New Labours Pasts The Labour Party And Its Discontents:

The Struggle for Labour's Soul Matt Beech, Kevin Hickson, Raymond Plant, 2018-06-14 The election of the most left wing Labour Party Leader since 1945 followed by the Party's third consecutive general election defeat and the ongoing cultural divisions around Brexit present an ideal opportunity for a thorough re-evaluation of the state of the Party within its broader ideological and historical context This second edition of this highly respected book analyses the current developments and places them in their historical setting through a clear three part framework of Ideological Positions Struggles and Commentaries Thoroughly updated and featuring contributions by leading academics and politicians it continues to represent one of the most ground breaking and thorough analyses of Labour's political thought in a generation and will be of key interest to scholars students and observers of British Politics British History Party Politics and the Labour Party Canadian Unionist, 1927 **Life and Labor Bulletin**, 1922 Rethinking Labour's Past Nathan Yeowell, 2022-01-13 The Labour Party after Jeremy Corbyn is charting a new direction Here Nathan Yeowell has brought together a remarkable array of contributors to provide expert insight into twentieth century British history and Labour politics and how they might shape thinking about Labour's future Reframing the span of Labour history and its effects on contemporary British politics the book provides fresh thinking and analysis of various traditions themes and individuals These include the shifting significance of 1945 the need for more grounded interpretations of Tony Blair's legacy and the enduring importance of place identity and aspiration to the evolution of the party Contributions from leading historians such as Patrick Diamond Steven Fielding Ben Jackson Glen O'Hara and Florence Sutcliffe Braithwaite are supplemented by those with experience of Labour electoral politics such as Rachel Reeves and Nick Thomas Symonds The result is an intellectually rich and politically relevant roadmap for Labour's future **New Labour's Pasts** James Cronin, 2008 Where other books are either highly partisan dismissals or appreciations of the Third Way or dull sociological accounts this book gets behind the clichés in order to show just what is left of Labour party ideology and what the future may hold New Labour has changed the face of Britain Culture class education health the arts leisure the economy have all seen seismic shifts since the 1997 election that raised Blair to power The Labour that rules has distanced itself from the failed Labour of the 70s and 80s but the core remains Labour remains gripped by its own past unable and unwi *The whole works of ...
