Tracy Chevalier

New Essays By Henry Fielding His Contributions To The Craftsman 1734 1739 Other Early Journalism:

New Essays by Henry Fielding Henry Fielding, Martin C. Battestin, 1989-01-01 This book aims to demonstrate Fielding's authorship of 41 essays published anonymously in *The Craftsman* from 1734 to 1739. Fielding's connection with *The Craftsman*, the leading opposition journal of the Walpole era, has never been established, nor has anyone suspected how regular and prolonged it was.

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic such as sermons, aphorisms, individual major works, notable writers, and periodicals that created a market for essays and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings, list of additional readings, and anthologies.

A Henry Fielding Companion Martin C. Battestin, 2000-06-30 Best remembered as the author of *Joseph Andrews* (1742), *Tom Jones* (1749), and *Amelia* (1751), Henry Fielding was one of the most important pioneering English novelists of the eighteenth century, and his works continue to occupy a central place in the literary canon. During the 1730s, he was the most dominant playwright in London, and since John Dryden, in his official capacity as a magistrate, he addressed serious social problems and invented the modern metropolitan police. This reference book makes essential information available to readers interested in Fielding's life and his works. The volume is organized in sections devoted to such topics as Fielding's residences, his family members, and household historical persons, including authors who influenced him, his works, themes, and topics important to his writings and characters in his plays and prose fiction. Each section contains numerous entries on particular items, and many entries provide brief bibliographical information. While the sectional organization of the volume invites the reader to explore broad areas of interest, a thorough index provides convenient alphabetical access to the entries. A brief introductory essay and chronology begin the volume, and the book concludes with an extensive bibliography.

Reconstructing Contexts Robert D. Hume, 1999 This book attempts to justify and theorize old historicism, defining archaeo-historicism as a method by which scholars can reconstruct past context in order to apply it to the interpretation of works and events of that time. If such reconstruction is to be more than wildly impressionistic, it must be grounded in hard evidence handled according to clear rules. In this intriguing and rigorous analysis, Robert Hume identifies legitimate objects for reconstruction and proposes procedures and principles by which such interpretation may be pursued. He then examines the failures of the same method, which works only when adequate evidence can be found. In particular, Hume flatly denies the intellectual legitimacy of literary history as it is commonly practised and attempts to disentangle such history from the practice of historicism. The final chapter is devoted to a cogent discussion of how archaeo-historicism relates to various forms of contemporary theory. Hume offers a profusion of examples of good and bad historicist reconstruction and interpretation, drawing largely on English literature, but

also on American and other world literatures theatre history and music theory Although addressed primarily to literary critics this wide ranging and bold work will be of interest to historians and cultural critics as well *A Political Biography of Henry Fielding* J A Downie,2015-10-06 Existing accounts of Fielding s political ideas are insufficiently aware of the structure of politics in the first half of the eighteenth century and of the ways in which Whig political ideology developed following the Revolution of 1688 This political biography explains and illustrates what being a Whig meant to Fielding Contributions to The Champion and Related Writings Henry Fielding,2003 This volume completes the edition s coverage of Henry Fielding s journalism which occupied a far greater part of his time than has been traditionally acknowledged His contributions to The Champion are not only among his most energetic and intriguing works in the genre they also have a dense political background of interest to historians studying the interface between journalism and politicians of the time as well as the role of newspaper publishers Walpole figures hugely and the extent to which Fielding hints at the minister s life and activities is remarkable Much of the volume s material has never been reprinted before Explanatory annotations are full as the characteristically allusive and topical nature of Fielding s writing requires Appendices provide an analytical textual apparatus and the editorial introductions emphasize matters such as genesis and composition circumstances of publication in addition to immediate biographical literary and historical backgrounds **Henry Fielding (1707-1754)** Claude Julien Rawson,2008 This book throws important light on the fiction drama and society of eighteenth century England as reflected in the career of one of its greatest writers Henry Fielding 1707 1754 It explores the range of Henry Fielding s career as one of the early masters of the English novel the leading English playwright of his day and an influential political journalist magistrate and social thinker **BOOK JACKET The Cultural Politics of Opera, 1720-1742** Thomas McGeary,2024-09-24 Explores the intersection of the world of opera literature and partisan politics to show how Italian opera was put to use in the culture wars of the day This last of a trilogy of books on opera and politics in Britain examines the cultural politics of opera during the ministerial reign of Sir Robert Walpole from 1720 to 1742 The book explores the intersection of the world of opera literature and partisan politics to show how Italian opera with its associations with the court ministry and Britain s social political elite was put to use in the culture wars of the day how Italian opera was used for partisan political advantage how political work could be accomplished by means of opera It shows that attacks on opera had ulterior targets The book surveys a range of often overlooked verse and prints to show how critique or satire of opera were a means for oppositional writers to delegitimize the Walpole ministry Polemicists framed opera as a consequence of the corruption luxury and False Taste generated by Walpole s ministry It closes in the watershed year 1742 Handel had produced the last of his Italian operas the previous year Walpole fell from power and Alexander Pope published the last book of his Dunciad project *The Rise of Robert Dodsley* Harry M. Solomon,1996 The new biography of the publisher and bookseller who premiered the work of Alexander Pope and Samuel Johnson deftly integrates Dodsley s life story with the literary transition from court patronage to

