# New Life For Old On Desire And Becoming Human

**Donald Capps**

## **New Life For Old On Desire And Becoming Human:**

**New Life for Old** Vincent MacNamara, 2004 MacNamara takes as his starting point the human condition specifically human desire He considers the desires that drive us the patterns we develop and the disappointments we suffer He leads us into an awareness of deeper desires the domain of soul and spirit He goes on to highlight the relationship between desire and religious faith and between desire and moral life He sees the way forward as one of mindfulness and considers the possibilities of such a lifestyle in modern culture He engages with psychology philosophy and theology to offer an integrated vision of the different aspects of human living     Receptive Ecumenism and the Call to Catholic Learning Paul Murray, 2010-05-06 This volume proposes a fresh strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other's gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesiologists professional ecumenists sociologists psychologists and organizational experts     **Men, Religion, and Melancholia** Donald Capps, 1997-01-01 It is not by coincidence that the key figures in the psychology of religion William James Rudolf Otto Carl Jung and Erik Erikson each fought a lifelong battle with melancholia argues Donald Capps in this engrossing book These four men experienced similar traumas in early childhood each perceived a loss of mother's unconditional love In the deep melancholy that resulted they turned to religion Capps contends that the main impetus for men to become religious lies in such melancholia and that these four authors were typical although their losses were especially severe because of complicating personal circumstances Offering a new way of viewing the major classics in the psychology of religion Capps explores the psychological origins of these authors' own religious visions through a sensitive examination of their writings     **Becoming Human** Brian C. Taylor, 2005-04-25 Christians and non Christians alike have long recognized that Jesus' life was characterized by vibrancy love commitment clarity and joy We all yearn to share in these traits and by studying Jesus we can discern that he sees in us the potential to become as he was After all Jesus didn't go around asking people to believe certain things about him he invited them to follow him into the

abundant life he wanted to share Brian C Taylor focuses on the fresh immediate liberating quality of what Jesus had to say about life His guidance about how to live struck me to the core Taylor writes Taylor s succinct summations of what Jesus taught Don t worry Love everybody Help the poor Become simple Face into conflict Change the world Forgive yourself for being human and so on provide the basis for this series of reflections on the transformative wisdom that inspired those who had ears to hear to drop everything and follow him Jesus continues to astonish and transform those who hear him and

**Becoming Human** is a deep well of wisdom for any who wish to give glory to God by becoming fully alive **A Declaration of Christian Truth** Randy Gingrich,2022-11-21 Truth Repentance Glory RevivalThis book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life The author s teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of God s Word The value of understanding the Bible blossoms in the beauty of God s glory as the wisdom of the Lord applies his truth to our everyday life A much needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation It builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational Theologically it is equivalent to a four year Bible College Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics Many false beliefs and misconceptions are dealt with while God s Word is taught in clarity The book shares breakthrough insight on many subjects of the Bible that are hard to understand Also there is significant teaching on the born again experience the constitution of the Christian or who we are in Christ the baptism with the Holy Spirit authentic worship and much more This is a textbook for the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God s will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it s all related Most chapters start fresh with new topics and developing themes There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God s Word while attempting to satisfy the Bible College graduate There is much teaching today that has obscured the true meaning and application of Scripture placed a veil over the heart of believers and deprived Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group **Being Human, Being Migrant** Anne Sigfrid Grønseth,2013-10-01 Migrant experiences accentuate general aspects of the human condition Therefore this volume explores migrant s movements not only as geographical movements from here to there but also as movements that constitute an embodied cognitive and existential experience of living in between or on the borderlands between differently figured life worlds Focusing on memories nostalgia the here and now social experiences of daily living
