Recovering Your Story Arnold Weinstein, 2007-12-18 Great art discovers for us who we are writes eminent literature professor and critic Arnold Weinstein in this magisterial new book about how we can better uncover and understand our own stories by reading five major modern writers Professor Weinstein author of the highly acclaimed *A Scream Goes Through the House* has spent a lifetime guiding students through the work of great writers and in a volume that crowns his career Weinstein invites us to discover ourselves our perceptions our dreams our own elusive deepest stories in the masterpieces of modernist fiction Marcel Proust James Joyce Virginia Woolf William Faulkner the very names sound intimidating Yet as Weinstein argues with wit and passion the works of these authors and of their contemporary heir Toni Morrison are in fact shimmering mirrors of our own inner world and most intimate thoughts Novels such as *Remembrance of Things Past* *Ulysses* *Mrs Dalloway* *To the Lighthouse* *The Sound and the Fury* *Absalom Absalom* and *Beloved* allow us to explore the inner worlds of human feeling and bring us face to face with our own deepest selves and desires Weinstein decodes these great novels and he shows how to read them to understand human beings the way our minds and hearts actually work This is what Weinstein means by recovering your story Weinstein illuminates the complex pleasures woven into these peerless narratives Beneath the slow sensual cadences of Proust he finds an edgy erotic tension as well as a remarkably crisp depiction of the timeless world inside the self Joyce's *Ulysses* in Weinstein's brilliantly original reading is a protean linguistic experiment that forces us to view both our bodies and our minds in a radically new and hilariously funny light His analysis of Virginia Woolf's *Mrs Dalloway* and *To the Lighthouse* circles back again and again on Woolf's depiction of the importance of relationships in knowing the self Faulkner argues Weinstein is at once our greatest tragedian and our darkest comedian a novelist who captures both the agony and absurdity of consciousness in a time of social and moral disintegration Finally in Toni Morrison's

Beloved Weinstein explores the legacy of modernism in a contemporary novel as Morrison brings the body into the literary picture confronting how the body affects not only our fundamental concept of self but also consciousness itself In this magnificent work of literary appreciation and exploration Weinstein makes the astonishing discovery of the self as a part of the joy of reading great modernist fiction even as he makes these powerful works understandable accessible indeed imperative for all adventurous readers

Willingness to Die and the Gift of Life Paul K.-K. Cho,2022-09-08 One particularly challenging aspect of the Hebrew Bible is its treatment of various forms of voluntary death suicide suicide attack martyrdom and self sacrifice How can people of faith make sense of the ways biblical literature at times valorizes these sensitive and painful topics *Willingness to Die and the Gift of Life* surveys a diverse selection of Hebrew Bible narratives that feature characters who express a willingness to die including Moses Judah Samson Esther Job Daniel and the suffering servant of Isaiah 53 The challenging truth uncovered is that the Hebrew Bible while taking seriously the darker aspects of voluntary death nevertheless time and again valorizes the willingness to die particularly when it is for the sake of the group or in faithful commitment to God Many biblical authors go so far as to suggest that death willingly embraced can unlock immense power endowing the willing with the charism necessary to lead opening the possibility of salvation and even paving the way for resurrection into a new more glorious life Paul K K Cho s unflinching analysis raises and wrestles with provocative questions about religious extremism violent terrorism and suicidal ideation all of which carry significant implications for the biblically grounded life of faith today Cho carefully situates the surveyed texts in their original cultural context discussing relevant topics such the shame and honor culture of ancient Israel and the importance attached to the group over the individual Closing with an epilogue that reflects on the surprising issue of whether biblical authors considered God to be capable of dying or being willing to die Cho s fascinating study showcases the multifaceted relationship between death and life in the Hebrew Bible

A Special Scar Alison Wertheimer,2013-08-15 Every 85 minutes someone in the UK takes their own life and the suicide rate is currently the highest since 2004 Society often reacts with unease fear and even disapproval but what happens to those bereaved by a self inflicted death The reasons leading someone to take their own life are complex and the bereavement reactions of survivors of suicide can also be complex including shame guilt sadness and the effects of trauma stigma and social isolation It can be difficult for those personally affected by a suicide death to come to terms with their loss and seek help and support *A Special Scar* looks in detail at the impact of suicide and offers practical help for survivors relatives and friends of people who have taken their own life Fifty bereaved people tell their stories showing us that by not hiding the truth from themselves and others they have been able to learn to live with the suicide offering hope to others facing this traumatic loss This Classic Edition includes a brand new introduction to the work and will be an invaluable resource for survivors of suicide as well as for all those who are in contact with them including police and coroner s officers bereavement services self help organisations for survivors mental health professionals social workers GPs counsellors and

therapists *Death in Yellowstone* Lee H. Whittlesey,2014-01-07 The chilling tome that launched an entire genre of books about the often gruesome but always tragic ways people have died in our national parks this updated edition of the classic includes calamities in Yellowstone from the past sixteen years including the infamous grizzly bear attacks in the summer of 2011 as well as a fatal hot springs accident in 2000 In these accounts written with sensitivity as cautionary tales about what to do and what not to do in one of our wildest national parks Whittlesey recounts deaths ranging from tragedy to folly from being caught in a freak avalanche to the goring of a photographer who just got a little too close to a bison Armchair travelers and park visitors alike will be fascinated by this important book detailing the dangers awaiting in our first national park