the age of print that paved the way for the Romantic movement of the 19th century Solomon English Auburn U details the unique circumstances that led Dodsley from his position as a weaver's apprentice to his career as a playwright culminating in his last incarnation as one of the most influential literary forces of his time Annotation copyright by Book News Inc Portland OR

Justice Henry Fielding's Influence on Law and Literature Dr. Claudine L. Maria-Julia Boros, 2010-07-28 This book presents and analyzes Magistrate Justice of the Peace Henry Fielding's impact on law and literature through his pamphlets periodicals and novels in the context of laws legal affairs legal administration and the social economic political and legal environment present in 18th century England I demonstrate and argue that among novels of all time the most extensive and diversified coverage of laws Justices of Peace lawyers crimes and the socio economic environment particularly rural 18th century England Of all the noteworthy 18th century novelists or fiction writers Justice Henry Fielding is the only one who was also a jurist This book is also focused on demonstrating how extensively Fielding was consumed throughout his life and the area of law from his early age to his death but with a far broader spectrum education and experience than anyone except perhaps Lord High Chancellor Hardwicke and Sir William Blackstone Justice Henry Fielding traveled a long and diversified path in the legal arena to reach the level of expertise which he deployed in providing his public with Tom Jones Amelia and Joseph Andrews as well as his journals and political pamphlets

Henry Fielding In Our Time J. A. Downie, 2020-11-09 Henry Fielding In Our Time publishes many of the papers presented at the international conference held at the University of London 19-21 April 2007 to commemorate the tercentenary of his birth Written by established scholars including the acknowledged doyen of Fielding scholars Martin C Battestin of the University of Virginia as well as younger scholars who successfully bring their recent research to bear on neglected areas of Fielding's life and works the essays offer a cross section of current approaches to Fielding and his writings from his ballad operas poetry and political journalism via Joseph Andrews Tom Jones and Amelia the novels for which he is still best known to the social pamphlets written during his years at Bow Street as magistrate for Westminster and Middlesex The collection should appeal both to undergraduate and postgraduate students as well as academics and general readers interested in the eighteenth century in general and Fielding's contribution to the emergence and development of the novel form in particular

Henry Fielding H. Pagliaro, 1998-05-11 Henry Fielding A Literary Life characterizes Fielding's complex personality in some ways full of contradiction and yet resolved both by a deep knowledge of human nature including his own and by his innate social constructiveness and his gift for friendship and love The book also details ways in which Fielding's complex attitudes contribute to the subject matter of his plays and novels and to the rhetorical strategies that control their shape as well It further shows that his work as lawyer London magistrate and social and political essayist was similarly informed

Prophecy, Politics and the People in Early Modern England Tim Thornton, 2006 Thornton also sheds light on areas where popular culture and politics were uneasily interlinked the powerful political influence of those outside elite groups the variations in political culture across the country

and the considerable continuing power of mystical supernatural and non rational ideas in British social and political life into the nineteenth century Jacket *The Plays of Henry Fielding* Albert J. Rivero, 1989 Henry Fielding was one of the most interesting playwrights of his time because of his historical position similar to that of George Bernard Shaw and his awareness of what it meant to be a playwright at a time when the native dramatic tradition appeared to have settled down for a long sleep and when the only hope for an awakening lay in such low crowd pleasers as farces puppet shows laughing tragedies and ballad operas By focusing on the plays themselves Rivero tells the story of Fielding's dramatic career without burdening the reader with an exhaustive history of contemporary plays and playwrights He provides us with a clear critical account of Fielding's dramatic career in terms of trends in contemporary dramatic affairs that help to account for his artistic choices in individual plays Henry Fielding Martin C Battestin, 2023-05-09 First published in 1989 Henry Fielding is a

biography presenting a fresh interpretation of Fielding's life and thought Using newly discovered information including new facts three hitherto unknown pictures of Fielding drawn from life documents manuscripts and many crucially important and engrossing new letters Martin C Battestin the foremost Fielding scholar illuminates every aspect of Fielding's life and work Fielding and the life he led in the West Country at Eton at the University of Leyden and in the theatres and brothels sponging houses and police courts of London make for fascinating reading This authoritative and timely biography will appeal to all those interested in the society and literature of eighteenth century England **Revisiting Shakespeare's Lost Play**

