The Maafa & Beyond Erriel D. Roberson, 1995 **Embodying American Slavery in Contemporary Culture** Lisa Woolfork, 2010-10-01 This study explores contemporary novels films performances and reenactments that depict American slavery and its traumatic effects by invoking a time travel paradigm to produce a representational strategy of bodily epistemology Disrupting the prevailing view of traumatic knowledge that claims that traumatic events are irretrievable and accessible only through oblique reference these novels and films circumvent the notion of indirect reference by depicting a replaying of the past forcing present day protagonists to witness and participate in traumatic histories that for them are neither dead nor past Lisa Woolfork cogently analyzes how these works deploy a representational strategy that challenges the divide between past and present imparting to their recreations of American slavery a physical and emotional energy to counter America's apathetic or amnesiac attitude about the trauma of the slave past **African American Pride** Tyehimba Jess, 2003 There are nearly 35 million African Americans in the U S today This volume gives 101 reasons to be proud of being African American *Free the Land* Edward Onaci, 2020-04-17 On March 31 1968 over 500 Black nationalists convened in Detroit to begin the process of securing independence from the United States Many concluded that Black Americans best remaining hope for liberation was the creation of a sovereign nation state the Republic of New Afrika RNA New Afrikan citizens traced boundaries that encompassed a large portion of the South including South Carolina Georgia Alabama Mississippi and Louisiana as part of their demand for reparation As champions of these goals they framed their struggle as one that would allow the descendants of enslaved people to choose freely whether they should be citizens of the United States New Afrikans also argued for financial restitution for the enslavement and subsequent inhumane treatment of Black Americans The struggle to Free the Land remains active to this day This book is the first to tell the full history of the RNA and the New Afrikan Independence Movement Edward Onaci shows how New Afrikans remade their lifestyles and daily activities to create a self consciously revolutionary culture and argues that the RNA's tactics and ideology were essential to the evolution of Black political struggles Onaci expands the story of Black Power politics shedding new light on the long term legacies of mid century Black Nationalism *The Routledge Handbook of Islam and Race* Zain Abdullah, 2024-12-03 Given the intense scrutiny of Muslims The Routledge Handbook of Islam and Race is an outstanding reference to key topics related to Islam and racialization Comprising over 40 chapters by nearly 50 international contributors the Handbook covers 30 countries on six continents examining an array of subjects including Chinese Russian Iranian and Palestinian Muslims as racialized others Hip Hop Islam and race Sexuality gender and race in Muslim spaces Islamophobia and race Racializing Muslim youth Islam media photography and race Central issues are explored not only in Muslim societies but also in Muslim minority countries like Mexico Finland Brazil New Zealand and South Africa for topics such as race and color in the Qur'an law slavery conversion multiculturalism blackness whiteness and otherness The Routledge Handbook of Islam and Race is

essential reading for students and researchers in religious studies and postcolonial studies The Handbook will also be very useful for those in related fields such as art and architecture literature ethnic studies Black and Africana studies sociology history anthropology and global studies
