Developing Psychiatry Kenower W. Bash, J. Bash-Liechti, 2012-12-06 This book is a bequest The author K W Bash did not live to see its appearance Though of American parentage he spent most of his life in Switzerland where his last professional appointment before his retirement was that of Associate Professor of Psychiatry in Bern Professor Bash made a lasting name for himself with his textbook of psychopathology his research on Rorschach interpretations and his eminent position in the Jung school of psychological thought In his last years however it was Iranian psychiatry that claimed his main interest As an

expert in the field who also spoke the language he spent several long periods in Iran working in an advisory capacity This book is the product of intensive cross cultural and epidemiological research which unfortunately had to be broken off because of the political events in Iran Nevertheless editor and publisher count themselves fortunate indeed that it was possible to save the important material that the author had already accumulated from oblivion and to make it accessible to others interested in the field Prilly Lausanne C MULLER Preface The conception of this book originated in our Shiraz Mental Health Survey of 1969<sup>170</sup> when after we had begun epidemiological studies in the villages in 1963 we for the first time gained comparable data from a city The course of the village studies is described under Origins Part A Chap II and in the chapters on local surveys in Part B