Deborah C. Payne, 2017-02-02 This collection of essays centres on Double Falsehood Lewis Theobald's 1727 adaptation of the lost play of Cardenio possibly co authored by John Fletcher and William Shakespeare In a departure from most scholarship to date the contributors fold Double Falsehood back into the milieu for which it was created rather than searching for traces of Shakespeare in the text Robert D Hume's knowledge of theatre history permits a fresh take on the forgery question as well as the Shakespeare authorship controversy Diana Solomon's understanding of eighteenth century rape culture and Jean I Marsden's command of contemporary adaptation practices both emphasise the play's immediate social and theatrical contexts And finally Deborah C Payne's familiarity with the eighteenth century stage allows for a reconsideration of Double Falsehood as integral to a debate between Theobald Alexander Pope and John Gay over the future of the English drama

Miscellanies Henry Fielding, 1997 Volume Three of Henry Fielding's Miscellanies is devoted entirely to one of his major works of fiction The History of the Life of the late Mr Jonathan Wild the Great an ironic political satire on false greatness Like others in the Wesleyan Fielding series the present edition which follows the original version of 1743 rather than Fielding's later revision includes an historical introduction an authoritative text and textual introduction and full explanatory notes

A Cultural History of Comedy in the Age of Enlightenment Elizabeth Kraft, 2021-12-30 This volume highlights the variety of forms comedy took in England with reference to developments in Europe particularly France during the European Enlightenment It argues that comedy in this period is characterized by wit satire and humor provoking both laughter and

sympathetic tears Comic expression in the Enlightenment reflects continuities and engagements with the comedy of previous eras it is also noted for new forms and preoccupations engendered by the cultural philosophical and political concerns of the time including democratizing revolutions increasing secularization and growing emphasis on individualism Discussions emphasize the period's stage comedy and acknowledge comic expression in various forms of print media including the emerging literary form we now know as the novel Contributions from scholars reflect a wide variety of interests in the field of 18th century studies and the inclusion of a generous number of illustrations throughout demonstrates that the period's visual culture was also an important part of the Enlightenment comic landscape Each chapter takes a different theme as its focus form theory praxis identities the body politics and power laughter and ethics These eight different approaches to Enlightenment comedy add up to an extensive synoptic coverage of the subject *The Public's Open to Us All* Laura Engel, 2020-10-27 *The Public's Open to Us All* Essays on Women and Performance in Eighteenth Century England considers the relationship between British women and various modes of performance in the long eighteenth century From the moment Charles II was restored to the English throne in 1660 the question of women's status in the public world became the focus of cultural attention both on and off the stage In addition to the appearance of the first actresses during this period female playwrights novelists poets essayists journalists theatrical managers and entrepreneurs emerged as skillful and often demanding professionals In this variety of new roles eighteenth century women redefined shifting notions of femininity by challenging traditional representations of female subjectivity and contributing to the shaping of eighteenth century society's attitudes tastes and cultural imagination Recent scholarship in eighteenth century studies reflects a heightened interest in fame the rise of celebrity culture and new ways of understanding women's participation as both private individuals and public professionals What is unique to the body of essays presented here is the authors focus on performance as a means of thinking about the ways in which women occupied negotiated re imagined and challenged the world outside of the traditional domestic realm The authors employ a range of historical literary and theoretical approaches to the connections among women and performance and in doing so make significant contributions to the fields of eighteenth century literary and cultural studies theatre history gender studies and performance studies *Attributing Authorship* Harold Love, 2002-06-20 Recent literary scholarship has seen a shift of interest away from questions of attribution Yet these questions remain urgent and important for any historical study of writing and have been given a powerful new impetus by advances in statistical studies of language and the coming on line of large databases of texts in machine searchable form The present book is the first comprehensive survey of the field from a literary perspective to appear for forty years It covers both traditional and computer based approaches to attribution and evaluates each in respect of their potentialities and limitations It revisits a number of famous controversies including those concerning the authorship of the Homeric poems books from the Old and New Testaments and the plays of Shakespeare Written with wit as well as erudition *Attributing Authorship* will make this

intriguing field accessible for students and scholars alike
