Liu,Christoph Luetge,Aurelio de Prada García,2018-05-07 The theme arises from the legal academic movement Law and Literature This newly developed field should aim at two major goals first to investigate the meaning of law in a social context by questioning how the characters appearing in literary works understand and behave themselves to the law law in literature and second to find out a theoretical solution of the methodological question whether and to what extent the legal text can be interpreted objectively in comparison with the question how literary works should be interpreted law as literature The subject of justice and injustice has been covered not only in treatises of law and philosophy but also in many works of literature On the one hand poets and writers have been outraged at the social conditions of their time On the other hand some of them have also contributed fundamental reflections on the idea of justice itself **What a Piece of Work** Helen

300 billion to wage the war on drugs three times what it cost to put a man on the moon In *Drug Crazy* journalist Mike Gray offers a scathing indictment of this financial fiasco chronicling a series of expensive and hypocritical follies that have benefited only two groups professional anti drug advocates and drug lords The facts are alarming More than twenty five years ago a presidential committee determined that marijuana is neither an addictive substance nor a stepping stone to harder drugs but the embarrassing final report was shelved by a government already heavily invested in the war against drugs Many medical experts recommend simply prescribing drugs to addicts and communities that have done this report a lower crime rate and reduced unemployment among drug users In a riveting account of how we got to this impasse discriminatory policies demonization of users grandstanding among both lawmakers and lawbreakers conventional wisdom is turned on its head Rather than a planned assault on the scourge of addiction the drug war has happened almost by accident and has been continually exploited by political opportunists A gripping account of the violence corruption and chaos characterizing the drug war since its inception Mike Gray's incisive narrative launches a frontal attack on America's drug orthodoxy His overview of the battlefield makes it clear that this urgent debate must begin now **The Quran Speaks**

Bahis Sedq, 2018-02-14 Even those who dispute the Quran do not question that it is in its original form This enables one to

travel back in time to take a closer look at the Prophet Muhammad who is amongst the most towering personalities in history This book avails that priceless chance to reconstruct his life based on evidence as well preserved as the Quran It also explores the Quran s message on issues ranging from justice and women to the treatment of other religions to see if the disconnect between certain Islamic practices and the modern world is based on misreading of the Quran Among other topics the book assesses the claims that the Quran is a scientific miracle contains no inconsistencies and is a masterpiece of literature and also discusses the controversial incident of the Satanic verses in light of disclosures in the Quran The effort is to gain a holistic understanding of possibly the most influential book of all time The author has chosen to write under a penname Seeker of the Truth but remains optimistic of disclosing his identity in the future He does not doubt that a vast majority of Muslims would allow him to express the views noted in this book which are founded on the Quran Sedq uses many different translations of the Quran to present the material as clearly and sensibly as possible Bottom line This is an intriguing engaging look at a religion still misunderstood by many in the West It is bound to provoke heated debate Blueink Review A searching look at the teachings of the Quran Sedq takes up several common assertions about the Quran and subjects them to a scholarly thorough and often refreshingly cant free contemporary analysis that takes modern social norms and literary scholarship into account Sedq offers an interpretative look at the Quran that curious minds of all faiths will find fascinating Kirkus Reviews What s the most interesting or important book to come out recently about the Islamic world The Quran Speaks by Bahis Sedq a hugely important book by a scholar of Islam who is to my mind the most sophisticated of all the dissidents in the Muslim world He could be the Muslim Luther if there were only a way to keep him safe Ayaan Hirsi Ali in The New York Times
