Mary and Grandmother Spider Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension In rediscovering the celestial origins of our souls we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation *Unworried* Dr. Gregory
