New Faber Of Childrens Verse:

From Tongue to Text: A New Reading of Children's Poetry Debbie Pullinger, 2017-05-04 The connection between childhood and poetry runs deep And yet poetry written for children has been neglected by criticism and resists prevailing theories of children's literature Drawing on Walter Ong's theory of orality and on Iain McGilchrist's work on brain function this book develops a new theoretical framework for the study of children's poetry From Tongue to Text argues that the poem is a multimodal form that exists in the borderlands between the world of experience and the world of language and between orality and literacy places that children themselves inhabit Engaging with a wide range of poetry from nursery rhymes and Christina Rossetti to Michael Rosen and Carol Ann Duffy Debbie Pullinger demonstrates how these tactful works are shaped by the dynamics of orality and textuality

The Faber Book of Children's Verse Janet Adam Smith, 1968 **The New Oxford Book of Children's Verse** Neil Philip, 1998 Like its predecessor Iona and Peter Opie's Oxford Book of Children's Verse this is an anthology of poetry written for children It begins in the eighteenth century and ends in 1995 with the emphasis on modern work and the explosion of talent that has emerged on both sides of the Atlantic in the last 25 years This is a book bursting with vitality and variety over 350 poems by more than 200 poets in which narrative poems concrete verse and performance poetry with poems of the classroom and playground Acute observation and language new made inform all these poems which represent the ethnic and cultural diversity of contemporary writing for children ranging from African American and Aborigine to Caribbean Black British and New Zealand and Canadian Familiar names such as Edward Lear Christina Rossetti Rudyard Kipling and A A Milne happily lead on to new generations Charles Causley Ted Hughes Roger McGough Allan Ahlberg Jackie Kay and many more The result is an exuberant anthology whose contents speak with humour passion and insight to the child reader it is a pudding packed with plums

The Aesthetics of Children's Poetry Katherine Wakely-Mulroney, Louise Joy, 2017-11-01 This collection gives sustained attention to the literary dimensions of children's poetry from the eighteenth century to the present While reasserting the importance of well known voices such as those of Isaac Watts William Blake Lewis Carroll Christina Rossetti A A Milne and Carol Ann Duffy the contributors also reflect on the aesthetic significance of landmark works by less frequently celebrated figures such as Richard Johnson Ann and Jane Taylor Cecil Frances Alexander and Michael Rosen Scholarly treatment of children's poetry has tended to focus on its publication history rather than to explore what comprises and why we delight in its idiosyncratic pleasures And yet arguments about how and why poetic language might appeal to the child are embroiled in the history of children's poetry whether in Isaac Watts emphasising the didactic efficacy of like sounds William Blake and the Taylor sisters revelling in the beauty of semantic ambiguity or the authors of nonsense verse jettisoning sense to thrill their readers with the sheer music of poetry Alive to the ways in which recent debates both echo and repudiate those conducted in earlier periods The Aesthetics of Children's Poetry investigates the stylistic and formal means through which children's poetry in theory and in practice

negotiates the complicated demands we have made of it through the ages **The Columbia Granger's Guide to Poetry Anthologies** William A. Making Poetry Happen Sue Dymoke, Myra Barrs, Andrew Lambirth, Anthony Wilson, 2015-01-29 UKLA Academic Book Award 2016 Highly Commended Making Poetry Happen provides a valuable resource for trainee and practicing teachers enabling them to become more confident and creative in teaching what is recognized as a very challenging aspect of the English curriculum The volume editors draw together a wide range of perspectives to provide support for development of creative practices across the age phases drawing on learners and teachers perceptions of what poetry teaching is like in all its forms and within a variety of contexts including inspiring young people to write poems engaging invisible pupils especially boys listening to poetry performing poetry Throughout the contributors include practical tried and tested materials including activities and draw on case studies This approach ensures that the theory is clearly linked to practice as they consider teaching and learning poetry to those aged between 5 and 19 from different perspectives looking at reading writing speaking and listening and transformative poetry cultures Each of the four parts includes teacher commentaries on how they have adapted and developed the poetry activities for use in their own classroom *Poems Please! 2nd Edition* Bill Moore, David Booth, 2003 This innovative resource includes tools for classroom management that range from assessment techniques to tips for choosing and displaying poems Drafting and Assessing Poetry Sue Dymoke, 2003-01-28 This excellent book provides the reader with comprehensive coverage of all aspect of poetry teaching The book does more than inform us it inspires profound reflection on the best ways it support poetry writing and draws us into the debate about assessment driven curriculum School Librarian A must for trainee teachers and English departments Booktrusted News Drafting and Assessing Poetry is thoroughly researched and shows how attitudes towards teaching of poetry and indeed the place of poetry on the syllabus has changed with political fashion over the years but more importantly Sue Dymoke shows how a handful of contemporary poets go about drafting their work and sees this process as an essential tool in the classroom advocating that students should keep drafting notebooks just like real writers Getting students or indeed members of writing groups to understand that one draft of a poem may not be the final or best work they can produce will never be a problem again Writing in Education Sue Dymoke s book is a much needed antidote to the ubiquitous guides to poetry analysis This book is well worth reading for its clarity and wealth of ideas Bethan Marshall TES Teacher Magazine Every English department should buy this remarkably comprehensive book Inspiring approaches for teaching children to write poetry are clearly described Sue Dymoke draws upon her extensive experience as a poet English teacher and researcher to explore the place of writing poetry in English lessons and examinations Her unique insights into both the writing and teaching of poetry should prove invaluable to English teachers Dr Mark Pike Lecturer in English Education and Head of PGCE English University of

