola,2014-08-29 Do you know what it s Like to get shot Now I turned to my left and just as I straightened out the Toyota s path I heard some popping sounds sort of like firecrackers exploding in the distance In that our windows were up the sounds were not very distinguishable However for some strange reason I reacted so quickly that it certainly was not a conscious forethought My head went down as I bent over forward and slightly to my right just in time to avoid having a bullet hit the back of my head as it passed through the back glass Then in a split second I realized why I had unconsciously reacted that way and Poetry is simply stated just another modality of expression of ideas feelings opinions and visions Like any other mode of expression it can be useful if produced by the mind of a skillful and perceptive person However the very best writers not only consult their mind which is the lead part of the soul but also are influenced by an enlivened human spirit Some are endowed with a thin slice of divine creativity that which can be used to produce a very good quality product and it will endure over time It is my hope and desire that herein there is some of the latter type which is mentioned here Professionally speaking as an educator and psychologist I hope that a degree of multifarious perceptions has been shown in the writings contained here in this book Because it is written with the intention of not only giving some degree of pleasure but also for some degree of enlightenment May the Good Lord bless all those who read this book TS Bola **The Digital Dilemma**
