New Earth Of The New Man:

The Beginning of God Joshua Olumoye,2023-10-13 God is without beginning and is without end but when the bible says he is the beginning and the end bible is referring to the beginning of his project and the end of his project Particularly the beginning and the end of the living creatures angels and the human beings We all begin with him but we will end up either in heaven or hell good or bad respectively Bible says all things were created by God good and evil Isaiah 45 7 This book reveals the relationship between the creator and the creatures from beginning to the end and the reason why God created evil and good *Earth's Coming Glory and Man's Future Home. Abraham,2011-04-13 In this book I have consciously deliberated on the predominant question of the problem of evil and with the help of the World Scriptures and with sound reasoning I have tried to solve this age old mystery We are in the New Millennium Currently many great social transformations are taking place in our world Most likely these changes will help us find the true path for self realization leading us all back to God Therefore I am sure this book would be of tremendous value to readers Generally process of regeneration is slow it may last the whole millennium nevertheless it is imminent The fact that the above said kingdom of God or peace on earth is the most desired objective of history is the evidence of its being not only non mythical but a realistic aspiration of God and man Jesus in the above Bible verse prompts us to recognize the seasons of our age *A Complete Concordance to the Bible of the Last Translation ... God in our Nature Peter Kenneth Stevenson, 2007-09-01 Arguably the leading Scottish theologian of the nineteenth century John McLeod Campbell s theology is much criticized and often misunderstood Previous accounts have tended to overlook both his sermons and his Christology This reassessment of his thought breaks new ground by offering a detailed study of his sermons and by identifying the distinctive Christology which contributes to a clearer understanding of his doctrine of atonement Drawing upon the full range of Campbell s work *God in our Nature* brings to light a trinitarian theologian whose pilgrimage represents a journey within evangelicalism rather than a departure from the evangelical fold