Leeds It is a useful book a theoretical text but with a practical focus which makes it very readable and interesting to teachers of young people particularly but also to teachers of adults and indeed in parts to poetry writers themselves particularly those interested in working in schools or simply curious about the general process of drafting and evaluating poetry County Lit Nottinghamshire County Council Literature Newsletter Drafting and Assessing Poetry offers a range of teaching strategies for developing students poetry writing skills and guidance about assessment approaches Critical commentaries combine with illustrations of successful classroom practice to consider this essential but under explored aspect of English teaching Based on theory but with a practical dimension the book engages readers in current critical debates about poetry teaching and its place in an assessment driven curriculum This book is for reflective practitioners including trainee teachers who want to develop their understanding of poetry teaching and to gain insights which will inform classroom practice It will also be useful for literacy co ordinators teacher educators and other advisory staff in the field of English teaching Children's Literature M.O. Grenby,2014-04-14 Provides a thorough history of British and North American children s literature from the 17th century to the present dayNow fully revised and updated this new edition includes nbsp a new chapter on illustrated and picture books and includes 8 illustrations nbsp an expanded glossary an updated further reading section Children s Literature traces the development of the main genres of children s books one by one including fables fantasy adventure stories moral tales family stories school stories children s poetry and illustrated and picture books Grenby shows how these forms have evolved over 300 years and asks why most children s books even today continue to fall into one or other of these generic categories Combining detailed analysis of particular key texts and a broad survey of hundreds of books written and illustrated for children this volume considers both long forgotten and still famous titles as well as the new classics of the genre all of them loved by children and adults alike but also fascinating and challenging for the critic and cultural historian Key Featuresnbsp Broad historical rangenbsp Coverage of neglected as well as well known textsnbsp Focus on the main genres of children s literaturenbsp Thoroughly up to date in terms of primary texts and critical material Challenging the Gifted Child Margaret Stevens,2008-10-15 This book outlines an approach for encouraging able children to focus their active minds in a productive way and discover the joy of reading It encourages the development of independent learning skills and will help parents and educators to create a personalized reading programme for a gifted child at home or small groups of children in school Teaching Poetry in the Primary School David Carter,2013-11-26 First Published in 1999 Based on the author s experience of teaching poetry to children for more thirty years this book offers guidance on engaging young children minds in poetry in line with the Literacy Hour **The New Faber Book of Children's Verse** Matthew Sweeney,2001 This anthology contains poems by authors from many different backgrounds cultures and geographies including A A Milne Lewis Carroll Seamus Heaney Ted Hughes and Carol Ann Duffy It is compiled by Matthew Sweeney one of today s most original poets writing for children **The SAGE Handbook of Writing Development** Roger Beard,Jeni Riley,Debra Myhill,Martin

Nystrand,2009-07-23 By drawing on international cross phase and cross disciplinary research perspectives this book offers a comprehensive review of writing development invaluable for researchers and practitioners alike **From the Garden to the Street** Morag Styles,1997-06-01 From John Bunyan s country rhymes to rude chants about Manchester United from Ted Hughes to Edward Lear and from William Blake to the Taylor sisters Morag Styles covers three hundred years of poetry with infectious enthusiasm and a keen critical eye In this scholarly and fascinating book she provides an informative account of the history of poetry written for children in Britain and America in the last three centuries She analyses the major poets genres and developments over this period and traces the continuities between the past and the present Styles asks fundamental questions which have often been left unanswered What do we mean by children s poetry Why did such a seemingly small number of women write poetry for children until recently The author subscribes to the widest possible definition of poetry and so the reader will find in this book hymns songs playground rhymes raps and verse whether trivial or profound From the Garden to the Street will provoke inform and entertain academics of children s literature those who teach it in the classroom and all of us who still take pleasure in the poetry of childhood **Delivering the Framework for Teaching English** Michael Ross,Keith West,2001-09 Responding to the demands of the Framework for Teaching English Years 7 9 within the context of the revised National Curriculum the Level Best series offers a carefully structured and motivating approach to English for 11 to 14 year olds Making clear the purpose and structure of each unit and the skills being developed the books offer opening questions for discussion in small groups and provide opportunities throughout to learn in a variety of ways Encouraging students throughout to examine and explain how they reached their conclusions the series provides plenty of support in order to increase confidence and achievement It aims to guide students towards realistic targets by encouraging reflection on what has been learnt during the course of each unit before moving on to the next level The Teacher Resource Books provide extensive support including suggestions for teaching styles model answers and photocopiable worksheets *Inspiring Children to Read and Write for Pleasure* Fred Sedgwick,2010-10-04 A marvellous book of great practical value James Carter The lack of interest in reading for pleasure amongst large numbers of primary age pupils put off by mechanical worksheet driven approaches is a cause for major concern amongst education professionals and parents However Inspiring Children to Read and Write for Pleasure from writer journalist and education commentator Fred Sedgwick uses the context of literature to illuminate and inform the teaching of literacy in the primary classroom and inspire children to a love of books Aimed at Year 4 5 and 6 primary pupils but also significant as a transitions text to teaching secondary school pupils this book shows how children s fluency in language their thinking their talking their reading their listening and their writing can be greatly improved and enriched through contact with literature placed in an understandable context With both focus on prose and poetry primary pupils will be introduced to using grammar syntax and sentence construction skills in meaningful contexts Through the use of inspiring case studies schedules of work and practical

classroom applications as well as literary figures like Dickens Coleridge Carroll Rossetti and Shakespeare primary school children can enjoy reading and writing again With a number of sample passages to use teaching guidelines and examples of children s work this book will be of great interest to literacy coordinators practicing Primary PGCE and Key Stage 2 teachers and those on BA Primary B Ed courses
