**Discipline While You Can** James C. Dobson,1978-01      Family Matters Hilde Løvdal Stephens,2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson s principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family s Crusade for the Christian Home by Hilde L vdal Stephens is an insightful history and analysis of James Dobson s rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L vdal Stephens scoured through Dobson s books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson s reign L vdal Stephens s discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson s celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family      **Temper Your Child's Tantrums** James C. Dobson,2014 Does it sometimes feel like your child s moods are controlling you Have you ever been embarrassed in public by your kids behavior but weren t sure how to handle it Do you long for a more calm and peaceful home without yelling and fighting This is the book for you In Temper Your Child s Tantrums parenting expert Dr James Dobson offers the essential keys to correcting a child in a firm loving and understanding way      **Virgin Nation** Sara Moslener,2015-06-01 First taking hold of the American cultural imagination in the 1990s the sexual purity movement of contemporary evangelicalism has since received considerable attention from a wide range of media outlets religious leaders and feminist critics Virgin Nation offers a history of this movement that goes beyond the Religious Right demonstrating a link between sexual purity rhetoric and fears of national decline that has shaped American ideas about morality since the nineteenth century Concentrating on two of

today's best known purity organizations True Loves Waits and Silver Ring Thing Sara Moslener's investigation reveals that purity work over the last two centuries has developed in concert with widespread fears of changing traditional gender roles and sexual norms national decline and global apocalypse Moslener highlights a number of points in U S history when evangelical beliefs and values have seemed to provide viable explanations for and solutions to widespread cultural crises resulting in the growth of their cultural and political influence By asserting a causal relationship between sexual immorality national decline and apocalyptic anticipation leaders have shaped a purity rhetoric that positions Protestant evangelicalism as the salvation of American civilization From the purity reformers of the nineteenth century to fundamentalist leaders such as Billy Graham and Carl F H Henry Moslener illuminates the evolution of a strain of purity rhetoric that runs throughout Protestant evangelicalism

**The Anointed** Randall J. Stephens, Karl W. Giberson, 2012-07-09 Why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith Exploring intellectual authority within evangelicalism the authors reveal how the concept of anointing being chosen by God to speak for him established a conservative evangelical leadership isolated from secular arts and sciences

*Cannibal Fictions* Jeff Berglund, 2006 Objects of fear and fascination cannibals have long signified an elemental otherness an existence outside the bounds of normalcy In the American imagination the figure of the cannibal has evolved tellingly over time as Jeff Berglund shows in this study encompassing a strikingly eclectic collection of cultural literary and cinematic texts *Cannibal Fictions* brings together two discrete periods in U S history the years between the Civil War and World War I the high water mark in America's imperial presence and the post Vietnam era when the nation was beginning to seriously question its own global agenda Berglund shows how P T Barnum in a traveling exhibit featuring so called Fiji cannibals served up an alien other for popular consumption while Edgar Rice Burroughs in his Tarzan of the Apes series tapped into similar anxieties about the eruption of foreign elements into a homogeneous culture Turning to the last decades of the twentieth century Berglund considers how treatments of cannibalism variously perpetuated or subverted racist sexist and homophobic ideologies rooted in earlier times Fannie Flagg's novel Fried Green Tomatoes invokes cannibalism to new effect offering an explicit critique of racial gender and sexual politics an element to a large extent suppressed in the movie adaptation Recurring motifs in contemporary Native American writing suggest how Western expansion has cannibalistically laid the seeds of its own destruction And James Dobson's recent efforts to link the pro life agenda to allegations of cannibalism in China testify still further to the currency and pervasiveness of this powerful trope By highlighting practices that preclude the many from becoming one these representations of cannibalism Berglund argues call into question the comforting national narrative of e pluribus unum
