*Teamsters and Turtles?* John C. Berg, 2003 After decades of single issue movements and identity politics on the U S left the series of large demonstrations beginning in 1999 in Seattle have led many to wonder if activist politics can now come together around a common theme of global justice This book pursues the prospects for progressive political movements in the 21st century with case studies of ten representative movements including the anti globalization forces environmental interest groups and new takes on the peace movement

**Aging in East and West** Dr. Vern L. Bengtson, PhD, Kyong-Dong Kim, PhD, George Myers, PhD, Ki-Soo Eun, PhD, 2000-09-20 Widely recognized experts present the first comparative analysis of recent developments among six Eastern and Western nations concerning population aging and its consequences Chapters focus on demographic trends sociocultural contexts and policy implications Nations selected as case studies include the People's Republic of China the Republic of Korea Japan Germany the United Kingdom and the United States The editors and contributors call attention to the varied trajectories and effects of population aging in culturally diverse societies that are often at different stages or on different paths of economic development Such analyses bring into sharper focus those conditions that are unique or similar and emphasize the ways in which cultural stereotypes of aging and the elderly complicate our understanding of the effects of world wide population aging

**New Directions in Saskatchewan Public Policy** David McGrane, 2011 In this new scholarly compilation by David P McGrane established and emerging trends in Saskatchewan public policy are the foundation for setting new directions for the province in the 21st century In what direction should Saskatchewan be headed in the 21st century To answer this question academics from various disciplines at the University of Regina and University of Saskatchewan have come together to produce *New Directions in Saskatchewan Public Policy* the first edited book exclusively devoted to public policy in the province with chapters discussing taxation immigration agriculture urban affairs poverty reduction the social economy labour aging Aboriginal public administration and climate change The authors provide an analysis and description of the current policies of the current government and also look back to explore what the Romanow and Calvert governments did in these areas The overarching theme of the book is that despite the province's robust economic growth significant public policy challenges remain for the Saskatchewan provincial government The lesson is that economic growth does not magically solve entrenched societal problems and that economic prosperity will dissipate if worrisome social trends are left unchecked While many scholarly books shy away from prescription the authors of this book include sections in their chapters that set out new directions for policy development As such the book not only contains solid analysis of the

present policy situation but also offers concrete ideas for future policy makers

*The SAGE Handbook of Social Gerontology* Dale Dannefer, 2010-09-14 This volume reflects the emergence of ageing as a global concern including chapters by international scholars from Asia Australasia Europe and North America It provides a comprehensive overview of key trends and issues in the field drawing upon the full range of social science disciplines The Handbook is organized into five parts each exploring different aspects of research into social aspects of ageing Disciplinary overviews summaries of findings from key disciplinary areas within social gerontology Social relationships and social differences topics include social inequality gender and ageing the role of religion inter generational ties social networks and friendships in later life Individual characteristics and change in later life chapters in this section examine different aspects of individual aging including self and identity cognitive processes and biosocial interactions and their impact on physical and psychological aging Comparative perspectives and cultural innovations topics in this section include ageing and development ageing in a global context migration and cross cultural perspectives on grandparenthood Policy issues The final section examines some of the main policy concerns affecting older people across the world Topics include developments in social policy long term care technology and older people end of life issues work and retirement crime and older people and the politics of old age This will be essential reading for all students researchers and policy makers concerned with the major issues influencing the lives of older people across the globe

learn from the experiences of their counterparts in Europe and North America      **AARP** Christine L. Day, 2017-10-19 This examination of the history development activities successes and limitations of the largest membership organization in the country will be of interest to anyone who belongs to or is curious about this sometimes controversial group AARP is one of Washington's most influential interest groups but just who does it represent To some it represents the narrow special interests of older Americans who already consume more than their share of government benefits To others its advocacy encompasses everyone including those with elderly parents and grandparents and those who will comprise the older generations of the future The most comprehensive volume ever written about AARP the book begins with a chapter on the organization's history going back to its founding in 1958 and its roots in the National Retired Teachers Association established in 1947 Readers will learn about AARP's membership and chapter activities including how it grew to be the largest membership organization in the country Perhaps even more engrossing is the book's investigation of the nature and extent of AARP's political influence and its positions and priorities as it struggles to represent a large and diverse constituency Finally the study discusses AARP's organizational model which combines political advocacy business and charity and probes the controversies arising from what AARP's critics charge are conflicts of interest      *The Encyclopedia of Aging* Linda S. Noelker, PhD, Kenneth Rockwood, MD, FRCP, Richard L. Sprott, Ph.D., 2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field's most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging SPRINGER SERVING THE HEALTHCARE AND HELPING PROFESSIONS FOR MORE THAN 55 YEARS      *Aging, Society, and the Life Course* Leslie A. Morgan, Suzanne R. Kunkel, 2011-03-15 Doody's Score 91 4 Stars This book's unfading preoccupation with social context social processes and social structures distinguishes itself and greatly contributes to the discourse in gerontology The Gerontologist This is a comprehensive textbook for both undergraduate and graduate level courses detailing the impact of societal forces on the

aging process The book focuses on the diversity of the older population examining it from micro macro perspectives in order to understand aging and the life course as social phenomena This latest edition examines significant changes in the field of social gerontology such as the paradigms of aging and the life course the baby boomer cohorts as they approach retirement and later life the growing interest in global aging and civic engagement This text encourages students to examine aging from personal familial community societal and global perspectives including both the positive and negative realities of aging Key Features Provides websites of interest at the end of each chapter Presents provocative essays on love sex music medicine and crime to further expand on chapter contents Provides review questions and key terms as study guides at the end of each chapter

Rural Housing, Exurbanization, and Amenity-Driven Development Mark Lapping, 2016-04-15 Rural America is progressing through a dramatic and sustained post industrial economic transition For many traditional means of household sustenance gained through agriculture mining and rustic tourism are giving way to large scale corporate agriculture footloose and globally competitive manufacturing firms and mass tourism on an unprecedented scale These changes have brought about an increased presence of affluent amenity migrants and returnees as well as growing reliance on low wage seasonal jobs to sustain rural household incomes This book argues that the character of rural housing reflects this transition and examines this using contemporary concepts of exurbanization rural amenity based development and comparative distributional descriptions of the haves and the have nots Despite rapid in migration and dramatic changes in land use there remains a strong tendency for communities in rural America to maintain the idyllic small town myth of large lot single family home ownership This neglects to take into account the growing need for affordable housing both owner occupied and rental properties for local residents and seasonal workers This book suggests that greater emphasis be placed in rural housing policies that account for this rapid social and economic change and the need for affordable rural housing alternatives
