

# New Jersey

**John T. Cunningham**

## **New Jersey:**

Encyclopedia of New Jersey Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey     This is New Jersey John T. Cunningham, 1994 The extraordinary diversity of New Jersey is captured in this revised and up to date edition of This Is New Jersey for forty years a classic and one of the most popular books ever written about the state History current problems and opportunities for the future are skillfully blended in a book that makes it clear that there is a lot more to the state than can be imagined by those who speed through it on any of New Jersey s numerous interstates or railways Ranking forty sixth in size but sixth in population New Jersey is the most urban and densely populated of the fifty states In spite of that the state truly deserves its nickname Garden State and it has a large recreation industry John T Cunningham examines the state county by county from the hill country to the city belt from the dairy farms to the Jersey shore Historically settlement in New Jersey goes back to the Lenni Lenape Indians to the colonists and to the state s place as the crossroads of the American Revolution To those who do not know the state s byways and quiet towns it appears that highways abound Yet there are also many thousands of acres of precious woodland preserved by park commissions in Essex and Union counties In northern New Jersey alone there are more than a million acres of hardwood forests In southern New Jersey over a million acres of the fascinating Pinelands account for almost a quarter of the total state area New Jersey is a land of lakes and mountains of fishing docks and two hundred year old houses of farms and factories of old universities and new commuting towns This fourth edition retains the popular pictures of each county courthouse the heart of county history and administration This fully redesigned edition is enhanced by several four color and over 100 black and white illustrations by noted New Jersey photographer Walter Choroszewski

*New Jersey* R. Conrad Stein, 1998 Describes the geography plants animals history economy religions culture sports arts and people of the Garden State     The New Jersey Coast in Three Centuries William Nelson, 1902     Prominent Families of New Jersey William Starr Myers, 2000     **New Jersey** Maxine N. Lurie, Richard F. Veit, 2012-11-07 New Jersey A History of the Garden State presents a fresh comprehensive overview of New Jersey s history from the prehistoric era to the present The findings of archaeologists political social and economic historians provide a new look at how the Garden State has evolved The state has a rich Native American heritage and complex colonial history It played a pivotal role in the American Revolution early industrialization and technological developments in transportation including turnpikes canals and railroads The nineteenth century saw major debates over slavery While no Civil War battles were fought in New Jersey most residents supported it while questioning the policies of the federal government Next the contributors turn to industry urbanization and the growth of shore communities A destination for immigrants New Jersey continued to be one of the most diverse states in the nation Many of these changes created a host of social problems that reformers tried to minimize during the Progressive Era Settlement houses were established educational institutions grew and utopian communities were founded Most notably

women gained the right to vote in 1920 In the decades leading up to World War II New Jersey benefited from back to work projects but the rise of the local Ku Klux Klan and the German American Bund were sad episodes during this period The story then moves to the rise of suburbs the concomitant decline of the state s cities growing population density and changing patterns of wealth Deep seated racial inequities led to urban unrest as well as political change including such landmark legislation as the Mount Laurel decision Today immigration continues to shape the state as does the tension between the needs of the suburbs cities and modest amounts of remaining farmland Well known personalities such as Jonathan Edwards George Washington Woodrow Wilson Dorothea Dix Thomas Edison Frank Hague and Albert Einstein appear in the narrative Contributors also mine new and existing sources to incorporate fully scholarship on women minorities and immigrants All chapters are set in the context of the history of the United States as a whole illustrating how New Jersey is often a bellwether for the nation

The Irish in New Jersey Dermot Quinn,2004 Since Irish immigrants began settling in New Jersey during the seventeenth century they have made a sizable impact on the state s history and development As the budding colony established an identity in the New World the Irish grappled with issues of their own What did it mean to be Irish American and what role would Irishness play in the creation of an American identity In this richly illustrated history Dermot Quinn uncovers the story of how the Irish in New Jersey maintained their cultural roots while also laying the foundations for the social economic political and religious landscapes of their adopted country Quinn chronicles the emigration of families from a conflict torn and famine stricken Ireland to the unfamiliar land whose unwelcoming streets often fell far short of being paved with gold Using case histories from Paterson Jersey City and Newark Quinn examines the transition of the Irish from a rejected minority to a middle class secular and suburban identity The Irish in New Jersey will appeal to everyone with an interest in the cultural heritage of a proud and accomplished people

**Black New Jersey** Graham Russell Gao Hodges,2018-10-01 Winner of the 2019 Richard P McCormick Prize from the New Jersey Historical Commission Black New Jersey tells the rich and complex story of the African American community s remarkable accomplishments and the colossal obstacles they faced along the way Drawing from rare archives historian Graham Russell Gao Hodges brings to life the courageous black men and women who fought for their freedom and eventually built a sturdy and substantial middle class He explores how the state s unique mix of religious artistic and cultural traditions have helped to produce such world renowned figures as Paul Robeson Cory Booker and Queen Latifah as well as a host of lesser known but equally influential New Jersey natives

