Hodder, 2008-10-01 When Henry David Thoreau died in 1862 friends and admirers remembered him as an eccentric man whose outer life was continuously fed by deeper spiritual currents But scholars have since focused almost exclusively on Thoreau's literary political and scientific contributions This book offers the first in depth study of Thoreau's religious thought and experience In it Alan D Hodder recovers the lost spiritual dimension of the writer's life revealing a deeply religious man who despite his rejection of organized religion possessed a rich inner life characterized by a sort of personal experiential nature centered and eclectic spirituality that finds wider expression in America today At the heart of Thoreau's life were episodes of exhilaration in nature that he commonly referred to as his ecstasies Hodder explores these representations of ecstasy throughout Thoreau's writings from the riverside reflections of his first book through Walden and the later journals when he conceived his journal writing as a spiritual discipline in itself and a kind of forum in which to cultivate experiences of contemplative non attachment In doing so Hodder restores to our understanding the deeper spiritual dimension of

Thoreau's life to which his writings everywhere bear witness **America's Sketchbook** Kristie Hamilton, 1998 In her comprehensive study of American sketch writing Kristie Hamilton gives new insight into the powers of mass market intimacy more personal and home like than home and into leisure which as a component of middle class identity is quite as imperative in its achievement as disciplined morality Here also is a more complex story of the aesthetic as a class inflected realm in which factory women and rural and urban middle class authors debate the shape of literature and life Cartographies of Tsardom Valerie Ann Kivelson, 2006 By studying 17th century maps Kivelson sheds light on Muscovite Russia the relationship of state and society the growth of an empire the rise of serfdom and the place of Orthodox Christianity in society OCLC
