The Heart of the Fight Judith Wright,Bob Wright,2016-02-02 In the midst of a disagreement many couples may ask themselves What are we really fighting about As it turns out breakups and divorce don t happen because couples fight they happen because of how couples fight In this much needed book Judith and Bob Wright two married counselors and coaches with over thirty years of experience helping couples learn how to fight well present their tried and true methods for exploring the emotions that underlie many relationship fights Readers will learn how to use disagreements as an opportunity to deepen their understanding of their partner bring more intimacy to the relationship strengthen their bond and learn from the conflicts and tensions that occur in all relationships     *New York Magazine* ,1990-11-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea     The Loss of a Life Partner Carolyn Ambler Walter,2003 Through discussions of various theories of grief narratives of the bereaved obtained in interviews with 22 men and women case study analysis and chapter summaries this text integrates the literature about and the bereavement experiences of partners in varying types of relationships     **The New Couple** Maurice Taylor,Seana McGee,2000-01-01 Offers ten laws for couples to help transcend traditional power based relationship paradigms from a model based on fulfilling the needs of both members     *Los Angeles Magazine* ,2000-12 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the

National Railroad Adjustment Board, **The Nurture Assumption** Judith Rich Harris, 2011-10-25 A NEW YORK TIMES NOTABLE BOOK How much credit do parents deserve when their children turn out well How much blame when they turn out badly Judith Rich Harris has a message that will change parents lives The nurture assumption the belief that what makes children turn out the way they do aside from their genes is the way their parents bring them up is nothing more than a cultural myth This electrifying book explodes some of our unquestioned beliefs about children and parents and gives us a radically new view of childhood Harris looks with a fresh eye at the real lives of real children to show that it is what they experience outside the home in the company of their

peers that matters most Parents don't socialize children children socialize children With eloquence and humor Judith Harris explains why parents have little power to determine the sort of people their children will become The Nurture Assumption is an important and entertaining work that brings together insights from psychology sociology anthropology primatology and evolutionary biology to offer a startling new view of who we are and how we got that way Ladies' Home Journal ,1925
