New Life After Divorce The Promise Of Hope Beyond The Pain:

New Life After Divorce Bill Butterworth, 2005-05-17 It's the End of Your Marriage Not Your Life Few experiences bring more pain than divorce Like the death of a loved one divorce plunges us into grief and loneliness heartache and depression Perhaps worst of all divorce makes us believe that all that is meaningful and joyful has come to an end Do not believe it Better Days Are Just Ahead You already know that divorce is one of the greatest challenges you will ever face Yet it also can trigger tremendous growth in several key areas including your relationships the way you see yourself and how you live out your faith No one is calling divorce a blessing But it is something that you will live through and that can help to powerfully transform you into the person God has created you to be Whether you are in the earliest stages of divorce are newly single again are processing an earlier divorce or know someone whose marriage is ending *New Life After Divorce* offers encouragement and hope that this new life will be a good life and the promise that healing strength purpose and joy are around the corner

Christian Divorce Wars Dr. Sharon Smith-Koen, 2013-07-22 There is a war going on in the Christian realm and conservative churches across the nation choose to ignore and avoid hoping the turmoil will subside if we just pretend it does not exist *Christian Divorce Wars* is a book written from the heart of a woman once ripped apart by the ravishing of a divorce war that left her and her children trapped in a dug out of despair Although not a biographical portrait the book gives the reader a glimpse of the hurt and desperation of the wounded soldiers caught in this often overlooked war which rages within the walls of the sophisticated church The reader is taken on a journey from Genesis to Revelation and given an introspective view of God's most treasured creation man and woman and why he looks with tear swelled eyes on parental disputes and the children caught in the crossfire The reader is also given a scope of how divorce has

corralled its way through Gods Bride the church leaving a trail of emotionally dead soldiers in its tracks The book is chock full with research that brings one to the conclusion that divorce is an epidemic easily spread as the church continues to overlook the signs and symptoms The book reveals the Biblical counselor as the assistant necessary to bring the divorce war to a screeching halt when sought after by soldiers in the heat of the battle The reader is given a panoramic view of God as healer forgiver and friend who while looking at the divorce decree slams the gavel of His Word declaring Divorce Denied

addiction to drugs and alcohol While an important part of the process of overcoming addiction true recovery is for all of us who are tired of anything that may be destroying our lives It is for all of us who want to stop living in grief fear anxiety guilt and shame It is for all of us who want to separate ourselves from the issues of the past And it is for those of us who want to turn our will and our life over to a sovereign God who loves and forgives us Our hope is that through this study will help you to strengthen your faith and grow closer to Him

Raw life changing and inspired Kerby and McCraigh connect us to the power that changes lives Dean Angell Senior Pastor Lakeview Church Canada No matter how badly we've messed up our lives this book shows we don't have to be alone Judy Mrs Larry Burkett Awesome book I have been in recovery since the mid 80s I have checked out different Christian recovery books but I really like this the best It is written very plainly with a clear message of biblical truth One of the things that I most like about it is that it is not oriented to any particular addiction Instead it is written more from a perspective that we all struggle in life and this workbook applies to whatever your issues are It is a good book for everyone for those who recognize their brokenness and for those who don't For those who are church-ed and for those who are not It has a really comforting message and points us to the love of God Jim shows how God can bring healing and restoration to broken lives And more importantly they show that He can use us even now even in the midst of our brokenness God does not expect us to clean up to come to Him He wants us to come to Him and allow Him to clean us up I highly recommend this workbook
