 BOOK AWARDS The Children s Fire forges a trail into Britain s wild and ancient Celtic past It locates the fragments of a story
 that still has resonance today the pulse and surge of an older wisdom that cracks the mendacity of the shopping mall s
 vacuous promise It is a passionate evocation of a generous inclusive diverse and spiritually significant world the world of our
 longing In the winter of 2009 Mac Macartney walked from his birthplace in England across Wales to the island of Anglesey
 once the spiritual epicentre of Late Iron Age Britain navigating by the sun and the stars with no map compass stove or tent
 and in the coldest winter for many years The Children s Fire records that journey and seeks to lay bare the aching loss of
 knowing and understanding sacredness as it applies to everything ordinary that brings joy to the human heart It asserts the
 emergence of a new story the story of a people coming home to a truth made all the more poignant having so painfully
 broken faith with nature our deeper humanity and the paradise we fouled with such casual disrespect It is a love story and
 part of a larger narrative that is surfacing all around the world It seeks to reclaim our future and name it beautiful **The**
