

There was a storm on the night of the wedding. The wind
 was from the south, and the rain was from the north. The
 wedding was a failure. The bride and groom were
 married in the night. The wedding was a failure. The
 bride and groom were married in the night. The wedding
 was a failure. The bride and groom were married in the
 night. The wedding was a failure. The bride and groom
 were married in the night. The wedding was a failure.