*More Forgotten Towns of Southern New Jersey* Henry Charlton Beck,1963 From Colonial days to the early 1900s iron forges glass plants lumber and paper mills flourished in the New Jersey of the Pine Barrens in old Burlington Gloucester and Salem Counties Around the inlets of the Atlantic shore and on Delaware Bay whaling and shipbuilding were important industries Times have changed Many of the old towns have fallen into ruin or disappeared swallowed up in the abandoned lands of South Jersey or swept away by the unrelenting tides of the Jersey coast Henry Charlton Black raised in Haddonfield

for years shared his endless delight in the land and the lore of South Jersey He like a few other devoted Jerseyans began to hunt out in the 1930s the old sites and to record the stories handed down from generation to generation clear back to early settlers In this sequel to *Forgotten Towns of Southern New Jersey* his visits to the state's early heritage churches villages and roads are continued He explores the routes of old railroads and the tangled wilderness of the Forked River Mountains and he tells the lost stories of forgotten glass and iron and shipbuilding villages

**Flyfisher's Guide to New Jersey** Tom Gilmore, 2019-08-22 Few states can offer the angling diversity that New Jersey can which is why Tom Gilmore and Wilderness Adventures Press bring you the brand new Flyfisher's Guide to New Jersey New Jersey's Highlands are reminiscent of New England and its fall foliage rivals that of Vermont and New Hampshire Its glacial lakes provide year round fishing for salmonid species like rainbow brown and lake trout and even landlocked salmon The freestone trout streams found in New Jersey's Ridge and Valley physiographic province rival those found in the nearby Pocono and Catskills Mountains and it even has a smattering of limestone spring creeks The state's Pinelands harbor countless bass and pickerel lakes as well as crappies New Jersey also has 127 miles of ocean front beaches with ample public access Its back bays estuaries and tidal wetlands serve as nurseries for its many saltwater gamefish Inshore and offshore opportunities for tuna bluefish marlin and more are also covered Gilmore's 50 plus years of first hand fishing knowledge guides readers as to where when and how to catch over 30 species of gamefish Over 200 freshwater and saltwater locations are covered in this guide alongside dozens of detailed maps with GPS coordinates for access points public and private lands boat ramps campgrounds access roads and more Flyfisher's Guide to New Jersey is a must read for every fisherman not just flyfisherman who lives in or plans to visit New Jersey Yes you can flyfish in New Jersey Learn all about it with the Flyfisher's Guide to New Jersey

*New Jersey: Spotlight on Government* League of Women Voters of New Jersey, 1969 *A Guide to New Jersey's Revolutionary War Trail* Mark Di Ionna, 2000 Hit the road with journalist Mark DiIonna as he takes you on a tour of New Jersey's extraordinary Revolutionary War history Listing more than 350 historic sites throughout the state DiIonna has compiled the most complete guide ever to the Revolutionary War in the Garden State New Jersey's role in the Revolutionary War is widely overlooked Every school kid learns about the Boston Tea Party but not the Greenwich tea burning and about the miserable winter at Valley Forge but not Jockey Hollow Schools fund class trips to Philadelphia's Independence Hall but not Princeton's Nassau Hall To find history in New Jersey all you need is DiIonna's book as your guide His easy to read volume helps readers explore the cities and the countryside from Bergen to Cape May County to find out exactly what happened there during the Revolutionary War While previously published books center on the highlights Fort Lee and Washington's retreat across the state victories at Trenton and Princeton the brutal winter encampment at Jockey Hollow and the Battle of Monmouth DiIonna fills in the blanks Battlefields churches homes of the famous and infamous cemeteries parks taverns liberty poles bridges creeks hills museums encampment sites lighthouses historical societies walking trails monuments plaques if it played a part

in or commemorates the Revolutionary War in New Jersey DiIonno tells you what happened there the personalities involved and how to see it for yourself The sites are conveniently cataloged by county with a helpful summary of the area s war history beginning each chapter Each entry lists the town and directions to each site and where appropriate a complete address telephone numbers and hours of operation Both public and private sites are described and DiIonno advises readers of which private sites tours can be arranged     *The Industrial Directory of New Jersey* New Jersey. Bureau of Statistics and Records,1909     **Documents Relating to the Colonial History of the State of New Jersey** New Jersey Historical Society,1918     New Jersey Politics and Government Barbara G. Salmore,Stephen A. Salmore,2008-01-17 As the United States moves toward becoming a nation of suburbs New Jersey is a place more Americans should get to know The challenges it has overcome and those it continues to face provide lessons that will help states across the country address the struggles of providing quality education protecting the environment improving the quality of life and accommodating a multicultural society while sustaining growth and opportunity Written by two of the most respected political analysts in the state this is the only book available that provides a comprehensive overview of politics and government in New Jersey This thoroughly revised third edition published for the first time by Rutgers University Press also highlights recent scandals within the government and the high profile of the governorship     **New Jersey, a Guide to Its Present and Past** Federal Writers' Project of the Works Progress Administration for the State of New Jersey,1939     **Acts of the General Assembly of the State of New Jersey** New Jersey,1856     Documents Relating to the Colonial History of the State of New Jersey New Jersey Historical Society,1885     *Documents of the ... Legislature of the State of New Jersey* New Jersey. Legislature,1888     *Roll of Honor* United States. Quartermaster's Dept,1868
