**The Making of Goodnight Moon** Leonard S. Marcus,1996-11-01 Tells the story of Goodnight Moon including anecdotes previously unpublished photographs and full color studies of the artwork *Margaret Wise Brown* Leonard S. Marcus,1999-09-22 Margaret Wise Brown the author of Goodnight Moon and dozens of other children s classics all but invented the picture book as we know it today Combining poetic instinct with a profound empathy for small children she knew of a child s need for security love and a sense of being at home in the world and she brought that unique tenderness to the page Yet these were comforts that eluded her Brown s youthful presence and professional success as an editor bestselling author and self styled impresario masked an insecurity that left her restless and vulnerable In this moving biography Marcus portrays Brown s complex character and her tragic seesaw life Her literary achievement and groundbreaking discoveries about small children s emotional needs were offset by tormented romances including a passionate relationship with Michael Strange the celebrity socialite once married to John Barrymore **The Publishers Weekly** ,1997 **100 Best Books for Children** Anita Silvey,2004 By selecting only 100 best books Silvey distinguishes her guide from all the others and makes it possible to give young readers their literary heritage in the childhood years **Only Margaret** Candice Ransom,2021-10-12 When Halley s comet arrived in 1910 so did an extraordinary person Margaret Wise Brown Margaret had a boundless imagination and a gift for spinning stories Most grown ups thought children s books were frivolous and silly but Margaret didn t agree Could writing stories for children be important work a incredible way to share truth beauty and wonder Other people might call Margaret strange and sometimes her own worries and doubts felt overwhelming But only Margaret and her original ideas could lead to Goodnight Moon The Runaway Bunny and other classics beloved by children around the world From smuggling rabbits onto trains to scribbling stories about island whispers Margaret embraced adventure in life and on the page This whimsically illustrated biography shares how an independent fun loving woman became a trailblazing pioneer of the picture book form Alabama Department of Education Alabama Children s Choice Camellia Award 2 3 Nonfiction Nominee 2022 2023 **More Words about Pictures** Perry Nodelman,Naomi Hamer,Mavis Reimer,2017-05-08 This volume represents the current state of research on picture books and other adjacent hybrid forms of visual verbal texts such as comics graphic novels and book apps with a particular focus on texts produced for and about young people When Perry Nodelman s Words about Pictures the Narrative Art of Children s Picture Books was published almost three decades ago it was greeted as an important contribution to studies in children s picture books and illustration internationally and based substantially on it Nodelman has recently been named the 2015 recipient of the International Grimm Award for children s literature criticism In the years since Words About Pictures appeared scholars have built on Nodelman s groundbreaking text and have developed a range of other approaches both to picture books and to newer forms of visual verbal texts that have entered the marketplace and become popular with young people The essays in

this book offer more words about established and emerging forms of picture books providing an overview of the current state of studies in visual verbal texts and gathering in one place the work being produced at various locations and across disciplines Essays exploring areas such as semiological and structural aspects of conventional picture books graphic narratives and new media forms and the material and performative cultures of picture books represent current work not only from literary studies but also media studies art history ecology Middle Eastern Studies library and information studies and educational research In addition to work by international scholars including William Moebius Erica Hateley Nathalie op de Beeck and Nina Christensen that carries on and challenges the conclusions of Words about Pictures the collection also includes a wide ranging reflection by Perry Nodelman on continuities and changes in the current interdisciplinary field of study of visual verbal texts for young readers Providing a look back over the history of picture books and the development of picture book scholarship More Words About Pictures also offers an overview of our current understanding of these intriguing texts

*Stories Rabbits Tell* Susan E. Davis, Margo DeMello, 2003-08 Revered as a symbol of fertility sexuality purity and childhood beloved as a children's pet and widely represented in the myths art and collectibles of almost every culture the rabbit is one of the most popular animals known to humans Ironically it has also been one of the most misunderstood and abused Indeed the rabbit is the only animal that our culture adores as a pet idolizes as a storybook hero and slaughters for commercial purposes *Stories Rabbits Tell* takes a comprehensive look at the rabbit as a wild animal ancient symbol pop culture icon commercial product and domesticated pet In so doing the book explores how one species can be simultaneously adored as a symbol of childhood think Peter Rabbit revered as a symbol of female sexuality e.g. Playboy Bunnies dismissed as a dumb bunny in domesticity and loathed as a pest in the wild The authors counter these stereotypes with engaging analyses of real rabbit behavior drawn both from the authors own experience and from academic studies and place those behaviors in the context of current debates about animal consciousness In a detailed investigative section the authors also describe conditions in the rabbit meat fur pet and vivisection industries and raise important questions about the ethics of treating rabbits as we do The first book of its kind *Stories Rabbits Tell* provides invaluable information and insight into the life and history of an animal whom many love but whom most of us barely know As such it is a key addition to the current thinking on animal emotions intelligences and welfare and the way that human perceptions influence the treatment of individual species

**Radical Change** Eliza T. Dresang, 1999 Proposing a conceptual framework for evaluating hand held books Dresang information studies Florida State U explains how books are changing along with developments in digital information and how librarians teachers and parents can recognize and use books to create connections for and among young people using digital concepts and designs that emphasize multilayered nonlinear stories and information Annotation copyrighted by Book News Inc Portland OR **Adventuring with Books: A Booklist for Pre-K** National Council of Teachers of English, Urbana, IL., 2000 Books that expand children's horizons and stimulate their imaginations are the focus of this 12th edition an

annotated bibliography of selected children's books published between 1996 and 1998. The 20 chapters in the book contain traditional and nontraditional categories of literature: Stories of the Universe, From Questions and Observations to Discoveries and Inventions, Our Changing World, Exploring Our Past, Families, Struggle and Survival, School Life, Literacy, Picture Books, Mathematics, Poetry, Fine Arts, Sports, Games and Hobbies, The Craft of Language, Passages, Profiles and Puzzles, Fantasy Literature, Making the Impossible Possible, African and African American Voices and Experiences, Asian American and Hawaii Pacific Voices and Experiences, Hispanic/Latino American and Latino American Voices and Experiences, Native American Voices and Experiences, Gender Issues, Spunky, Clever, Caring and Endearing Girls and Boys in Children's Literature, and Supporting Critical Conversations in Classrooms. New to this edition are extensive reviews of selected books giving additional information on children's comments and reactions, ways the books have been used in the classroom, and other ideas about sharing the books with children. Introductions to each chapter by the teachers/librarians, university faculty, school age and university students, and parents who collaborated in choosing the books share their processes, the issues they dealt with, and the decisions they made about the books in their section. Books are indexed by author, illustrator, subject, and title. RS

## **Making Of Goodnight Moon A 50th Anniversary Retrospective Introduction**

In today's digital age, the availability of Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Of Goodnight Moon A 50th Anniversary Retrospective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Of Goodnight Moon A 50th Anniversary Retrospective books and manuals for download and embark on your journey of knowledge?
