The Age of Infidelity and Other Stories Valerie Sayers,2020-06-03 In the spirit of Muriel Spark and Walker Percy The Age of Infidelity s eleven stories embrace the comic the absurd and the dead serious Faithless parents betray their children the young betray the old and lovers betray each other but somehow these characters cling to hope Aging white cheerleaders shout through an online megaphone remembering a time when racial equality seemed almost possible a teenager endures her father s abandonment as her mother s psychotic episodes pick up pace an old couple on the lam from the Constitutional Guard of the future hides out in a garage reminiscent of our consumerist past In an age many call post religious these characters want to believe in something but they re not always sure what that something is Set in landscapes from the small town South to New York City from a parched Midwest to a deserted Dublin these stories time travel from our Jim Crow past to an imagined future of warehouses for the aged where robots do the nursing With what the Washington Post describes as her distinctive brutal elegance Valerie Sayers writes playfully powerfully and musically These stories form an album riffing on our age the Age of Infidelity

The Carcass & Other Stories Dave Sims,2020-03-17 I m pleased to have been asked to write the forward to this collection of splendid and heretofore mostly unseen short stories all of which were written from roughly the mid 1980s to the mid 2000s by my longstanding friend and constant teacher Dave Sims Mostly the stories transpire in what might reasonably be called working class settings They re inhabited by a range of peculiar characters many of them troubled and distressed some of them near death all of them ingenuously sprung from Sims singularly rich and fertile imagination These are stories that deserve to be read pondered and of course enjoyed While recently re reading them I was struck as happened often when I first encountered them years ago by how strange and real and fully alive the characters seemed I marveled once again at the details and contours of the stories themselves their beautiful and inventive architecture the snap and rhythm of the sentences and the keen restless intelligence from whence they sprang
