New England Skiing:

Traveling the Old Ski Tracks of New England E. John B. Allen, 2022-11-18 For over a century New Englanders have taken to the slopes in search of ways to enjoy the coldest months and skiing has deep roots in the region In the late nineteenth century Scandinavian immigrants worked to educate snowbound locals on how to ski make equipment and prepare trails Soon thereafter colleges across the Northeast built world class ski programs massive jumps were constructed in Brattleboro and Berlin and dozens of ski areas big and small cropped up from the 1930s through the 1980s Traveling the Old Ski Tracks of New England offers a fascinating history of downhill cross country and backcountry skiing across the region and its leading personalities Moving from popular destinations like Stowe Cannon Bromley and Mount Washington to the less intimidating hills surrounding Boston Rhode Island and Connecticut E John B Allen also recovers the forgotten stories of ski areas that have been abandoned in the face of changing tastes and a warming climate [New England Skiing](#)

E. John B. Allen, 1997-12 Skiing in New England has not always been such a breathtaking sport connected with winter vacations at distant and local resorts From the early 1870s Norwegian Swedish and Finnish immigrants utilized skis to carry the mail and to travel through the woods to school and work Later a group of college men at Dartmouth founded the Outing Club which transformed skiing from everyday practicality into swift moving recreation Since that time the excitement and exhilaration of skiing has spread nationwide In this volume we will explore the history of skiing in this region from its early simpler days of cross country and jumping to the rising popularity of alpine skiing beginning in the 1930s Rather than a technical history this book concentrates on presenting a story that is fluid like the sport itself focusing on places personalities and major innovations between the early 1870s and 1940 [The Insider's Guide to the Best Skiing in New England, 2nd](#)
