Lydgate's Troy Book. A.D. 1412-20 John Lydgate,1910      **Lydgate's Troy Book. A.D. 1412-20: Introductory note.**  
**The prologue. Book I-II** John Lydgate,1906      *Lydgate's Troy Book. A.D. 1412-20* John Lydgate,1935      **"When men are unprepared and look not for it"** Brähler, Susan,Münderlein, Kerstin-Anja,      Annual Bibliography of English Language and Literature ,      Quarterly Bulletin Brooklyn Public Library,1908      *Maintenance, Meed, and Marriage in Medieval English Literature* K. Kennedy,2009-05-25 *Maintenance Meed and Marriage in Medieval English Literature* deftly interrogates the relationship between lord and man in medieval England Employing the study of medieval analogies this book is the first to explore how the relationship between lords and retainers was depicted in literature by Chaucer Gower Langland and Lydgate Kennedy uses close readings and medieval letter collections to provide a documentary look at how lords and men communicated information about their relationships and reveals surprising information about both medieval law and society      **Art of Illness** Wendy J. Turner,2023-12-01 There is a long history of inventing illness such as pretending to be sick for attention or accusing others of being ill This volume explores the art of illness and the deceptions and truths around health and bodies from a multiplicity of angles from antiquity to the present The chapters which are based on primary source evidence ranging from antiquity to the late twentieth century are divided into three sections The first part explores how the idea of faking illness was understood and conceptualized across multiple fields locations and time periods The second part uses case studies to emphasize the human element of those at the center of these narratives and how their behavior was shaped by societal attitudes The third part investigates the development of regulations and laws governing malingering and malingerers Altogether they paint a picture of humans doing human actions cheating lying stealing but also hiding surviving working This book s careful accessible scholarship is a valuable resource for academics scientists and the sophisticated undergraduate audience interested in malingering narratives throughout history      A Companion to British Literature, Volume 1 Heesok Chang,Robert DeMaria, Jr.,Samantha Zacher,2013-12-13 *A Companion to British Literature Medieval Literature 700 1450*      The Oxford English Literary History: 1350-1547 : reform and cultural revolution James Simpson,2002 Ranging from the extraordinary burst of English literary writing under the reign of Richard II to the literature of the Reformation this title challenges traditional assumptions and argues that the stylistic diversity enjoyed by late medieval writers was curtailed by the authoritarian practice of the 16th century cultural revolution      *Shakespeare's Irrational Endings* D. Margolies,2012-07-24 *Problem Plays* has been an awkward category for those Shakespeare plays that don t fit the conventional groupings Expanding from the traditional three plays to six the book argues that they share dramatic structures designed intentionally by Shakespeare to disturb his audience by frustrating their expectations      **The Heroic Couplet in the Sixteenth and Early Seventeenth Centuries** George Pope Shannon,1926      **Bulletin of the Toronto Public Library** Toronto Public Library,1911      **English Historical Drama, 1500-1660** Barbara

Ravelhofer,2007-12-04 Many readers today associate the early modern history play with Shakespeare While not wishing to ignore the influence of Shakespeare this collection of essays explores other historical drama between 1500 and 1660 covering a wide range of different formats An introduction provides a survey of current criticism exploring both early modern and contemporary definitions of the history play Individual essays in chronological order discuss a wide variety of possible sources for historical drama ranging from oral traditions to chronicles They also explore genres outside the canon which think of history in different ways such as shows moralities and closet drama

**Negotiating Boundaries in Medieval Literature and Culture** Valerie B. Johnson,Kara L. McShane,2022-03-21 Thomas Hahn s work laid the foundations for medieval romance studies to embrace the study of alterity and hybridity within Middle English literature His contributions to scholarship brought Robin Hood studies into the critical mainstream normalized the study of historically marginalized literature and peoples and encouraged scholars to view medieval readers as actively encountering others and exploring themselves This volume employs his methodologies careful attention to texts and their contexts cross cultural readings and theoretically informed analysis to highlight the literary culture of late medieval England afresh Addressing long established canonical works such as Chaucer Christine de Pizan and Malory alongside understudied traditions and manuscripts this book will be of interest to literary scholars of the later Middle Ages who like Hahn work across boundaries of genre tradition and chronology

**Trustworthy Men** Ian Forrest,2020-03-31 The medieval church was founded on and governed by concepts of faith and trust but not in the way that is popularly assumed Offering a radical new interpretation of the institutional church and its social consequences in England Ian Forrest argues that between 1200 and 1500 the ability of bishops to govern depended on the cooperation of local people known as trustworthy men and shows how the combination of inequality and faith helped make the medieval church Trustworthy men in Latin viri fidedigni were jurors informants and witnesses who represented their parishes when bishops needed local knowledge or reliable collaborators Their importance in church courts at inquests and during visitations grew enormously between the thirteenth and fifteenth centuries The church had to trust these men and this trust rested on the complex and deep rooted cultures of faith that underpinned promises and obligations personal reputation and identity and belief in God But trust also had a dark side For the church to discriminate between the trustworthy and untrustworthy was not to identify the most honest Christians but to find people whose status ensured their word would not be contradicted This meant men rather than women and usually the wealthier tenants and property holders in each parish Trustworthy Men illustrates the ways in which the English church relied on and deepened inequalities within late medieval society and how trust and faith were manipulated for political ends

**Image and Imagination** C. S. Lewis,2013-11-14 New collection of literary critical essays and reviews of C S Lewis including previously unpublished and long unavailable works

**Helen of Troy** Laurie Maguire,2009-04-06 Helen of Troy From Homer to Hollywood is a comprehensive literary biography of Helen of Troy which explores the ways in which her story has been told and retold in

almost every century from the ancient world to the modern day Takes readers on an epic voyage into the literary representations of a woman who has wielded a great influence on Western cultural consciousness for more than three millennia Features a wide and diverse variety of literary sources including epic drama novels poems film comedy and opera and works by Homer Euripides Chaucer Shakespeare Includes an analysis of a radio play by the prize winning author of *The Curious Incident of the Dog in the Night time* and a Faust play by a contemporary Scottish playwright Explores themes such as narrative difficulties in portraying Helen how legal history relates to her story and how writers apportion blame or exculpate her Considers the aesthetic and narrative difficulties that ensue when literature translates myth     **Troilus and Cressida** William Shakespeare, 2015-10-22 A revised edition of this intriguing and complex play updated to cover recent critical thinking and stage history Troilus and Cressida is a tragedy often labelled a problem play because of its apparent blend of genres and its difficult themes Set in the Trojan Wars it tells a story of doomed love and honour offering a debased view of human nature in war time and a stage peopled by generally unsympathetic characters The revised edition makes an ideal text for study at undergraduate level and above     *Cultures, Ideologies, and the Dictionary* Braj B. Kachru, Henry Kahane, 2013-03-01 A pioneering volume addressing issues related to cultures ideologies and the dictionary A cross cultural and cross linguistic study with focus on selected Western and non Western languages A number of in depth case studies illustrates the dominant role ideology and other types of bias play in the making of a dictionary The volume includes invited papers of 40 internationally recognized scholars
