Separation Revisited Celia Downes,2019-05-23 First published in 1992 this book draws on attachment theory to offer a framework for understanding adolescents reactions to the experience of being fostered It discusses the three way relationship between adolescents their birth families and their foster families The experiences of joining a new school or finding work going missing and returning and leaving the foster family at the end of the placement are explored It identifies aspects of family functioning which appear to be helpful or unhelpful to fostered adolescents and considers the functioning of the wider care system and the role of professionals in it The book is grounded in the day to day experiences of twenty three families who fostered adolescents who would previously have been considered unfosterable These experiences were vividly expressed by the adolescents and foster families and provide rich illustrative material **Residential Care** Torill

Tjelflaat,2017-03-02 Discussing key contemporary issues in residential and foster care for children this theoretically and empirically rich volume draws on new research from across Europe and Canada Contributions stem from a broad spectrum of researchers and practitioners in the field engaging in comparative international perspectives of problems of enduring relevance This book particularly focuses on anti oppressive practice foster care mainstreaming in education ethnic origin competency level and research as a tool in residential care The book will make a significant impact to the literature on social work and child and family welfare The Well-Being, Peer Cultures and Rights of Children Loretta E. Bass,David A.

Kinney,2011-07-19 This volume is comprised of empirical research and theoretical papers about children s well being children and youth peer cultures and the rights of children and youth These empirical studies include children s voices and experiences from four continents and a range of methodological and theoretical orientations Children Today ,1990

The Experience of Emerging Adulthood Among Street-Involved Youth Doug Magnuson,Mikael Jansson,Cecilia Benoit,2021 This volume utilizes the emergent adulthood framework to further our understanding of marginalized youth in contemporary societies Using longitudinal data the authors outline the fundamental characteristics of emerging adulthood through the lens of stories of street involved youth **Connecting Children with Classics** Meagan Lacy,Pauline

Dewan,shady radical,2018-03-14 This guide identifies hundreds of books that can help children develop into engaged readers

Children's librarians collection development specialists in public libraries as well as K-8 school librarians and teachers will choose from the best in children's titles. This unique readers advisory and collection development guide for librarians and others who work with children focuses on readers and their needs rather than simply categorizing books by their characteristics and features as traditional literature guides do. Taking this unusual perspective brings forth powerful new tools and curricular ideas on how to promote the classics and how to best engage with young readers and meet their personal and emotional needs to boost interest and engagement. The guide identifies seven reader-driven appeals or themes that are essential to successful readers advisory: awakening new perspectives, providing models for identity, offering reassurance, comfort, strength, and confirmation of self-worth, connecting with others, giving courage to make a change, facilitating acceptance, and building a disinterested understanding of the world. By becoming aware of and tapping into these seven themes, librarians and other educators can help children more deeply connect with books, thereby increasing the odds of becoming lifelong readers. The detailed descriptions of each book provide plot summaries as well as notes on themes, subjects, reading interest levels, adaptations, and alternative formats, translations, and read-alikes. This informative guide will also aid librarians in collection development and bibliotherapy services.

Fostering Adolescents Elaine Farmer, Sue Moyers, Jo Lipscombe, 2004. Based on government commissioned research and part of the Supporting Parents initiative, this book addresses each stage of the care process from placement selection to leaving foster care. The authors consider which kinds of professional support at which stages make a difference and the foster carer parenting skills that are crucial.

DreamWeaver Storybook Carl L. Adams, 2011-08-31. Glimpses of the past many times, those flashbacks of yesteryear will spin threads of wishful contemplation for our tomorrows. Some images of the past we want to forget while most of them we treasure in our memories. Those memories are foundations for launching the dreams which can carry us onward toward a great destiny. DreamWeaver Storybook is a collection of true life short stories from various facets of life from humor to the unexplained. Little cowboys, dinosaurs, guardian angels, the hereafter, animals, heroes, ghosts, life and death, lost at sea, UFOs, and dreams coming true are but a few of the story topics from life contained within this book. All of them being true will grasp the mind for wanting more tales of yesteryear for lacing the present with better dreams of tomorrow. Embedded within every story are valuable principles needed for traveling this pathway called life. Even though some of the stories contain humor and oddities of reality, ethics surprisingly shine through within the flow of story lines. Journey with the author through the many stories within this book and discover that its pages can lift the spirit for a brighter tomorrow. Between the covers of this book

its stories will transport readers to perhaps the farthest reaches of their dreams for improving life and accomplishing their destinies

Strengthening Child Safety and Well-Being Through Integrated Data Solutions Christian M. Connell, Daniel Max Crowley, 2023-08-12 This book explores the use of integrated administrative data to understand and address the significant public health problem of child maltreatment. It examines the use of linked or integrated administrative data to increase understanding of population level needs and to inform decision making efforts within the child welfare system and across other public systems. The book details the technological innovations that have allowed for the accumulation and centralization of large datasets critical to identifying risks of child maltreatment and its negative consequences and to target community and system responses more accurately to address these challenges. Leading experts from the fields of child maltreatment, child welfare and human services research share their insights and experiences at the forefront of this critical research area and how it is shaping understanding of identification, intervention and policy affecting children and families. Key areas of coverage include: Ways in which these data can be leveraged to promote more effective efforts to detect, prevent and respond to child maltreatment; Emerging and innovative approaches in the acquisition and use of administrative data to inform the societal and governmental response to child maltreatment; The use of multisystem data and integrated data systems to conduct predictive analytics, risk monitoring or policy and program focused research and evaluation to inform child welfare system solutions. Strengthening Child Safety and Well-Being Through Integrated Data Solutions is a must have volume for researchers, professors and graduate students as well as clinicians, practitioners, policy makers and related professionals across such disciplines as child and school psychology, social psychology, developmental psychology, public health, clinical social work, educational and public policy and all related disciplines.
