Luke The Historian In Recent Study:

Luke the Historian in Recent Study C. K. Barrett, 2009-05-22 The Lucan problem has all at once become a burning one says a famous German scholar Professor Ernst K Semann in a recent book Few English readers it is fair to say so much as know that there is a problem This problem involves not only renewed discussions of the life of Jesus but also questions about the apostolic Church its gospel and preaching its common life and ministry This lecture first offers a short account of some of the most important recent contributions to the understanding of Luke's work and then considers some of the problems afresh What made Luke a historian and led him alone so far as we know among his contemporaries to write the story of Christianity from the birth of Jesus to Paul's mission to Rome How was his work affected by the example of older historians What was his attitude to the theological problems of his day What did he set out to achieve in his two volumes What lessons may the twentieth century Church learn from his work These are among the questions raised by this lecture *Luke the Historian in Light of Research* Archibald Thomas Robertson, 2018-02-28 The work of the last fifteen years has created new interest in the writings of Luke The relation of Luke's Gospel to Mark's Gospel and the Logia of Jesus has sharply defined his own critical methods and processes The researches of Harnack Hobart and Ramsay have restored the credit of Luke with many critics who had been carried away by the criticism of Baur and who looked askance upon the value of Luke as the historian of early Christianity It has been like mining digging now here now there The items in Luke's books that were attacked have been taken up one by one The work has been slow and piecemeal of necessity But it is now possible to gather together into a fairly complete picture the results It is a positively amazing vindication of Luke The force of the argument is cumulative and tremendous One needs to have the patience to work through the details with candor and a willingness to see all the facts with no prejudice against Luke or against the supernatural origin of Christianity From the Preface **Luke the Historian in Recent Study** Charles Kingsley Barrett, 1962 *Luke the historian in recent study* Charles K. James and Paul V. George Shillington, 2015-06-01 Recent interest in the person and work of James of Jerusalem and in the community he led has sometimes put the apostle Paul in a negative light a reversal of the more usual pattern in Protestantism Rather than exaggerating the opposition between these two figures V George Shillington seeks to understand them both without prejudice Examining what can be reconstructed of both men and their respective missions from our sources read critically Shillington concludes that the tension between those missions indicates a conflict between different politics of identity **What is Redaction Criticism?** Norman Perrin, 2002-07-11 For the past several decades New Testament scholarship has been strongly influenced by a discipline that arose in post war Germany and is here called redaction criticism Professor Perrin defines redaction criticism as the discipline concerned with the theological motivation of an author as it is revealed in the collection arrangement editing and modification of traditional material or the creation of

new forms within the traditions of early Christianity With lively style and technical expertise he explores the origins the nature and the implications of this new approach to the Bible Laymen eager for a chance to look over the biblical scholar s shoulder as he goes about his work seminary and college students who want to see how modern scientific methods are utilized in the study of the Bible and pastors who want to keep up with what is going on in biblical studies will find this book of great interest A glossary and annotated bibliography enhance its value Interpretation of Tongues and Prophecy in 1 Corinthians 12-14, with a Pentecostal Hermeneutics Jeon Ahn Yongnan,2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions The author also applies a Pentecostal hermeneutical methodology to Paul s teaching on tongues and prophecy in 1 Corinthians 12 14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative Paul s texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community Acts in its Ancient Literary Context Loveday Alexander,2007-03-29 Here gathered for the first time is a collection of Loveday Alexander s critically acclaimed essays on the Acts of the Apostles In this collection of essays Alexander addresses the central question What kind of book is Acts She approaches the text of Acts with a finely tuned sense of the complexities of the conventional codes that governed reading and writing in the classical world and argues that the differences between New Testament texts and contemporary writings in the Graeco Roman world can be as revealing as the similarities The collection begins with Alexander s classic analysis of the literary codes governing the preface to Luke s two volume work in which she challenges the dominant consensus that the language and structure of the preface evoke the generic conventions of Greek historiography That insight opens up the possibility of reading Acts alongside other ancient literary genres the lives of the Greek philosophers the Greek novels of Chariton and Xenophon of Ephesus Roman itineraries Greek and Jewish apologetic and Latin epic The process like the narrative of Acts itself becomes a rich and evocative voyage of exploration shedding light both on the varied social worlds of the author and his first readers and on the complex communication problems underlying the creation of early Christian discourse This is volume 289 in the Journal for the Study of the New Testament Supplement series and is also part of the Early Christianity in Context series **The Reign of God and Rome in Luke's Passion Narrative** Yong-sung Ahn,2006-03-01 From a Korean perspective this book examines how Luke s Passion Narrative constructs the space time of the Reign of God both in contest to and in compliance with that of Rome and shows how Luke s colonial relations complicate the Gospel s theological perspectives *New Testament Survey* Merrill C. Tenney,1985-08-28 Written in a clear non technical style New Testament Survey is an analytical and historical survey which sets forth the message of the New Testament against a fully integrated picture of the world of the first century **The New Testament in Its Literary Environment** David Edward Aune,1988 A study of the relationship between the New Testament writings and other literature of late antiquity This comprehensive introduction identifies and describes the

Cynic Sage or Son of God? Gregory A. Boyd,2010-10-01 Not since David Strauss Life of Jesus shook European Christianity to its foundations in the nineteenth century has any scholarly discussion of the historical Jesus made the impact on a popular level that the Jesus Seminar is presently making in America Popular magazines have provided a remarkable amount of space for the Jesus Seminar including Time and Newsweek which made their work cover stories At the forefront of the movement lies the work of John Dominic Crossan and Burton L Mack who have popularized the Jesus as Cynic sage view The growing popularity of this new paradigm should be of significant concern for all who hold to the historic Christian faith To date however no thorough evangelical response has been provided to these revisionist views of the historical Jesus This book is written to fill this void It provides a serious critique of the Cynic thesis accessible to laypeople and of interest to thoughtful observers With interest in the quest for the historical Jesus continuing anew Boyd s Cynic Sage or Son of God provides an orthodox defense of the biblical Jesus
